## SZXYM8 - MAHONEY CLARENCE

---

Description. A clear, comprehensive introduction to disease, Pathophysiology, 5th Edition explores the etiology, pathogenesis, clinical manifestations, and treatment of disorders. Units are organized by body system, and each begins with an illustrated review of anatomy and normal physiology. A discussion then follows on the disease processes and abnormalities that may occur, with a focus on the pathophysiologic concepts involved.

About this Title. Ready yourself for the realities of professional nursing practice with this proven approach to pathophysiology. Distilling need-to-know disease content in a clear, accessible format, Porth's Essen-

tials of Pathophysiology offers concise yet complete coverage of how the body works to help you establish the scientific foundation essential to success in your nursing career.
