Following Ford and Chevrolet, Pontiac entered the pony car market in 1967 and came up with one of the best and most successful muscle cars ever produced. Though based on the Camaro chassis, the Firebird offered unique features and high performance, and over its nearly 40 years of production it continued to wow drivers--as it does today. This book details the Fire-

bird's long and illustrious career. With high-quality, detailed color photographs of some of the finer models--both originals and faithful restorations--the book is at once a unique history and a restoration guide to all four generations of the Firebird. Pictures and text profile the correct parts, finishes, options, and trim pieces for various models. The book also covers the vehicle's wide variety of engine options, along with all special editions and model variations from the Firebird's introduction in 1967 to the final model in 2002.

This 1964 Comet and Falcon Shop Manual is a high-quality, licensed PRINT reproduction of the service manual authored by Ford Motor Company and published by Detroit Iron. Service / repair manuals were orig-

inally written by the automotive manufacturer to be used by their dealership mechanics. The following 1961 Chevrolet models are covered: Bel Air, Corvette, Biscayne, Brookwood, Kingswood, Impala, Nomad, Parkwood. This factory written Detroit Iron shop manual is perfect for the restorer or anyone working on one of these vehicles.
