Picture Words Flash Cards can help your child learn words by associating each word with its object or animal for better learning. Our Picture Words Flash Cards also help teach preschoolers and kindergarteners about context clues. The journey of a thousand words begins with one picture! Fun Features & Big Benefits

The purpose of the sight words flash cards is to help the children sight-read the words as a whole. Pictures, while helpful in understanding the object or concept being taught, can also distract from the primary focus of the lesson, which is word recognition.
