According to Roger Caillouis, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

The international classic and bestseller, Maya Angelou's memoir paints a portrait of 'a brilliant writer, a fierce friend and a truly phenomenal woman' (BARACK OBAMA). 'I write about being a Black American woman, however, I am always talking about what it's like to be a human being. This is how we are, what makes us laugh, and this is how we fall and how we somehow, amazingly, stand up again' Maya Angelou In this first volume of her seven books of autobiography, Maya Angelou beautifully evokes her childhood with her grandmother in the American south of the 1930s. Loving the world, she also knows its cruelty. As a Black woman she has known discrimination, violence and extreme poverty, but also hope, joy, achievement and celebration. 'I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity' JAMES BALDWIN 'She moved through the world with unshakeable calm, confidence and a fierce grace . . . She will always be the rainbow in my clouds' OPRAH WINFREY 'She was important in so many ways. She launched African American women writing in the United States. She was generous to a fault. She had nineteen talents - used ten. And was a real original. There is no duplicate' TONI MORRISON

Chronicle of a Death Foretold is a compelling, moving story exploring injustice and mob hysteria by the Nobel Laureate Gabriel Garcia Marquez, author of One Hundred Years of Solitude and Love in the Time of Cholera. 'On the day they were going to kill him, Santiago Nasar got up at five-thirty in the morning to wait for the boat the bishop was coming on' Santiago Nasar is brutally murdered in a small town by two brothers. All the townspeople knew it was going to happen - including the victim. But nobody did anything to prevent the killing. Twenty seven years later, a man arrives in town to try and piece together the truth from the contradictory testimonies of the townsfolk. To at last understand what happened to Santiago, and why. . . 'A masterpiece' Evening Standard 'A work of high explosiveness - the proper stuff of Nobel prizes. An exceptional novel' The Times 'Brilliant writer, brilliant book' Guardian

At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

An impassioned look at games and game design that offers the most ambitious framework for understanding them to date. As pop culture, games are as important as film or television—but game design has yet to develop a theoretical framework or critical vocabulary. In Rules of Play Katie Salen and Eric Zimmerman present a much-needed primer for this emerging field. They offer a unified model for looking at all kinds of games, from board games and sports to computer and video games. As active participants in game culture, the authors have written Rules of Play as a catalyst for innovation, filled with new concepts, strategies, and methodologies for creating and understanding games. Building an aesthetics of interactive systems, Salen and Zimmerman define core concepts like "play," "design," and "interactivity." They look at games through a series of eighteen "game design schemas," or conceptual frameworks, including games as systems of emergence and information, as contexts for social play, as a storytelling medium, and as sites of cultural resistance. Written for game scholars, game developers, and interactive designers, Rules of Play

is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design.

The world loves to place labels on people-even on followers of Christ. It's difficult to see yourself as God sees you. But Thomson K. Mathew has created a three-dimensional model of Holy Spirit-empowered Christian identity that allows believers to remain whole in a broken world. Part 1, "Discovering Your Identity in God's Family," discusses the importance of your identity as a child of God, a disciple of Jesus, a citizen of God's kingdom, and a person made whole through faith. Part 2, "Discovering Your Purpose in God's Call," discusses your calling as a hope-filled healer, believer, worshipper, leader, missionary, and prophet. Part 3, "Discovering Your Power in God's Spirit," dives into your position as the temple of the Holy Spirit, your gifts and blessings, and your place among God's living saints. Mathew ends his book with a call to action focusing on your God-given anointing and empowerment through the Holy Spirit to fulfill your specific purpose on Earth. God wants you to know who you are in Him. Mathew's prayer is that you'll begin to see your own beauty and purpose so that you may walk in the knowledge that you are a powerful child of God!

In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review

The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.
