This book was previously published in 2013 under the same title. While the text and cover have been updated, the story remains the same. It's been five years since a woman came between Ethan Barstow and his brother, Charley, and it's high time they buried the hatchet. When Ethan travels to Arizona Territory to make amends, he learns that Charley has abruptly disappeared after breaking more than one heart in town. And an indignant fiancée is hot on his trail. When Charley Barstow abandons a local girl after getting her pregnant, Kate Kinsella pursues him without a second thought. She's determined he set things right, and even more determined to end her own engagement to him, a sham from the beginning. But an ill-timed encounter with a group of ruffians lands her in the company of Charley's brother, Ethan, who suggests they search together. As Ethan and Kate move deeper INTO THE LAND OF SHADOWS, family tensions and past tragedies threaten to destroy a love neither of them expected. A sensuous historical western romance set in 1893 Arizona Territory. Into The Land Of Shadows is a stand-alone, full-length novel. 2014 Carolyn Readers' Choice Award Finalist "Kristy McCaffrey brings us a story with heart and spirit, characters that live, and an understanding of the place and people that far surpasses a traditional romance..." ~ Marcy Waldenville, author of Tears of the Damned "... a must read ... a story that is engaging and edge-of-the-seat gripping. [McCaffrey's] vivid descriptions and great cast of characters, with exceptional dialogue, bring this story to life." ~ Coffee Time Romance & More "...a haunting story with suspense, passion, and excellent character building." ~ Romance Reviews Today "With a vividly painted background, engaging and compelling characters and pages that just fly by, Into The Land Of Shadows is a superb read for any western or historical romance lover." ~ Romance Junkies "The author's descriptions of the Arizona desert and the Indians who inhabit it are beautiful. You almost feel as if you are there. There are surprises, an element of the paranormal, which is done exceptionally well, and romance. If you love Westerns, then don't miss this one." ~ Paranormal Romance Guild "...as if 'Romancing The Stone' and 'The Good, the Bad and the Ugly' and 'Dances With Wolves' got together and had a kid." ~ Reading Alley Reviewer

A singular life often circles around a singular moment, an occasion when one's life in the world is defined forever and the emotional vocabulary set. For the extraordinary writer James Salter, this moment was contained in the fighter planes over Korea where, during his young manhood, he flew more than one hundred missions. James Salter is considered one of America's greatest prose stylists. The Arm of Flesh (later revised and retitled Cassada) and his first novel, The Hunters, are legendary in military circles for their descriptions of flying and aerial combat. A former Air Force pilot who flew F-86 fighters in Korea, Salter writes with matchless insight about the terror and exhilaration of the pilot's life.
