rent ...

PMP ® Certification Training Pittsburgh. The PMP certification is a must-have for any serious project manager. Certified Project Managers on average earn over 20% more than those without the certification. The PMP certification can help you get the job, keep your job and earn more money.

The course work for the certificate covers all components of project management as given in A Guide to the Project Management Body of Knowledge by the Project Management Institute (PMI) and goes beyond the basics by exploring the use of decision technologies together with relevant software to more effectively manage resources and risk. Further, students can explore other advanced topics by choosing courses from selected electives.
