The obscure religion that shaped the West. Though it was once the state religion of Iran and widely practised in other regions inhabited by Persian peoples (eg Afghanistan, Tajikistan and much of Central Asia), Zoroastrianism is today a minority religion in Iran, and boasts few adherents worldwide.

### BBC - Culture - The obscure religion that shaped the West

The terrorist attacks of 9-11, and the subsequent American wars in Afghanistan and Iraq, turned the minds of Americans away from the culture wars for a time. And, when the culture wars resumed later in the decade, they took the form of the struggle over same-sex marriage.

### The Pop-Culture Wars - Public Discourse

The Star Wars saga has had a significant impact on modern American pop culture, both the films and characters have received official parodies in numerous films and television productions, such as Family Guy's tribute-spoof season premiere episode called "Blue Harvest", in dedication of the saga's 30th anniversary.

### Cultural impact of Star Wars - Wikipedia

The term "culture war" has different meanings depending on the time and place where it is used, as

it relates to conflicts relevant to a specific area and era. Originally, it refers to the conflict between traditionalist , classical liberal , or conservative values and social democratic , progressive or social liberal values in the Western world , as well as other countries.

### Culture war - Wikipedia

In our post-modern context, the rise of the power and authority of the media has accompanied the seeming decline in the power and authority of religion in the local and wider culture. This third level course will investigate some of the problems, issues and controversies presented by this new arrangement.

### What is the relationship between religion, media and culture

The Journal of Religion and Popular Culture is a web-based, peer-reviewed journal committed to the academic exploration, analysis and interpretation, from a range of disciplinary perspectives, of the interrelations and interactions between religion and religious expression and popular culture, broadly defined as the products of contemporary mass ...

### The Religious Conflict at the Heart of Our Culture Wars

The term "popular culture" was coined in the mid-19th century, and it referred to the cultural traditions of the people, in contrast to the "official culture" of the state or governing classes. In broad use today, it is defined in qualitative terms—pop culture is often considered a more superficial or lesser type of artistic expression.

### The Definition of Popular Culture in Sociology

In the United States and Canada, "culture wars" (or, occasionally Kulturkampf, lit. "culture struggle") is the term used to refer to the political discourse surrounding issues that are ostensibly rooted in tightly held values, but generally excluding issues that are informed by values associated with business, commerce, and the accumulation of wealth and power.
