Teachers can easily integrate resource guide activities into their existing lesson plans to gauge understanding of literary and language content while simul-

taneously familiarizing students with AP exam formats.

*Pride and Prejudice*, like most of Austen's works, employs the narrative technique of free indirect speech, which has been defined as "the free representation of a character's speech, by which one means, not words actually spoken by a character, but the words that typify the character's thoughts, or the way the character would think or speak, if she thought or spoke".
