Assignment 1: Principles of Economics . Due Week 4 and worth 150 points . Write a two to three (2-3) page paper in which you: 1. Identify a relevant economic article from either the Strayer Library or a newspaper. The article . must deal with any course concepts covered in Weeks 1-4. 2.

Principles of Economics refers to the basic methods and concepts economists use when doing economics, hence to economic analysis. In this view the term "economics" refers to the discipline, not to the economy. We will discuss consumer and producer behavior, markets, business cycles, economic growth, money and the financial system.

Principles Of Economics Irwin Economics Principles of Economics, 2019-2020 - Prospectus ...

With engaging questions, explanations and exercises, the authors help students relate economic principles to a host of everyday experiences such as going to the ATM or purchasing airline tickets. Throughout this process, the authors encourage students to become "economic naturalists:" people who employ basic economic principles to understand and explain what they observe in the world around them.
