The Night War Series by Leia Stone and S.T. Bende is one of my favorite young adult series. It's clean and refreshing while not skimping on the danger and hardships faced by Allie and her protectors as they fight Nott, the Night Goddess. Redeemer is the last book in this three book series which should be read in order.

Night War Saga. Book 2 By: S.T. Bende, Leia Stone ... And the closer Allie and her protectors get to the pieces of the immortal weapon that could save them all, the more destruction Nott manages to unleash - not only on the world Allie loves, but on the friends she'd give her life to save.

What Allie doesn't know is that her world's decline is a result of an ancient battle called the Night War - the Norse goddess Nott's crusade to control the weakest of the light realms. And Allie most definitely doesn't know that her existence is the only thing stopping Nott from dragging the earth into total darkness.
