While iTunes may be the first name that springs to mind when you think about buying music downloads, it's far from the only online music store that works with the iPod, iPhone, and iPad. Streaming music services like Spotify and Pandora offer different ways to access and discover new music. And iTunes Radio is another option for enjoying music.

I found & re-downloaded my purchased music. I was on hold with iTunes & clicked on Account>Purchased. When the Purchased window opened I saw my list of Purchases Not in My Library. For some reason all of my purchased music un-downloaded. I had to re-upload which was a pain & very frustrating but it's all there now.

Music Management function aims to help you manage iOS device music in an easy way. With this function, you can transfer music from iOS device to computer & from computer to iOS device, between iOS devices directly and even delete unwanted music. Please refer to the detailed guide to make good use of AnyTrans. Step 1: Preparations.
