Reap the Wild Wind (1942) cast and crew credits, including actors, actresses, directors, writers and more.

"Reap The Wild Wind" is an amazing adventure set in the deep south and the storyline is tightly woven. It looks amazing on Blu-ray. I hope that more of his films will be released on Blu-ray like "The Greatest Show On Earth" and "Unconquered".

But Reap the Wind starts with Cassie going back in time to rescue friend (and potential, please please please, lover) Pritkin from a demon spell and it ends with... Cassie still needing to go back in time to rescue Pritkin from said spell.
