There are several reasons 3-phase is desirable over 1-phase power. One advantage of 3-ph over 1-ph has to do with instantaneous power (i.e. power generated or consumed at any instant in time within the power cycle). For example, consider a heating element (power resistor) in a 1-phase circuit. Voltage and current are in phase. When Ghost is announced as Lt. Governor it gives him a solid win and makes him one step closer to a fully legitimate world. He soon discovers one of his many enemies carrying out a plan that changes his life forever.

"If a power of attorney is ambiguous it is ripe for challenges and interjections," Furman says. "The issue is that when

problems with a power of attorney are discovered it is usually too late to do anything about it." Misconception #3: A power of attorney grants the agent the right to do what they please with your estate.
