The remarkable story of a friendship spanning six decades between two individuals whose careers could hardly have followed more contrasting courses beyond the Land of Hope and Glory: that of Graham Haigh, the expedition-mounting adventurer, who went on to make the Middle East and South-East Asia his professional stamping grounds, and that of Martin Thiebaut whose francophone roots led him to Belgium then Luxembourg and to rub shoulders with a stimulating mix of nationalities. But given that this dual epistolary autobiography was conceived as a tribute to the author's lifelong friend, the focus is on Graham and his richly

varied experiences. Not least among these, in view of a more than passing interest in pop music and the lure of the open road, was Graham's encounter back in the 1960s with Roy Orbison on the Sussex coast, where the singer had come to collect a bespoke Harley-Davidson. When, many years later, Graham exchanged handshakes with a Kuwaiti billionaire, the memory of that warm greeting with the man who sang 'You Got It' trumped pressing the flesh with a Forbes list magnate.

Saloon, Hatchback & Coupe, inc. G40 (supercharged) Coupe & special/limited editions. Does NOT cover revised Polo range introduced September 1994. Petrol: 1.05 litre (1043cc) & 1.3 litre (1272cc).

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Hatchback (plus most features of Van), inc. special/limited edi-

tions. Does NOT cover revised Clio range introduced June 2001. Petrol: 1.2 litre (1149cc), 1.4 litre (1390cc) & 1.6 litre (1598cc).
