Left-hand traffic (LHT) and right-hand traffic (RHT) are the practices, in bidirectional traffic, of keeping to the left side or to the right side of the road, respectively. They are fundamental to traffic flow, and are sometimes referred to as the rule of the road.. RHT is used in 165 countries and territories, with the remaining 75 countries and territories using LHT.

Left- and right-hand traffic - Wikipedia

I reject the idea that who Bernie Sanders was in the 1960s is irrelevant. Who you are and what you do, what you fought for, and who and what you fought against, is always relevant. Twenty and thirty and forty years from now, when people step up to lead, and run for office, what they did and where they were during the Black Lives Matter movement will mean something.
