ZYRUB7 - NIGEL ALENA

Pre-University Paper from the year 2014 in the subject English - Literature, Works, grade: 15, , language: English, abstract: "O Romeo, Romeo, wherefore art thou Romeo?" This quote might be the most famous one from the love story of Romeo and Juliet. It is known by many people around the globe and translated into various languages. It is also known, that the tragedy deals with the ideal of true love and attends to the contact with insurmountable disparities. Down to the present day they are numerous variations of the original plot, for instance in ballet, classic theatre or movies. The tragedy's popularity is not deniable, and wittingly or unwittingly the story seems familiar to almost every reader or viewer. This has the cause that in almost everybody's life there is or was at least one point, where most of the people can relate their personal love-fate to this of Romeo's and Juliet's; A loving couple separated by the hate-filled relationship of their families. At that point, it is nonessential if the separating barrier is represented by parental home, origin, social class, religion, or financial background. Due to this, Romeo and Juliet still is of current interest and affects readers emotionally even centuries after its publishing. This is, for me personally, fascinating, and I want to research into the play to understand Shakespeare's way of thinking and intentions as well as to explore the limitations and possibilities when it comes to transfer this demanding work by Shakespeare into twenty-first century scenarios.

Shakespeare's one of the greatest playwrights of all time—but telling a student this isn't enough. This bundled book is perfect for teachers looking for lesson plans and other resources to get students interested in the Bard. Inside you will find a five day lesson plan, discussion questions, a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern

retelling (along with the original text) of Shakespeare's Romeo and Juliet. Each section of this book may also be purchased individually.

Is 'Romeo and Juliet' really a love story, or is it a play about young people living in dangerous circumstances? How might life under occupation produce a new reading of 'Julius Caesar'? What choices must a group of Palestinian students make, when putting on a play which has Jewish protagonists? And why might a young Palestinian student refuse to read? For five months at the start of 2013, Tom Sperlinger taught English literature at the Abu Dis campus of Al-Quds University in the Occupied West Bank. In this account of the semester, Sperlinger explores his students' encounters with works from 'Hamlet' and 'The Yellow Wallpaper' to Kafka and Malcolm X. By placing stories from the classroom alongside anecdotes about life in the West Bank, Sperlinger shows how his own ideas about literature and teaching changed during his time in Palestine, and asks what such encounters might reveal about the nature of pedagogy and the role of a university under occupation.

"This sharply focused collection of essays on poetics and poetry, with special attention to Shakespeare, includes the work of some of the nation's best-known and most respected scholars and authors. All of them are former colleagues of O. B. Hardison, Jr., and their major new essays, written especially for this collection, center on his interests: Aristotle and classical poetics, Petrarch and Italian poetics, the English Renaissance, especially Shakespeare and Milton, and postmodernist work in theory, literature, and science."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your un-

derstanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

A complete instructional program for introducing students to the process of library research, with ready-to-use activities and worksheets. Cloth edition [0-8108-2723-9] published in 1994. Paperback edition available April 2002.

This book will guide students in learning about writing a literary book review in English.

REA's MAXnotes for William Shakespeare's Romeo and Juliet The MAXnotes offers a comprehensive summary and analysis of Romeo and Juliet and a biography of William Shakespeare. Places the events of the play in historical context and discusses each act in detail. Includes study questions and answers along with topics for papers and sample outlines.

Originally published in 1993. Presenting excerpts and articles on the themes and characters from the most famous story of young lovers, this collection brings together scholarship relating to the language, performance, and impact of the play. Ordered in three parts, the chapters cover analysis, reviews and interpretation from a wide ranging array of sources, from the play's contemporary commenters to literary critics of the early 1990's. The volume ends with an article by the editor on the action in the text which concludes the final section of 8 pieces looking at the story as being a product of Elizabethan Culture. It considers the attitude to the friar, to morality and suicide, the stars and fate, and

gender differences. Comparisons are made to Shakespeare's source as well as to productions performed long after the Bard's death.

This book showcases strategies which support teachers and principals as they implement high standards for students. At the same time, it demonstrates how to meet the needs of diverse learners. When an essay is due and dreaded exams loom, this book offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs and symbols, a review quiz, and essay topics. It is suitable for late-night studying and paper writing.

A disturbing trend faces education in the U.S.—not plagiarism but academic forgery (students purchasing and signing their names to work produced by others). This book, by a former professional forger, describes the difference between the two and presents case studies along with an exposé of the trade. The author provides a thorough treatment of the topic and reveals the serious implications for the future of academia. Educators should educate themselves about forgery and join the conversation about solving the problem.

"This book is composed of the main sources of ten of the Shakespearean plays most frequently assigned in college courses. Its aim is to assist the student to think for himself by providing the basic tools for independent study leading to a term paper, one which is the result of work with primary materials -- the plays and their sources -- rather than a collation of what critics have said about the plays." [Preface].

The fullest and most comprehensive study of Romeo and Juliet in years, this book examines every aspect of the play, including texts and contexts, thematic and critical issues, and performances.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proof-read and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

This edition of William Shakespeare's *Romeo and Juliet* is the perfect companion to teachers. In this annotated teachers edition, the unabridged version of the book is included along with five days worth of lesson plans, a study guide, and a biography about the life and times of Shakespeare. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

The tragedy of Romeo and Juliet - the greatest love story ever. How do we choose a partner to initiate a relationship with, and what makes us stay in a given relationship over time? These questions are most often pursued by scholars with an emphasis on the internal thoughts, feelings, and motivations of individual decision-makers. Conversely, this volume highlights the importance of considering external influences on individual decision-making in close relationships. Featuring contributions from internationally renowned scholars, the volume is divided into two interrelated sections. The first section considers global and societal influences on romantic relationships and the second focuses on social network and communicative influences on romantic relationships. Taken together, this collection helps us to better understand how external factors influence the internal machinations of those involved in intimate relationships.

This is an open access book. The book provides an overview of the state of research in developing countries - Africa, Latin America, and Asia (especially India) and why research and publications

are important in these regions. It addresses budding but struggling academics in low and middle-income countries. It is written mainly by senior colleagues who have experienced and recognized the challenges with design, documentation, and publication of health research in the developing world. The book includes short chapters providing insight into planning research at the undergraduate or postgraduate level, issues related to research ethics, and conduct of clinical trials. It also serves as a guide towards establishing a research question and research methodology. It covers important concepts such as writing a paper, the submission process, dealing with rejection and revisions, and covers additional topics such as planning lectures and presentations. The book will be useful for graduates, postgraduates, teachers as well as physicians and practitioners all over the developing world who are interested in academic medicine and wish to do medical research.

These essays offer fresh ideas about Shakespeare. Everett argues that patterns in the major tragedies are drawn from the most common human experiences, and that Shakespeare used his great public settings to suggest myths of the personal life. The first essay *Growing*, proposes a new reading that recovers an older forgotten view of the place of the young within the social order. Other essays exemplify a wide range of approaches to Shakespeare's tragic texts, including a reading of *Romeo and Juliet* that presents the Nurse as a key to Shakespeare's tragic conception, and an essay on the inaction of *Troilus and Cressida* that brings out the extraordinary originality of this unclassifiable play. In addition, the book provides ancillary studies of *Hamlet* and *Othello*, together with new approaches to the texts which show how these plays manifest their meanings, even in the smallest details of word and phrase.

All the Classroom's a Stage reveals how teachers can apply theater skills to the craft of teaching and enhance their ability to engage and motivate students, cultivate collaborative learning, and become stronger and more dynamic 'performers' in the classroom. This book illustrates how to use theater techniques to invigorate the craft of teaching in college classrooms across multiple disciplines. The book shows readers how to explore and apply improvisation, actor-training, and directing techniques to their classroom. By using discipline-specific examples, case studies, and a breadth of theater and teacher-training experience, the book re-

veals how theatre can strengthen teaching and learning, improve attendance, retention, and students' commitment to their education and to each other. Whether a new teacher navigating the job for the first time or an experienced veteran hungry for new teaching methods, *All the Classroom's a Stage* will transform a traditional classroom into a dynamic creative space built on collaborative sharing of the educational experience.

Part of Prufrock's new series for the upper level classroom, *Advanced Placement Classroom: Romeo and Juliet* is a user-friendly guide to teaching one of Shakespeare's classic plays. Featuring more than 50 reproducible pages to supplement student projects, debates, and writings, this guide teaches students to consider new perspectives on the traditional tale. Teachers can implement day-to-day study of the play with intriguing journal prompts, introduce challenging critical thinking with lessons that put Juliet's nurse and Friar Lawrence on mock trial for their role in bringing together the lovers, and much more. Prufrock's new line of innovative teaching guides is designed to engage students with creative learning activities that ensure Advanced Placement success. The *Teaching Success Guide for the Advanced Placement Classroom* series helps teachers motivate students above and beyond the norm by introducing investigative, hands-on activities including debates, role-plays, experiments, projects, and more, all based on Advanced Placement and college-level standards for learning. Grades 7-12

"Tragic Instance follows Shakespeare's progress through his tragedies. The book accepts Kenneth Muir's prescription, "There is no such thing as Shakespearian Tragedy: there are only Shakespearian tragedies." Accordingly, each of the tragedies, from *Titus Andronicus* to *Coriolanus*, is studied in order of composition. *Richard III* and *Richard II* are included because each is described as "tragedy" on the title page. No larger unity is seen. The play is everything that is the case."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Provides advice for high school English teachers on how to bridge the cultural gap between minority students and higher education by building a supportive classroom community, and offers lesson plans based on college-level skills.

This book helps educators improve students' ability to write clear, coherent essays in response to on-demand writing prompts. While it focuses on students' abilities to succeed at on-demand writing, it also promotes the teaching of writing as an expression of art and self. For grades 4 -12, it provides examples of responses to narrative and persuasive prompts, and provides savvy advice about what scorers look for.

The essays collected here derive in part from a series of lectures, "International Perspectives on Shakespeare," delivered at the University of Delaware during the academic year 1992-93 and partially supported by the Delaware Humanities Forum. By coincidence, three of the six scholars chose one of Shakespeare's most enduring and beloved tragedies, *Romeo and Juliet*, for their subject, but each approached the play from different points of view. All the essays are published here for the first time in English. They offer new perspectives on *Romeo and Juliet* that all students of the play will find both illuminating and useful.

Presents a guide to writing a research paper, covering such topics as finding sources, taking research notes, creating an outline, writing the first draft, and completing the final version.

This volume details features of Shakespeare's tragedies.

Research Paper from the year 2014 in the subject English Language and Literature Studies - Literature, Jamshedpur Womens College (affiliated to Kolhan University), language: English, abstract: The present paper primarily endeavours to elaborate upon the basic conception of tragedy as laid out by imminent critics over the ages; to religiously undertake a comprehensive close study of the classic tragedy 'Romeo and Juliet' written by William Shakespeare; compare and contrast the previous works relating the story and Shakespeare's very own interpretation; to critically scrutinize and elucidate upon the theme of love, its nature and

quality, which is the deciding factor of the play, with special reference been made to 'Sonnet no. 116' by William Shakespeare.

This volume brings together a collection of Graham Holderness's writings on Shakespeare in film and television. Published in books and journals between 1984 and 1998, these essays constitute a resource for the study of Shakespeare in the media.

In recent years the social sciences and the humanities have drawn closer to each other in thought and method. This rapprochement has led to new perceptions of human behavior by sociologists, as well as new methodological orientations. Sociologist Joseph R. Gusfield draws upon drama and fiction to show how human action is shaped by the formal dimensions of performance. Gusfield first defines the concept of behavior as artistic performance. He then analyzes routine and classic social research reports as literary performances in qualitative and quantitative terms. Next he moves to social movements and public actions, demonstrating how objects and events are products of the interpretation and reflection of individuals. He draws upon literary and artistic conventions to deal with issues of representation and meaning. In the first and last chapters, Gusfield provides a conceptual summary examining the relation between sociology as science and art, arguing that sociological methods are neither science nor art, but partake of both. Following the philosopher Paul Ricoeur, Gusfield shows how human behavior can be read as a text, always telling the participant or observer "something about something." *Performing Action* will be of interest to sociologists, psychologists, and students of aesthetics and critical theory.

Since 1973, *TEXAS MONTHLY* has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, *TEXAS MONTHLY* continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.
