## **RY7E46 - BLACK STEVENS**

---

The Kings of Swing is the intimate and extraordinary story of those South African golfers who have won numerous Major championships – more than any other nation outside of the United States. Their victories were achieved despite decades of sporting isolation and, during the post-apartheid era, in the shadow of possibly the greatest athlete of all time. This is a story of plane, train and car crashes, psychosurgery, a lightning strike, a broken beer bottle, a misplaced marker, a beautiful autistic boy and a scandal that ensnared the country's most famous sportsman and led to the resignation of a prime minister. It is a story of the power of the mind and the power of the body in this, the most fickle of all sports. It is a story of dramatic highs and lows, of desperate poverty and fabulous wealth. It is a rare glimpse into the extraordinary lives of South Africa's top golfers ...

Golf fans will not forget the 39th Ryder Cup in a hurry. Staged at the Medinah Country Club just outside of Chicago, the 2012 event has already gone down as the most remarkable competition in its 85-year history. The American team had home advantage, and a golf course unapologetically set up to suit its own players. Sup-

ported by tens of thousands of loud and proud fans, the USA's star-studded line-up dominated the first two days and ended the Saturday with a seemingly unassailable 10-6 advantage. No away team had ever won the Ryder Cup from such an unpromising position. Sunday was singles day, traditionally the forte of American teams. The situation looked bleak, especially when European team member and number 1 golfer in the world, Rory McIlroy, very nearly missed his tee-off time. Yet slowly but surely, the European team - who had top-loaded their line-up in one last throw of the dice - started to turn the scoreboard blue. With inspirational captain Jose Maria Olazabal stirring European blood with thoughts of the late Ryder Cup magician Seve Ballesteros (whose silhouette was emblazoned on the players' sweaters and bags), the tide turned and the previously dominant American players started to crumble in the face of the onslaught. Suddenly European players were holing miraculous putts to win holes out of the blue. Something very special was happening. When German Martin Kaymer sank his putt on the eighteenth green to clinch the point that retained the Ryder Cup, the most astonishing comeback in the event's long and distinguished history was complete. Miracle at Medinah is the compelling narrative of those amazing three days in Illinois, a fitting chronicle of an unbelievable sporting story.

Discover The Inspirational Story of Tennis Superstar Andy Murray! Read on your PC, Mac, smart phone, tablet or Kindle device! You're about to discover the incredibly inspirational story of tennis superstar Andy Murray. If you're reading this then you must be a fan of Andy, like so many others. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any demographic.

Tommy Armour's classic How to Play Your Best Golf All the Time provides timeless golf instruction on the following subjects: \* How to learn your best golf \* What can your best golf be? \* Taking you to the lesson tee \* How your clubs can help you \* The grip holds your swing together \* How to get ready to swing \* Footwork, the foundation of best golf \* The art of hitting with the hands \* The

waggle, preliminary swing in miniature \* The pause that means good timing \* Assembling your game in good order \* Saving strokes with simple approach shots \* The fascinating, frustrating philosophy of putting \* The simple routine of an orderly golf shot These classic bits of advice are accompanied by over four dozen two-color illustrations.

The fascinating story of one of golf's most amazing young talents, winner of the 2011 U.S. Open—fully updated to include his PGA Championship win and topping the money list for the PGA tour and European tour Rory McIlroy was destined to become a professional golfer from the moment he recorded a 40-yard drive at the age of two. His first hole-in-one came when he was nine, and he played in his first pro European tour event as a 16-year-old in 2005. This biography tells all about his amateur career, culminating in the silver medal as leading amateur in the 2007 Open Championship at Carnoustie. It presents a portrait of an athlete who, despite high expectations, keeps a cool head on his young shoulders and lets his golf do the talking. It goes on to describe how in 2008, Rory entered the top 100 in the Official World Golf Rankings, with his first victory coming in the 2009 Dubai Desert Classic where he endured a nail-biting final hole. His final breakthrough is discussed, when in June 2011, he won his first major, the U.S. Open at Congressional Country Club in Maryland. Rory won by eight shots and finished with the amazing total of 16 under par.

From the #1 New York Times bestselling author of *A Good Walk Spoiled*, a dramatic chronicle of the bitterly-fought 2016 Ryder Cup pitting a U.S. team out for revenge against the Europeans determined to keep the Cup out of American hands. Coming into

2016, the Americans had lost an astounding six out of the last seven Ryder Cup matches, and tensions were running high for the showdown that took place in October, 2016 in Hazeltine, Minnesota, just days after American legend Arnold Palmer had died. What resulted was one of the most raucous and heated three days in the Cup's long history. Award-winning author John Feinstein takes readers behind the scenes, providing an inside view of the dramatic stories as they unfolded: veteran Phil Mickelson's two-year roller-coaster as he upended the American preparation process and helped assemble a superb team; superstar Rory McIlroy becoming the clear-cut emotional leader of the European team, and his reasons for wanting to beat the US team so badly this time around; the raucous matches between McIlroy and American Patrick Reed - resulting in both incredible golf, and several moments that threatened to come to blows; the return of Tiger Woods not as a player but an assistant captain, and his obsession with helping the US win - which was never the case when he was playing. John Feinstein's classic bestseller, *A Good Walk Spoiled*, set the bar for golf books. Now Feinstein provides his unique take on the Ryder Cup, which has clearly become golf's most intense and emotional event...it's 'first Major.'

Hard-hitting Rory McIlroy was always destined to become a professional golfer, from the moment he recorded a 40-yard drive aged just two. His first hole-in-one came when he was nine, and he played in his first professional European tour event as a 16-year old in 2005. Despite high expectations, Rory keeps a cool head on his young shoulders and lets his golf do the talking.

From the bestselling author of *A Season on the Brink* and *A Good*

Walk Spoiled comes the definitive biography of enigmatic golfer, commentator, and performer David Feherty—one of the most universally beloved figures in the game. In Feherty, John Feinstein, who has spent four decades finding intriguing sports characters and narratives and turning them into classic books, chronicles the life and career of David Feherty. The two have known each other for years, beginning with Feinstein's work on *A Good Walk Spoiled*, researched and written at a time when Feherty was a very good professional player, but also a functioning alcoholic. In retirement from the game, Feherty has sobered up, while his golf world persona has only grown in stature. Feherty is now a grand ambassador for golf, a man who is feted by US Presidents and respected by every big name in the game. Feinstein tells hilarious true tales about Feherty's time in the limelight and interactions with stars such as Tiger Woods, Rory McIlroy, Payne Stewart, and Seve Ballesteros. The biography also details Feherty's struggles with alcoholism, the death of his son who was lost to addiction, and the highs and lows of Feherty's marriages. Feinstein captures the human being behind the athlete, and his triumphant rebound as a golf commentator after his athletic career fell apart. Feherty is fall-down-funny, self-deprecating, and a lifelong underdog who has thrived as a commentator and television interview host, and most recently as a touring standup comic, using the difficult experiences of his life as a source for humor and understanding, which Feinstein will mine with his expert's touch.

What makes a great golfer? Is it innate talent, unstinting dedication, hard graft or inner strength? Can it be measured by championships won or prize money earned? Is the perfect technique more important than an engaging personality? Since the birth in

1860 of the Open Championship, every era of golf has produced its iconic great players, and here Andy Farrell selects his candidates for the top 100.

a biography of golf course architect Donald Ross

From “one of the best sportswriters in America” (The Washington Times)—the New York Times bestselling story of the friendship and rivalry between golf legends Tom Watson and Jack Nicklaus, whose sparring matches defined the sport for more than a decade. The first time they met, at an exhibition match in 1967, Tom Watson was a seventeen-year-old high school student and Jack Nicklaus, at twenty-seven, was already the greatest golfer in the world. Though they shared some similarities—they were both Midwestern boys who had learned how to play golf at their fathers' country clubs—they differed in many ways. Nicklaus played a game of consummate control and precision. Watson hit the ball all over the place. Nicklaus lacked charm and theatrics, and he was thoroughly despised by most golf fans because he had displaced Arnold Palmer as king of the golf world. Watson was one of those Arnold Palmer fans. Yet over the next twenty years their seemingly divergent paths collided as they battled against each other again and again for a place at the top of the sport and drove each other to ever-soaring heights of accomplishment. Spanning from that first match through the “Duel in the Sun” at Turnberry in 1977 to Watson's miraculous near-victory at Turnberry as he approached sixty, and informed by interviews with both players over many years, *The Secret of Golf* is Joe Posnanski's intimate account of the most remarkable rivalry and (eventual) friendship in modern golf.

Tiger Woods: A Short Unauthorized Biography is a short unauthorized biography produced from electronic resources researched that includes significant events and career milestones. Masters of Men is the story of one journey taken, over half a century apart, by two outstanding golfers. But, this is more than a golf book. It's the story of two young men, and the people who filled their lives - the mentor who dominated Ken Venturi, the agent who loomed too large over Rory McIlroy, and the two young girls who became their first loves and lost their men as they became champions. Uniquely, it pits the incredible struggles and victories of perhaps the single most naturally talented golfer from the 1950s and '60s (Ken Venturi, US Open champion, 1964) against the game's most naturally talented golfer of today (Rory McIlroy, US Open champion, 2011). It puts them on the same tee boxes, on the same greens, on the same day. Masters of Men uniquely, and dramatically, brings together for two days, two remarkable golfers from two different ages in golf - on the final day of their greatest failure, and the final day of their most remarkable triumph. It weaves in elements of cultural and social history,

examines the birth of two of the greatest golf courses in the United States, Augusta National and Congressional CC, and examines the journey undertaken by the game of golf, and its greatest players from generations past, from Byron Nelson and Ben Hogan, to Arnold Palmer and Jack Nicklaus, to Greg Norman and Tiger Woods. It is an extraordinary story and one that will appeal to both golf fans and the wider sport-reading public.

From the author of the bestselling *Golf Is Not a Game of Perfect* comes a masterly illumination of golf's mental game. When that book was published, Dr Bob Rotella made accessible for the first time what he had learned from working with the best golfers in the world. Dr Rotella follows up the success of *Golf Is Not a Game of Perfect* with a book filled with anecdotes and motivational instruction focusing on the most important skill a golfer can have: the ability to think confidently. Filled with inspirational stories about the great players, great courses and great tournaments, *Golf Is a Game of Confidence* encourages golfers, no matter what their level, to reach new heights in their games and their lives.

An Old Trafford legend, Sir Alex Ferguson has enjoyed a spectacularly successful career as manager of Manchester United. This book examines his life, from his tough upbringing in Glasgow and his career as a player, through to his eventual triumphs with Aberdeen and United.

NEW YORK TIMES BESTSELLER \* "A rollicking good time." —Golfweek \* "Thoroughly engaging." —The Washington Post Now with a new afterword: a juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime Sports Illustrated writer and

bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that

Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take you inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

When Pádraig Harrington won the Open Championship in 2007, he became only the second Irish golfer ever to win a Major, ending a drought which dated back to Fred Daly's victory of 1947. But Harrington's great achievement was more than the breaking of a hoodoo: it was the start of the most glorious period in the history of Irish golf. Harrington retained the coveted Claret Jug in 2008 and added the US PGA championship that same year. In 2010, Graeme McDowell had a breakthrough Major win in the US Open and was succeeded as champion in 2011 by the phenomenally talented Rory McIlroy. The remarkable run of Major champions from Ireland was continued that season when Darren Clarke claimed an emotional victory in the British Open to add his name to the list of great champions on the Claret Jug, and most recently by Rory McIlroy who in 2012 also struck gold in the US PGA. From Carnoustie to Royal Birkdale, Oakland Hills to Pebble Beach, and Congressional to Sandwich and Kiawah Island, The Irish Majors is the story of these great victories and of the background to Ireland's golden generation of golfers. Philip Reid has the inside track on these wonderful Irish triumphs and he brings it all home in this celebratory book.

The story of the local kid, born five miles down the road from White Hart Lane stadium, who became the hero Tottenham and England greatly needed, stepping out of the suburbs and into the limelight. Harry Kane is a Spurs boy through and through - 'one of our own', as the fans' ditty goes - and a legend in the making. He proved to be one of the Lane's most promising players. After graduating through the youth ranks, Kane had his first Premier League start in 2014, leading to his winning the Golden Boot after scoring twenty-five goals in the 2015/16 season. The boy who started out in the same junior club as David Beckham, the boy who was rejected by Arsenal because he wasn't big or quick enough, the boy who made Arsène Wenger regret his decision after Kane proved the Gunners wrong, had become Tottenham's most promising striker. Now, in the first ever biography of the striker, bestselling football writer Frank Worrall delves into why Harry Kane became his club's, and his nation's, great hope, and how he got to that position, all seemingly from nowhere. He delves into what makes Harry tick, his hopes and dreams and just why Manchester United was willing to pay up to £60 million for his skills.

After a fantastic start to his professional golf career with two majors in the bag, child prodigy and golf superstar Rory McIlroy suddenly hit a wall. His successes thinned out and he started to slide down the world rankings. Rory was making more headlines off the course and on the front pages of the tabloids after a legal dispute with his former management team Horizon; the constant press speculation as to whether he would represent Great Britain or Ireland in the Olympics; and his on-off relationship with Caroline Wozniacki, which led to a New Years Eve engagement in Aus-

tralia and then the sudden shock split as wedding invitations were being prepared. Then, after all the traumas, came a double triumph in the summer in 2014 which Rory personally described as "an unbelievable summer and the greatest golf of my life." Two more majors followed in just four weeks - The British Open and the USPGA - which put Rory in putting distance of becoming only the sixth man in history to win Golf's Grand Slam as he looks to add the illusive US Masters to his resume.

Formula 1 racer and BBC Sports Personality of the Year award-winner Lewis Hamilton is quickly moving towards becoming Britain's greatest ever racer. Lewis Hamilton is the record-breaking young British hero of Formula 1. His phenomenal debut season was nothing short of a revelation, coming through against all the odds to dominate and revolutionize the world of motor racing. It was an outcome no one could have predicted: thrown in at the deep end "on a mighty whim" by McLaren team owner Ron Dennis, not only did Lewis have to combat his own nerves and fears, he had to overcome a dissenter within his own camp. With behind-the-scenes insight into the intense rivalry between Hamilton and his teammate Fernando Alonso which threatened to derail the young Briton's dream, and the low-down on the "spy-gate" scandal, this biography describes how Lewis handled the intensity of the media scrutiny around his relationship with Nicole Scherzinger and kept his dignity to emerge triumphant as he racked up sensational wins around the world. Now he has even joined iconic speedsters Damon Hill and Bradley Wiggins as a BBC Sports Personality of the Year winner. From his momentous clinching of the 2014 World Championship in Abu Dhabi to the bitter ri-

valry with former friend Nico Rosberg--which culminated in the German engineering a deliberate high-speed crash--bestselling sports author Frank Worrall traces the slipstream of Hamilton's incredible career as the fastest driver on the planet. This is the ultimate story of the driver whom Sir Jackie Stewart says "has re-written the rookie rule book." But he is a rookie no more. Lewis Hamilton has accelerated into pole position to be called Britain's greatest ever race driver.

England manager Gareth Southgate's decision to appoint Kane, still just twenty-three years old, as the team captain in 2017 could have been seen as premature, bringing with it pressure that could damage a young player's career. However, he knew that Kane, a modest, humble and inspiring figure was up to the task. Having lost faith in the national team, English fans weren't sure the players would even make it out of their group. No one could have predicted that this young and relatively inexperienced side would achieve their best result since 1990, or that their captain would win the tournament's Golden Boot with six goals. Perhaps most importantly for the team and their manager, they brought the country together to make for an unforgettable summer. While their eventual semi-final loss to Croatia came as a stinging disappointment, this is just the start for the team and their skipper, one of our most exciting players for a generation and a truly world-class English star. In this in-depth biography, bestselling sports writer Frank Worrall traces Kane's journey from an ordinary childhood in north London, growing up just a few miles from White Hart Lane, to the most remarkable tournament of his career.

He's the leader of America's exciting new wave of golfing supers-

tars. Young, fun and gifted, Rickie Fowler has taken the sport to a younger audience in the States - making headlines as much for his wacky dress sense and YouTube spoofs as for his God-given prowess with a golf club. Twenty-six-year-old Fowler, is America's answer to Rory McIlroy, and together they represent the gifted faces of golf for a new era: two young men destined to contest a Trans-Atlantic rivalry for that coveted World No. 1 spot. But it was motocross that was Rickie's first love. He had dreams of making his name as a racer until he broke his foot in three places at the age of fifteen. Then on, he focused purely on golf, winning tournament after tournament in high school, until, in 2007, he was chosen for the US's Walker Cup team and a year later became the first university freshman ever to be awarded the NCAA Player of the Year. Such was his burgeoning talent that in 2010 he also went on to become the first American rookie to be selected for the Ryder Cup and in 2014, he became only the third golfer ever to finish in the Top 5 at all four professional majors in the same season, following in the illustrious footsteps of Jack Nicklaus and Tiger Woods. He was moving ever closer to that first major victory as he and McIlroy continued to trade shots and tweets at courses around the world for the ultimate golfing honours. But for all his colourful clothes and joking around with fellow 'brat pack' member Bubba Watson, Rickie has a much more serious, emotional and intellectual side to his character. In this compelling first biography on the figurehead of US golf's young guns, Frank Worrall provides a fascinating portrayal of Rickie Fowler as both a fun-loving yet altruistic human being and a single-minded golfing superstar.

Born in Italy to Ghanaian parents, Mario Barwuah suffered life-

threatening health problems as a baby. By the age of three he had recovered, but his parents then entrusted him to a foster family - the Balotellis - and Mario grew up in the affluent village of Concesio. He began his football career with Lumezzane, earning promotion to the first team at the age of 15. Balotelli's skill soon brought him to the attention of the biggest clubs in Italy, and he was duly signed by Inter Milan in 2006. This book tells his story.

This title explores the life of Rory McIlroy, from his early days playing golf to his triumphs at the highest level. The title also features informative sidebars, fun facts and quotes, a glossary, and further resources. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

Most people think talent is genetically determined. Either you can sing or you can't. You get calculus or it's beyond you. You have what it takes to succeed -- or you don't. The truth about human performance is far more encouraging, says Dr. Bob Rotella in *Life Is Not a Game of Perfect*. Dr. Rotella, the bestselling author of *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, believes that talent, as conventionally defined and measured, plays a secondary role in determining one's fate. Far more important is real talent, a combination of character, attitude, and devotion, which makes greatness possible. And the good news is that anyone can develop real talent. As always, Dr. Bob Rotella speaks from experience. He has made a career of helping people chase and catch their dreams. His authority as a sports psychologist is well known. Golfers from Tom Kite to David Duval to Pat Bradley have relied on him to help them break through to triumphs on the

PGA Tour. But Bob Rotella's practice extends beyond the sports world. He is a consultant on performance enhancement to leading businesses such as Merrill Lynch, General Electric, and PepsiCo. He has worked with successful people in businesses ranging from law to entertainment. From hundreds of clients and countless students, Dr. Bob Rotella has learned what works. In *Life Is Not a Game of Perfect*, he shares what he has learned and what he teaches his clients. Real talent, he explains, is "brilliance of a different sort." It is the nerve to choose a career doing something you love or the ability to learn to love what you do. It is courage, persistence, and determination. It is the ability to handle failure and honor commitments. Whether you think so or not, real talent is within your grasp. In *Life Is Not a Game of Perfect*, Dr. Bob Rotella will help you make it a decisive element in your life. He can show you how to identify and cultivate the qualities that lead to success, prosperity, and happiness.

On the night of 29 April 2017, at Wembley Stadium, Anthony Joshua knocked down and defeated the Ukraine's former world heavyweight champion, Vladimir Klitschko. In doing so, he added the WBA and IBO heavyweight titles to the IBF belt he already held. That bald statement of fact does little justice to what proved to be one of the finest heavyweight contests of all time, in which a brilliant but relatively inexperienced fighter took on, and eventually defeated, one of the finest boxers of his or any other age. It was a twelve-round fight before a record post-War crowd, and for eleven of those rounds it could have gone either way; indeed, in Round 6 it looked as though Joshua was finished when a massive right hand from Klitschko sent him to the canvas. But the fight also harked back to an earlier era of true sportsmen, far out-

shining the hype and flummery of lesser fighters, with Joshua as graceful and generous in victory as Klitschko was in defeat. For once, boxing lived up to its description as 'the Noble Art', and is all the richer for it. In this, the first post-Klitschko fight study of this remarkable boxer, bestselling sports writer Frank Worrall looks at the life and career of a young man who has won all nineteen of his professional fights by KO. Since that glorious day in 2012, when Joshua won gold at the London Olympics, he has shown himself to be a true gentleman - but a fighter to the core. At twenty-seven, he has a glittering career ahead of him, and it seems certain that he is poised to revive heavyweight boxing and usher in a new Golden Age.

Back in 1996, the world of golf began to evolve in the minds of Americans from a game of rich corporate executives and board retirees to something more palatable to a wider audience. Where Tiger Woods began to redraw the boundaries, young Northern Irishman Rory McIlroy pushes it even further. With a solid swing and casual smile, McIlroy grabbed the world of golf by the face when he won the 2011 US Open, then bumped himself up the rankings to No. 1 in the world. This book follows his journey from youthful beginnings and amateur status to his professional career. Then, take a look at the man himself - his philosophies, his training, and his life off the course. Fans of golf young and old should take the time to look through this amazing story of advancing through ranks and breaking records with an unstoppable stride and determination.

This is the story of the new King of the Kop. When Mohamed Salah signed for Liverpool from Rome in 2017, his record fee was initially greeted with some scepticism. While he'd been singled out as a future star back in Egypt, and performed well at the Italian club, no one could have predicted the impact he was to have at Anfield. Scoring an unprecedented thirty-two goals in thirty-six games for the club, he became the sensation of the Premier League. Not only that, but he has also won over fans of all stripes with his humility and grace off the pitch, as well as his versatility and flair on it. Few players have inspired such fervent admiration so quickly, with chants of his name still reverberating around Anfield, and after just one season, he's already on his way to becoming a Liverpool legend. In this insightful biography, bestselling sports writer Frank Worrall examines Salah's electrifying

debut season at Liverpool and the highs and lows that brought him there.

Youth and Family Life Amateur and Professional Career Personal Life Legacy, Charitable Acts and much more! If you want to learn more about Rory McIlroy, then this book is for you. It will reveal to you many things that you did not know about this incredible golfer! About the Author: Inspirational Stories is a series aimed at highlighting the great athletes of our society. Our mission is to present the stories of athletes who are not only impactful in their sport, but also great people outside of it. The athletes we write about have gone above and beyond to become impactful in their community and great role models for the youth, all while showing excellence in their profession. We publish concise, easily consumable books that portray the turning points in the lives of these great athletes, while also giving the context in which they occurred. Our books are especially great for children who look up to sports figures. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any de-

mographic.

Sports sensation Rickie Fowler's amazing biography follows the young golfer's continuing ascent to the top of the game. He's the leader of America's exciting new wave of golfing superstars. Young, fun, and gifted, Rickie Fowler has taken the sport to a younger audience in the States--making headlines as much for his wacky dress sense and YouTube spoofs as for his God-given prowess with a golf club. 26-year-old Fowler is America's answer to Rory McIlroy, and together they represent the gifted faces of golf for a new era: two young men destined to contest a Trans-Atlantic rivalry for that coveted World No. 1 spot. But it was motocross that was Rickie's first love. He had dreams of making his name as a racer until he broke his foot in three places at the age of 15. From then on, he focused purely on golf, winning tournament after tournament in high school, until, in 2007, he was chosen for the US's Walker Cup team and a year later became the first university freshman ever to be awarded the NCAA Player of the Year. Such was his burgeoning talent that in 2010 he also went on to become the first American rookie to be selected for the Ryder Cup and in 2014, he became only the third golfer ever to finish in the Top 5 at all four professional majors in the same season, following in the illustrious footsteps of Jack Nicklaus and Tiger Woods. He was moving ever closer to that first major victory as he and McIlroy continued to trade shots and tweets at courses around the world for the ultimate golfing honors. But for all his colorful clothes and joking around with fellow "brat pack" member Bubba Watson, Rickie has a much more serious, emotional, and intellectual side to his character. In this compelling first biography on the figurehead of US golf's young guns, Frank Worrall

provides a fascinating portrayal of Rickie Fowler as both a fun-loving yet altruistic human being and a single-minded golfing superstar.

This exciting book introduces readers to the life and career of golf star Brooks Koepka. Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans.

"Fascinating...[Bamberger] knows the world of professional golf, and the pressures it exacts, like few others." —The Wall Street Journal It's one of the greatest comebacks of all time. And for Tiger Woods—his game, his body, and his life in shambles—getting back to the winner's circle was only half the story. Here's the rest of it. Tiger Woods's long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods's DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see. That episode could have marked the beginning of Tiger's end. It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In *The Second Life of Tiger Woods*, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddy yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend's return. Packed with new

information and graced by insight, Bamberger's story reveals how this iconic athlete clawed his way back to the top. Here you'll meet the people who have shaped and saved Tiger's life. It's a disparate group: a Florida police officer, an old friend from Tiger's boyhood, his girlfriend, his manager, his caddie. You'll go inside the ropes and see Tiger's interactions with fellow pros, with broadcasters and rules officials and Tour executives, with legends young (Rory McIlroy) and old (Jack Nicklaus) and in between (Fred Couples). On the Sunday before Masters Sunday, you'll join Tiger as he takes a long, slow, contemplative walk across Augusta National, and you'll be with him again seven days later in the splendid isolation of the tee at thirteen, in the rain, his right foot slip-

ping while he swings his driver at 120 miles per hour. This is an intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden. In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. *The Second Life of Tiger Woods* is not only the saga of an exceptional man but also a celebration of second chances. Bamberger's bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.
