65JUJA - XIMENA TRISTIAN

Get swept into the English countryside full of afternoon teas and fox hunts, corsets and bowler hats, where the British upper class hide truths behind their port and petticoats, and impropriety reigns supreme. Meet cranky and bitter Edith Hornbrook, who is bored with running the Hornbrook estate so entertains herself by meddling. She arranges for her son, Henley III, to meet an exotic gypsy woman who lives in the forest beyond the estate. There he will learn the secrets of love before his impending nuptials to the enchanting heiress, Proberta Gerber. But all gets botched when temptation takes the reins and sex, lust, and true love collide.

Yasmeen Blake is a very intelligent, talented, and gorgeous young lady with a heart of gold. She has some short comings but who doesn't. Yasmeen is an administrative supervisor of Social work at a local hospital in California. She is hard working, and she is damn good at her job. Yasmeen is unmarried, single and she is looking for love. After getting her heart broken by Aaron Sinclair, a doctor who works at the same hospital. Yasmeen guards her heart that is until Doctor Mahmoud Shashivivek, the new Owner of the hospital, arrives. Mahmoud is a neurosurgeon. He stands six feet tall one hundred sixty-five pounds with silky black curly hair the flows down to his shoulders and his strong facial fetchers. With eyes, as blue as the ocean. His skin is flawless and blemish free like smooth light creamy caramel. His smile is bright like the sun that revels his beautiful pearly white teeth. His lip like a dark pink rose. With a physique, better than the Rock. Eight pack abs with strong arms and hands. Yasmeen wants to hate Mahmoud but her body longs to have him but he's promised to another woman.

Crossing borders and cultures, creating home The View From Breast Pocket Mountain is a unique and previously untold story, a treasure trove of experiences crossing borders and cultures, creating a life, and finding contentment in a far-off country. To those who've ever wondered what their lives would be if they'd taken that road without a map, this is the book you need to read. The View From Breast Pocket Mountain gives us a glimpse of a life not designed or even imagined. As a motherless teenager raised by a caring albeit strict father, we see Anton's developing awareness of the world beyond the boundaries of her New York City neighborhood before she goes on to live in a castle in 1960s Denmark and a cabin in 1970s Vermont. With a burning curiosity and vision of a life as yet unformed, she travels overland to Turkey, Iran, Afghanistan, and finally to the place she'll come to call home, Japan. This memoir is filled with unexpected encounters with the very famous and those unknown and unnamed. On a journey through marriage and motherhood, love, laughter, tragedy and hope, we follow along as Anton makes her way through a life unplanned but well lived. The View From Breast Pocket Mountain is a story for our time, reminding the reader of our interconnectedness, our shared humanity.

These stories, in all their narrative voicings, deal with sorrow and still seek to find life's joys. Despite conflicts, contradictions, sacrifices, surprises and ironies, the haunted and hunted characters try to comprehend death in detail. In so doing, the human spirit rises up and triumphs against the incomprehensible and bewildering aspects of life, love and death.

In this book, kids walk a mile in Linda Brown's shoes and wonder why they can't go to a school that's only seven blocks away. In 1954, the real Fight for Equality was just beginning-- and kids need to know what really happened and why. Come sit in the courtroom with us as we watch the proceedings in the case of Brown versus the Board of Education!

Rainey was born during the great depression in a rural country in Arkansas. She was born of a sickly, prostitute mother, who lived with a grandmother on a small, hard scrabble piece of farmland. Their situation was so dire, with the mother knowing she had not long to live, and the grandmother too old to attempt to raise a child under such difficult circumstances, the mother reluctantly offers Rainey up for adoption. (This was not uncommon during the depression when children were shunted off to relatives or neighbors.) Given first to another farm family, which by today's standards would be considered dysfunctional, she runs away at the age of six. She eventually ends up with a group of women, mostly old-maid schoolteachers, who make some attempt to restore a degree of

normalcy to the child's life. This is the nearest thing to a functional family she would ever know, but an unfortunate and ill-advised wartime marriage, once again, turns her on the wrong road of life. She goes through a series of misfortunes, including a jail term, before she eventually meets the love of her life. But once again, fate is cruel to her because he is married. She has an illegitimate child by him and, knowing he cannot marry her, leaves him with no forwarding address. She returns to the area of her childhood, where he, now single, eventually finds her, and in true romance fashion, they are brought together and supposedly live happily-ever-after.

The American Milestone series meets national and social studies standards. This 32-page book is reproducible and educational. The book begins in 1950s in Topeka, Kansas but spread to many cities and towns as discriminatory laws mandated that black children could not attend the same schools as white children. Black children would often have to cross whole cities to reach their schools, passing schools for white children along the way. But in 1951, the Topeka NAACP filed a lawsuit that would forever change schools - and the relationship between blacks and whites. Brown was much more than a case about one little girl - it was about a whole nation of people who had grown tired of injustice. Brown v. Board of Education represented more than 200 plaintiffs and 12 different attorneys and community activists. Integration did not take place overnight, but Brown v. Board of Education marked the milestone when the notion of equality moved away from just being an idea and took the first steps toward becoming reality. Hi, my name is Emily Elizabeth Hall and I have a gift. Ever since I was little, my mom found out I had a brain like a magnet. I never forget a face. My dad and I created a code word, Revelation, in case I remembered something important. I only had to use it once and I ended up catching a killer. A few years later my mom was killed. Ever since that day, I felt something different. Someone was watching me. But it wasn't just me; it was four others as well. Now it's my job to use my gift to solve who killed my mom and who is trying to kill me.

Frederick Douglass's daughter tells her own story of segregation and triumph. "Rosetta, Rosetta, Sit by me!" That's what the white girls at Miss Tracy's Female Seminary yell when Rosetta, Frederick Douglass's nine-year-old daughter, shows up on the first day of school. But things don't turn out the way she expects. Not only does she have to study in a classroom all by herself, but she's also kept apart at recess. Told in Rosetta's voice, and illustrated throughout, this remarkable chapter book includes a biographical endnote; a time line; reproductions of a letter from Rosetta to her father and Frederick Douglass's newspaper, the North Star; and source notes.

Jonathan Kent is tired of living. A self-absorbed angry man, his drinking and infidelity are destroying the one part of his life he wants to save - his marriage Alone in his car, he now understands that the wife who listened to all his lies will not accept the truth. As he turns the key in the ignition wanting to see his wife one more time, fate catches up with him. Terrified and bleeding, he searches for mercy and understanding. Soon, the agony his mortal body is suffering will come to its inevitable end. Jacob Lansing is tired of suffering. A decorated soldier and a loving husband, his passion to help others once defined his life. But terminal brain cancer has rewritten his dreams for his future with the ones he loves. He has watched his beloved wife, Elizabeth, turn into a sad, anxious woman, torn apart by her inability to help him. What's more, the thought of abandoning Marcus Allen, a young man he hoped to make whole, crushes him. Soon, Jacob will take control of what re-

mains of his life, and his suffering will cease. Their passage into eternity is stopped, frozen in time. God allows one to return to provide Marcus Allen with the guidance God always intended him to have. He keeps the other close at hand, in the hopes that he will learn the most difficult lesson of all: the joy of giving and accepting love. Can these two men redeem each other?

People who think they know everything are not willing to change anything. Some people think that all they have in life is what is in front of them. So they settle. They stay weak. Looking at Mary Thompson, she has it all in tact; the perfect painted face, the perfect hairstyle, and is well dressed, however, underneath the woven layers, lays dormant, a killer of souls. He is all she knows, or is it? Mary Thompson never expected to grow up the way she did, abused, misused, and rejected around each corner. All grown up, looking in the mirror, is when her true enemy reveals himself to her. She discovers that he is her family's enemy too. Only Mary stands a chance of saving them from an eternal death. But can she save them? Can she even save herself from sliding deeper into a dark pit, only to have the enemy ravish her again? Will she have enough strength to carry that endless burden? Psychologically destroyed, unstable and inexperienced in the strategies of spiritual warfare, Mary stands on a thin line between fear and faith, death and life. Will the dark side's gauntlet of trouble and turmoil keep her in bondage? Or will the grace of God, and her prophetic dreams lead to her deliverance?

Aurelia Rubbini, the only child of a rich merchant in fourteenth century Italy, has been raised to be a dutiful daughter, wife and mother, but she longs for something more than the restricted life intended for her. Then one day, her father brings home from a buying trip an Asian slave boy, Batu, who will reshape Aurelia's destiny. Aurelia and Batu are inexorably drawn to each other, but their relationship is forbidden as Aurelia is destined for an arranged marriage to further her father's political ambitions. When Aurelia marries Lorenzo de Graziano, a nobleman with a dangerous reputation, Batu insists on going with her for her protection. But Batu's presence arouses violent passions that Aurelia, in her innocence, can never understand.

It's Milwaukee, it's the 60's, and this segregated city is about to blow. Jozef Miszewski, a union organizer, has always taught his family to fight for justice but he has no idea his daughter Lila is getting mixed up with Father Groppi and those rabble-rousers from St. Boniface who are planning to march across town to Kosciusko Park. It's Milwaukee, it's the 60s and parents can't rely on internet searches, cell phones or emails to keep tabs on their kids. Secrets are easily hidden and the Miszewski kids are pros, especially the youngest, Kazia, who learns how to cover her tracks when

she crosses the viaduct.

An idealistic young medical doctor, Giancarlo Avellino, inspired by a radical colleague, Sigismondo Malatesta decides that the biological hands of time can be scientifically reversed in the elderly, making them young again! Convinced that a combination of pharmaceutical compounds and nutraceutical dietary supplements may be one of the keys to the fountain of youth, he boldly decides to prove it, clinically treating five aging physicians and a sixth surprise volunteer. The results of the treatment at first seem promising, but then a mysterious death occurs, jeopardizing the program. The police and the FDA become involved, paving the way for the U.S. Congress to enter challenging the will of the young doctor to continue his courageous endeavor. Primarily conversational, the bulk of the story is concerned with addressing how people deal with this bold effort, describing their thoughts and their individual reactions to the turning back of their hands of time.

Rosetta and Bella are sisters who rely on each other for everything, who were separated on Earth. Travis and Marie are polar opposites from two different lands. All four of them can control the different elements, which is a rare skill to possess. Will the one girl who is meant to turn the affinity from light to dark going to help Alister in his plot? Will they be able to remember who they are and get back into the fight before Alister, the evil lord, get his prize and plunge all the dimensions into darkness?

This book is about effective literacy instruction for students in grades K-4 who use the language variety that many linguists call African American English, but which, as explained in the Introduction, the author calls Black Communications (BC). Throughout, considerable attention is given to discussing the integral and complex interconnections among African American language, culture, and history, drawing significantly on examples from African American historical and literary sources. Although it is theoretical in its description of the BC system and its discussion of research on language socialization in African American communities, the major focus of this book is pedagogy. Many concrete examples of successful classroom practices are included so that teachers can readi-

ly visualize and use the strategies and principles presented. *Part I, ‘What is Black Communication-s?’ presents an overview of the BC system, providing a basic introduction to the major components of the language—phonology, grammar, lexicon, and pragmatics, and illustrating how these components work in synchrony to create a coherent whole. *Part II, ‘Language Socialization in the African American Discourse Community,’ examines existing research on African American children’s language socialization. *Part III, ‘Using African American Children’s Literature,’ draws connections between strategy instruction and the linguistic and rhetorical abilities discussed in Part II. Each chapter ends with suggestions for using African American literature to help children develop their speaking and writing abilities. *Part IV, ‘Children Using Language,’ moves from a focus on teaching comprehension strategies to helping BC speakers learn to decode text. This volume is directed to researchers, faculty, and graduate students in the fields of language and literacy education and linguistics, and is well-suited as a text for graduate-level courses in these areas.

When I go to sleep at night, all I see is your face. All that matters to me is your happiness. I'd do anything for you. But don't expect me not to fight for you. I'm prepared to lose you, but not like this. Mia Moretti has always dreamed of becoming an artist. But after a fierce battle with a devastating illness that she is terrified will return, Mia is heartbroken to find herself unable to paint like she used to, and is forced to give up her place at art school. So when an opportunity to spend the summer in Italy presents itself, Mia jumps at the chance for a fresh start. She hopes that by travelling to the sun-drenched streets of Florence, surrounded by art and Tuscany's rich green vineyards and sweeping hills, she will finally be able to heal. What Mia doesn't count on is meeting handsome local mechanic, Luca Bonnici. With his easy smile, endless warmth and irresistible joie de vivre, Mia can't help but fall for him. And, as she slowly lets down her walls and opens her heart to Luca, Mia starts to fall in love with life again too. But just when she is ready to let go of her past, tragedy strikes. Will Mia's strength and her love for Luca be enough to save them both, or is it already too late? Lose yourself in the blue skies and sun-kissed streets of Florence with this gorgeous, heart-wrenching story about love and second chances. Perfect for fans of That Month in Tuscany, T.A. Williams and Lucy Coleman. What readers are saying about Her Tuscan Summer: 'Absolutely exceptional! Breathtaking; beautiful; heartbreaking and outstanding! I haven't been to Italy, but now, I'd love to go just to walk where Mia and Luca walked.' Goodreads reviewer [redacted] 'Breath-taking... will stay with me for a long time... Mia's struggle touched my heart... I adored this novel... For a wonderful escape into beautiful Florence, I highly recommend this beautiful book (and make sure you have tissues nearby!).' Goodreads reviewer [redacted] 'I cannot recommend this novel enough. Once I opened the first page, I was immediately lost in Mia's heartfelt journey... a novel that resonates with you, long after the last page is read.' Goodreads reviewer [redacted] 'Beautiful, emotional, picturesque... I was swept away... The story of Mia and Luca had me captivated from beginning to end, in fact I read half of this book in one day.' Goodreads reviewer [redacted] 'I was absolutely transported to Tuscany and I did not want to leave! Such a gorgeous love story... a set of characters that will stay with you long after you reluctantly have to leave them and Tuscany behind.' Goodreads reviewer [redacted] 'A heart-warming, intimate love story that takes the reader on a chauffeured voyage of Florence, and the beautiful surrounding landscapes... a glorious emotion-filled read. The story was so beautifully written and portrayed, that I didn't want it to end.' Goodreads reviewer [redacted] 'The sweetest and saddest love story I've ever read. I was in bed sick with the flu but I still read this in two sittings... I loved Mia and Luca's instant connection and their love story... The vivid description of Florence and the Amalfi Coast was breathtaking.' Goodreads reviewer [redacted]

Perry Shepherd, Earl of Brentwood, presents himself to Society as a bit of a fribble; carefree, fairly indolent, and bored to flinders by anything remotely political. But appearances can deceive, because scratch that polished surface and the real Perry appears, an invaluable and rather ruthless covert asset to England during the late war with Bonaparte. Perry ignores the reappearance of Princess Caroline, consort of the new King George IV...until his wily uncle orders him to ferret out information that would make it possible for the new king to divorce his unwanted, blowsy, and rather audacious spouse before he is forced to crown her as his Queen. Left with no options, Perry decides the way to the Princess is through her most trusted ally, Amelia Fredericks. A little charm, a few of his winning smiles sprinkled in with a touch of flattery to the girl, and, well, as one of his new acquaintances is known to say, "Bob's your uncle." Except that Amelia is so sincere, so trust-

worthy, so devoted to Caroline...and it's possible that both she and princess are in grave danger. Now Perry has a problem: how does he tell the truth to the woman he's been lying to even as he falls in love with her? Don't miss the book that precedes this story, featuring Morgan Drummond: *The Butler Did It* "Michaels truly shines in this gem of a historical romance rich in witty dialogue and intriguing political maneuverings." -- Review by Patty Engelmann; American Library Association.

This book examines the services that chaplains provide to dying patients and the unique relation-

ship that palliative care staff construct with people at the end of life. It explores the nature of hope when faced with the inevitable and develops a theory of spiritual care rooted in relationship that has implications for all healthcare professionals.

The story of the upstate New York home where the orator and former slave lived with family, houseguests, and fugitives on the Underground Railroad. Despite living through one of our nation's most bitter and terrifying times, Frederick Douglass and his wife, Anna, raised five children in a lov-

ing home with flower, fruit, and vegetable gardens in Rochester, New York for twenty-five years beginning in 1848. While Frederick traveled widely, fighting for the freedom and rights of his brethren, Anna cared for their home, family, and extended circle. Their house was open to fugitives on the Underground Railroad, visiting abolitionists, and houseguests who stayed for weeks, months, and years at a time. In this book, local history expert Rose O'Keefe weaves together the story of the Douglasses' experience in Rochester and the indelible mark they left on the Flower City. Includes illustrations
