The new edition of this unique book focuses on helping readers to acquire knowledge and skills needed to read, interpret, evaluate, and write about educational research; and to make decisions based on that research. Using a non-mathematical, non-technical introduction focusing on the users, rather than the producers of research, the book provides an introduction to research that is appropriate for educators and others involved in making educational decisions. Actual research reports in an appendix provide practice in tackling research presentations. Updated examples present current qualitative and quantitative research, both general and content specific, as it is used in elementary, middle, secondary, and special education. New information and strategies in Chapter 11 address electronic database searches for research reports. A valuable book for anyone who has a need to understand and use educational research.

Lijvig en bijzonder goed gedocumenteerd werk over de verschillen tussen de seksen, wat betreft psychologisch functioneren. Met name bepaalde intellectuele capaciteiten en sociale gedragingen, waarvan algemeen wordt aangenomen dat ze verschillend zijn voor mannen en vrouwen, worden onder de loep genomen. De auteurs willen immers een onderscheid maken tussen enerzijds de

meningen over sekseverschillen die een solide feitenbasis hebben en anderzijds deze die louter gebaseerd zijn op veronderstellingen. Het boek doorpikt enkele mythen en geeft ook de sociale implicaties van deze 'ontmaskering' aan. In verband met onderwijs, is vooral het hoofdstuk over intellectuele capaciteiten en cognitieve stijlen van belang (p. 63-134).

The Bergen County Academies (BCA) Entrance Exam is taken by students of grade 8 seeking admission in grade 9 at the BCA. This book will take you through five full-length practice tests that simulate the real BCA test. The tests cover both English and Math sections. The Math section contains questions similar to the BCA Math section questions along with detailed explanations and smarter techniques to help you get to the answers sooner. The English section contains reading passage-based questions with a sample response. The highlight of this book is the in-depth explanations provided for both Math and English sections. This will help students build clarity of concepts and confidence which is required for success at the BCA exam.
