The Midnight Man is used to fighting for what he wants, but the fight turns deadly when unknown enemies attack. Suddenly, Suzanne's life is on the line. Once John's had a taste of her, there's no doubt that Suzanne belongs to him, and whoever is after her will have to go through him first... MIDNIGHT RUN Claire Parks fought her way back from the brink of death and now it's time to celebrate and paint the town red--or at least pink. Letting herself be seduced by a rugged lumberjack who exudes sex appeal seems like just what the doctor ordered. Little does Claire know that the smoldering stranger is undercover police detective Bud Morrison. When Claire's life is threatened, Bud leaps into action. Rescuing women is what Bud does best and he pulls out all the stops. He knows just how to protect her, and he'll do whatever it takes, including keeping her under lock and key. But Claire has fought too hard for life to let herself be locked away and treated like blown glass. She's flesh and blood, and all woman. Bud will have to meet her halfway if he wants to make her his, and if they're to have a hope in hell of outrunning the danger at their heels... MIDNIGHT ANGEL BEAUTY AND THE BEAST After a violent attack, Allegra Ennis lost everything—her father, her music career and her sight. Living in a world alone, full of darkness and fear, Allegra is haunted by nightmares that don't end when she opens her eyes. When she is stalked by an unknown killer, Allegra must trust her life—and her heart—to former Navy SEAL Douglas Kowalski, a fearsome warrior who bears the scars of war. But Kowalski fears that someone as beautiful and talented as Allegra could never love a disfigured and mutilated war hero like him. He can protect her against danger, but can he protect his heart? It's not what you see ...it's what you feel. Note: The books in this set were originally published by Ellora's Cave and have been updated and lightly re-edited.

J. D. Brewster is a bright medical student whose promising career is teetering on the edge of disaster. After the head nurse on the medical/surgical unit dies from complications of injuries sustained in a vicious botched carjacking attempt, Brewster becomes demoralized. Sadly, the one person who tried to protect him from the dangerous pitfalls of the arduous clinical clerkship rotations was now gone. Forced to abandon his scientific research projects through no fault of his own, Brewster finds himself in a no-win situation as the pervasive culture of the Gulf Coast College of Medicine and University Hospital is brutal and unforgiving toward medical students. As a consequence to unrelenting and dehumanizing emotional abuse, Brewster and his colleagues become not only callous and largely indifferent to human suffering, but also cruel and fully capable of dispensing retribution when perceived appropriate. The occult "clinical justice" system hidden within the bowels of the university turned out to be much more than just an unsubstantiated rumor whispered amongst the naïve medical students and members of the medical staff. The system of vigilante law and order has become fully manifest, and it is indeed a frightening entity to behold. Brewster is now evolving into an avenger who willingly participates in what he believes to be righteously sanctioned punishment dispensed to those who violate the laws that constitute the very fabric of social order. In this continuing tale, a young student at the Texas Medical Center in Houston is confronted with the intertwining world of healthcare and the dark and evil forces lurking within the encroaching shadows of moral decay.

Donald and Sadie MacIntosh emigrated west from Prince Edward Island in Eastern Canada, spending nearly four years on the Alberta prairies, where they gambled everything on raising their wheat crop. Between dust storms, hail, prairie fires, blizzards, and a difficult landlady, Donald and Sadie were beaten into submission. Loading their few possessions, they moved north in a railroad boxcar to the bushland to face new challenges. Meanwhile their family is burgeoning. By the time they reach the northern bush country, they have eight children. This story comes from the memoirs of these children as they grew up. The people they met and the conditions they endured made living in the North memorable, heartbreaking, and sometimes frightening, but there are tender and even laughable moments. This is the second book in the trilogy following *The Gentle Gamblers*.

An appreciation of Rock-n-Roll, song by song, from its roots and its inspirations to its divergent recent trends. A work of rough genius; DeanOCOs attempt to make connections though time and across genres is laudable."

This is a trilogy about three young men finding the fulfillment of their youthful ambitions, from the late 1980s onwards, in rock music and journalism, up to the present day and middle age. As middle age comes on, each must accept a wider responsibility for their past sins. Having either emigrated to or been born in London, all of them become caught up in tantalising opportunities in the capital to fulfill their ambitions of success and fame. Each of them also finds that success comes with an immense price for them personally, and private failures that unmercifully torment them. Their hopeful idealism and dreams become tainted by ruthlessness, opportunism and betrayal of their principles. As each character grows older, he realises he wants to redeem himself and somehow resolve the worst things he has perpetrated in his life - but true redemption requires genuine sacrifice; one even more intense and difficult than their hard-won successes of the past. It may be more than any of them can endure. All of this happens against the background of London's fantastic, fabulous variety and wealth and exoticism, opportunity and glamour, corruption and poverty and loneliness and harshness. Its pitfalls, rewards and insatiable demands as a fast-moving cultural and media capital are a significant part of the novel's tone, with an intensified sense of time and place. Edward St. Boniface takes inspiration from a wide range of authors, including Ray Bradbury, Mark Z. Danielewski and David Foster Wallace. The London Trilogy is a work of adult contemporary fiction that will appeal to fans of highbrow and literary novels, bildungsromans and satire.
