### U323DH - HARRINGTON HEATH

From #1 "New York Times" bestselling author Jodi Picoult, this astonishing novel is "another winner....Picoult cleverly examines the modern world of reproductive science, how best to nurture a child and what, exactly, being a family means" ("People"). Music has set the tone for most of Zoe Baxter's life. There's the melody that reminds her of the summer she spent rubbing baby oil on her stomach in pursuit of the perfect tan. A dance beat that makes her think of using a fake ID to slip into a nightclub. A dirge that marked the years she spent trying to get pregnant. In the aftermath of a series of personal tragedies, Zoe throws herself into her career as a music therapist. When an unexpected friendship slowly blossoms into love, she makes plans for a new life, but to her shock and inevitable rage, some people--even those she loves and trusts most--don't want that to happen. "A carefully constructed, multilayered novel about the transformative power of

storytelling" ("Newsday"), "Sing You Home "deals with identity, love, marriage, and parenthood. It's about people wanting to do the right thing for the greater good, even as they work to fulfill their own personal desires and dreams. And it's about what happens when the outside world brutally calls into question the very thing closest to our hearts: "family."

One of Entertainment Weekly's Ten Best Books of the Year: "A magical novel that even cynics will close with a smile" (People). Everyone in Emlyn Springs, Nebraska, knows the story of Hope Jones, who was lost in the tornado of 1978. Her three young children found some stability in their father, a preoccupied doctor, and in their mother's spitfire best friend—but nothing could make up for the loss of Hope. Larken, the eldest, is now an art history professor who seeks in food an answer to a less tangible hunger. Gaelan, the son, is a telegenic weatherman who devotes his life to predicting the unpredictable. And the youngest, Bonnie, is a self-proclaimed archivist who combs roadsides for clues to her

mother's legacy, and permission to move on. When they're summoned home after their father's sudden death, each sibling is forced to revisit the childhood event that has defined their lives. With lyricism, wisdom, and humor, this novel by the national best-selling author of *Broken for You* explores the consequences of protecting those we love. *Sing Them Home* is a magnificent tapestry of lives connected and undone by tragedy, lives poised—unknownst to the characters—for redemption. “Comparisons to John Irving and Tennessee Williams would not be amiss in this show-stopping debut.” —KirkusReviews, starred review “Sing Them Home constantly surprises . . . A big cast of vividly portrayed characters.” —TheBoston Globe “Fans of Ann Patchett and Haven Kimmel should dive onto the sofa one wintry weekend with Stephanie Kallos’ wonderfully transportive second novel.” —Entertainment Weekly

**#1 NEW YORK TIMES BESTSELLER** • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—The Washington Post The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She

will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? *A Spark of Light* will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—People “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—Us Weekly

After a sudden, devastating loss, Mara flees her family and ends up adrift in a wealthy coastal town. Mired in her grief, Mara's first few days are spent alone, surviving on what scraps of food she can find, and swimming at night in the ocean. When her money runs out and the tourist season comes to a close, Mara finds a job in a local wine store and meets its owner, Simon, a man whose loneliness she immediately recognises as a mirror to her own. As Mara dances around her growing attraction to Simon, she is forced to reckon with both her present desires and her past errors, and with the compulsion she feels to both make and unmake herself. *Tides* is a spare, visceral portrait of a woman nearly pulled under by loss and desire. whom USA TODAY calls a “master of the page-turner,” comes the spectacular story of a woman’s complex quest to form a family. Every life has a soundtrack. All you have to do is listen. Music has set the tone for most of Zoe Baxter’s life. There’s the melody that reminds her of the summer she spent rubbing baby oil on her stomach in pursuit of the perfect tan. A dance beat that makes her think of using a fake ID to slip into a nightclub. A dirge that marked the years she spent trying to get pregnant. For better or for worse, music is the language of memory. It is also the language of love. In the aftermath of a series of personal tragedies, Zoe throws herself into her career as a music therapist. When an unexpected friendship slowly blossoms into love, she makes plans for a new life, but to her shock and inevitable rage, some people—even those she loves and trusts most—don’t want that to happen. *Sing You Home* is about identity, love, marriage, and parenthood. It’s about people wanting to do the right thing for the greater good, even as they work to fulfill their own personal desires and dreams. And it’s about what happens when the outside world brutally calls into question the very thing closest to our hearts: family.

From the #1 New York Times bestselling author of *Small Great Things* and the modern classics *My Sister's Keeper*, *The Storyteller*, and more, comes a "complex, compassionate, and smart" (*The Washington Post*) novel about a family torn apart by a murder accusation. When your son can't look you in the eye...does that mean he's guilty? Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always showing up and telling the cops what to do. And he's usually right. But when Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob's mother, it's a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it's another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? *House Rules* is "a provocative story in which [Picoult] explores the pain of trying to comprehend the people we love—and reminds us that the truth often travels in disguise" (*People*).

The ability to remember lines or stay awake throughout a performance is appreciated, but not essential. The only mandatory is a terminal diagnosis. But Adam Campbell is less than enthusiastic about this eccentric form of group therapy. He has under one year to live, and a heck of lot to get done. Like explaining mortality to his six-year-old daughter. And making amends with the woman who should have been his wife. The last thing Adam needs is a part in an amateur production of 'Shakespeare's Greatest Deaths'. But help and hope can be found where we least expect them. And perhaps camaraderie, and a shared purpose, will turn out to be the best medicine after all. As Shakespeare, didn't quite put it: Shuffling off this mortal coil is a drag; but it's no reason to stop living. The Cancer Ladies' Running Club meets The One Hundred Years of Lenni and Margot, *The Last Act of Adam Campbell* is a warm, poignant and wise tale about love, friendship, and making the most of every minute of life that we're granted.
