Phoenix 'Nix' Knight thought pulling his club out of the illegal shit his Pops got them into was difficult. Until he meets Kadence. Kadence Turner has no business lusting over a student's father, especially the president of the Knights Rebels MC. Nix is crass, obnoxious and dangerously sexy and for some reason, Kadence can't seem to hate him for it. The bossy biker breaks down her defenses, but unlike the old Kadence, the woman she is today won't give in without a fight. The tension is undeniable, the attraction fierce. A man that wants what he wants and a woman that will fight him every step of the way.

LEX - The victim of a human trafficking ring, I was confined to a tiny bedroom with seven other women. The conditions were horrific. They'd taken my freedom, my clothes, and, eventually, what little hope I clung to. Then, one night, we heard gunshots. Prepared for the worst, I stood with my eyes fixed on the door, ready to meet my fate. And then, he opened the door. He saved me from the monsters. Then, he simply walked away. Never in my wildest dreams would I have thought that one day I would save him from his. CHOLO - My focus was the Motorcycle Club, boxing, and work. I'd never been on a date. I guess it goes without saying that I'd never been in love, either. I had my share of sex, but my relationships always ended when the night was over. That all changed after I rescued her. I wasn't trying to be a hero, but she saw me as one. She said I saved her from the monsters. Want to know the truth? She saved me from mine.

The Brethren has asked Damage to join their club. Damage has loyalty to his club and his brothers but business has become serious and he doesn't want brother to start killing brother.

Tegan Raccini's heart has been hardened her parent's divorce, and by the recent loss of her bad boy biker lover to a life-long prison sentence. She isn't bitter; in fact, she's rather upbeat. But, she simply doesn't trust men. When she causes an accident with a motorcycle on the freeway, she's immediately attracted to the handsome biker, but knows she can't stand another heart break. Even though she's unemployed, she agrees to pay for the damages, hoping to never see him again. To earn the money for the repairs to his motorcycle, she accepts a job as the in-home caregiver for an elderly man who is confined to a wheelchair. There's one problem when she shows up at his home. A BIG problem. He's the biker's father.

Meet the sexy, dangerous, tortured men of the Great Wolves M.C. and the strong women they love. Dex - When they locked me away for another man's crime they called it justice. When they set me free they called that justice too. But their damned justice cost me my freedom, my family, my club, and the only woman I ever wanted ... Ava. Now I'm back. Only two things have kept me sane all these years. I want to hurt the man responsible for sending me to prison and end his hold over the Great Wolves M.C. forever. And I want the feel of Ava's body beneath mine again. I need to watch the way she surrenders only to me and makes me whole. It's selfish of me to think Ava would wait for me. But, I'm a selfish man and it's time for me to take back what's mine. Ava - At night, sometimes I still dream of what it felt like when Dex touched me. He awakened things in me, made me burn for him like no other man has since. But those are just dreams, aren't they? The years, distance, and the battles I've fought have made me remember Dex as something more than he really was. Except now he's back, stirring my body and heart even though my head knows better. I can't let him take me back into his world...the club, the violence, the heartache. I don't know if I can survive loving or losing him all over again and we both know there's only one way this can end.

Johnson. Not only is he a main suspect in the case, but he's also the man who came to her rescue one night when she was off duty. What sort of girl loves sin like I do? What sort of person thrives in it? I'm the princess to a dirty throne of motorcycles and madness, daughter of the president of the Death by Daybreak Motorcycle Club. My father's four closest officers--men dressed in blood and death and sin--they're my honor guard, cloaked in leather vests and tattoos. Only, there's nothing honorable about them at all. They're all wrong for me. Every motorcycle club has its old ladies. These guys ... they share one. They share me. ***I WAS BORN RUINED is a 90,000 word new adult, reverse harem, motorcycle club romance with one daring, bada** leading lady, her four sexy outlaws, and a romantic suspense plot. Contains cursing, violence, and sexual situations.

Made to Survive is book 3 and the finale of The Ancestors MC trilogy! It starts with a drink. It ends with a baby in my womb. "One night only" is a slippery slope. I fell hard for the biker - then he disappeared. But he's back now, and this time, when he leaves... He's dragging me with him - whether I like it or not. ANYA He showed up in my emergency room looking like the devil had worked him over with a tire iron. But Bryce Johnson didn't want a nurse. He wanted a gun, a car... And a hostage. And lucky for me, I was his first pick. I'd always wanted out of this small town. But I never thought my ticket to freedom would barge into my life like this. A gorgeous biker with windswept hair and inky tattoos crawling over his muscular shoulders? He might've looked like a dream. But the outlaw f**ked like a nightmare. Like an animal. Like a brutal, savage beast. I'd never been with a man like him before. And after the first kiss, the first touch, the first night, I knew: I'd never want another man again. But landing in the biker's bed was just the start of this madness. Now, I'm riding shotgun with a killer behind the wheel. And there's no telling if I'll make it out alive. BRYCE Life for me as an outlaw biker has always been simple: take the job and get it done. By any means necessary. Some men were born to create chaos. To burn things down. To f**k sh!t up. And God knows I'm one of them. I've always managed to escape the mayhem alive. But this time, I might've bitten off more than I can chew. Even though I've done dirty things before, and there's no doubt in my mind I'll do them again. And I thought I'd learned the hard way not to get distracted when there's a mission on my plate. But the curvy nurse with the shining eyes is testing my focus. She's a do-gooder, a saint in scrubs, a angel if ever there was one. She deserves a white picket fence, a boring-a\$\$ husband, and a few obnoxious, giggling little kids. But she ain't gonna get that with me. Because my world is a hell of a lot different. My world is mobs and MCs, suspense and submission, whiskey and women. I drink fast and ride hard. I f**k. I break. I hurt. It sure as hell ain't for everyone. So I did the fair thing: I pointed my gun at her head and gave her a choice. She can either run for cover. Or she can get in the car with me, and see where the road takes her. That's just the beginning of our story. And I'll make a vow to you right now. This will end only one way: With my ring on her finger, my brand on her skin... And my baby in her belly.

Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

The only patch-wearing outlaw biker to become a sworn police officer — and live to tell his tale In 1977, Wayne “Big Chuck” Bradshaw was Jersey tough. He was a member of the outlaw Pagans bike gang, a One Percenter, and had earned his colours in a world of boozing, bloody bar fights, and high-stakes crime. But after getting too close to extreme violence, Bradshaw made the life-threatening decision to change his path. The toughness Bradshaw used to survive biker life led him to a distinguished and heroic career as an undercover narcotics officer for the same New Jersey police department that had once arrested him. Bradshaw tells his story with the truth of the streets, from his time in the U.S. Army to his decision to join the Pagans, to the wild adventures of working narcotic stings. He rode with truly dangerous criminals and then returned to those same places as a cop. He tracks down fugitives in Jersey’s toughest neighbourhoods, risks his life rescuing dozens from a fire in a seniors’ residence, and volunteers in the aftermath of 9/11. Jersey Tough is an unflinching memoir of personal struggle, of battling with darkness, and ultimately of redemption.
