### The 7th Saga - Wikipedia

The Saga of Seven Suns is a series of seven space opera novels by American writer Kevin J. Anderson, published between 2002 and 2008. The books are set in a not-too-distant future where humans have colonized a number of other planets across the galaxy, thanks in part to technological assistance from an ancient alien race, the Ildirans.

Level 7 is the seventh level in Candy Town and the 2nd jelly level. To pass this level, you must clear 52 single jelly squares in 50 moves or fewer. When you complete the level, Sugar Crush is activated and will score you additional points. It is also a lev-

el where the game starts with two striped candies adjacent to each other.

The 7th Saga is a turn-based role-playing video game developed by Produce! and published by Enix for the Super Nintendo Entertainment System in 1993.

Brian K. Vaughan and Fiona Staples' smash-hit ongoing series returns! An all-new adventure begins, as new parents Marko and Alana make an unexpected discovery in the vast emptiness of outer space.
