### **Free Manual Templates**

A User Guide on paper is less likely to be useful to “casual” users who make only occasional use of the system. Experience says that such users will rarely consult a manual. So for them the bulk of the User

Guide information has to be available online, supported by a good indexing system and (ideally) some diagnostic wizards.

### **User Guide**

In this article, I will showcase some user manual examples or product documentation example to help you set a good goal. Get Inspiration from User Manual Examples. If you are thinking that, creating a product documentation or online user manual is a very technical thing, I would recommend to read this Ultimate Guide to Create Product Documentation.
