---

Two women deal with modern themes of sex, relationships, and fetishism in this erotic romantic comedy. So beware all who enter, because, to quote a few hundred thousand readers on DeviantArt: "I'm not into BDSM...but this story...I get it." Collects volumes 1 through 3.

Welcome to The Club—leave your inhibitions and your everyday cares at the door and indulge yourself in an evening of anonymous, no-strings, woman-on-woman action. For many of the women who visit The Club this is exactly what they are looking for and what they get. For others the emotions run high, and one night of sex can change their lives in ways they couldn't

have imagined. For Lou, her weekly visits to The Club enable her to set aside her shyness and loneliness and feel intimacy, however briefly. For Kath, caring for her mother at home, The Club is a welcome relief from her everyday toil; while Max needs distraction from her troubled relationship, even as she tries to tell herself she isn't really cheating. Tania and Jacky find an outlet for a tricky block in their sex life. Cassie and Nina, bar staff at The Club, find themselves staying on after hours. And finally, Stephanie, struggling with her sexuality, finds her life changing in so many ways once she plucks up courage to enter. The lives of these women intersect in ways they don't realize, and watching over them all is Mandy—the

owner, whose own ghosts play a pivotal role in the existence of The Club.

This is the fifth volume of the Best Lesbian Erotica of the Year anthology series, which features representations of queer women, non-binary, and trans women's sexuality that are not as frequently seen—with ability, race, ethnicity, class, neuro-diversity, ace-spectrum, age, religion, or other marginalized viewpoints. #Ownvoices stories are of importance to this volume. The anthology is not limited to certain kinds of sex acts. "Vanilla," BDSM, fetish, ace, and all kinds of sensual and sexual expression make an appearance. There is no limit of sexual identities: mommy, mistress, sir, puppy, girl, servant, etc.

'Packed with passion ... a love story full of charm,

music and soul-mates ... a classic E L James combo of the sweet and erotic with the perfect ending for romantics. I think it's her best by far!' - Milly Johnson, *The Sun*

The thrilling new romance from E L James, author of the phenomenal #1 best-selling *Fifty Shades* trilogy London, 2019. Life has been easy for Maxim Trevelyan. With his good looks, aristocratic connections, and money, he's never had to work and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's noble title, wealth, and estates, and all the responsibility that entails. It's a role he's not prepared for and one that he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently arrived in England, possessing little more than a dangerous and troublesome past. Reti- cent, beautiful, and musically gifted, she's an alluring mystery, and Maxim's longing for her deepens into a passion that he's never experienced and dares not name. Just who is Alesia Demachi? Can Maxim protect her from the malevolence that threatens her? And what will

she do when she learns that he's been hiding secrets of his own? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Balkans, *The Mister* is a roller-coaster ride of danger and desire that leaves the reader breathless to the very last page.

When Emily Hall started her dream job at Stockton headquarters, she could never have imagined what awaited her. How could she have known, that stepping out of line could send her to the Basement, the harsh, cold dungeons beneath the marbled floors? And that she would be helplessly shackled when she first met the woman that would help her explore new aspects of her sexuality?"Corporate Punishment - A Dungeon Romance" is an erotic novella with hot scenes of shackled women in cold dungeons, brutal whippings and mind-blowing descriptions of bondage sex.

A superb selection of stories from great writers who have mastered the not-so-gentle art of bondage fiction, *Best Bondage Erotica 2011* is the debut of a stimulating new series. These stories of forbidden desires and sexual fantasies shock,

scintillate, and mesmerize. Award-winning editor Rachel Kramer Bussel has created one of the most daring erotica collections, with work by Elizabeth Coldwell, Janine Ashbless, Dominc Santi, and more. How do you want to be tied up? Let *Best Bondage Erotica 2011* count the ways . . . using everything from rope to handcuffs, silk ties to cling wrap, ethernet cables, and more. With stories that feature a sexy little mermaid, a randy circus act, an IT manager at a fetish club, and a Las Vegas photographer with an eye for kink, *Best Bondage Erotica 2011* offers erotic insight for newbies and experienced players alike.

A mature lesbian couple are engaging in a particularly noisy and intense bondage session when they notice the curtains of the house next door twitching. They quickly realise that their neighbour is spying on them and decide to let her watch, turned on by the idea of her spying on them. However, when they hear a knock at the door, their night time activities become much more interesting. Warning: This is an erotic short story for adults only! All characters are over the age of eighteen and the story con-

tains sex scenes and penetration.

"A fresh, funny, audacious debut novel about a Bridget Jones-like twenty--something who discovers that she may have simply been looking for love -- and, ahem, pleasure -- in all the wrong places (aka: from men)"--

Rachel Kramer Bussel's is a guidebook to great sex, told story by delicious story of uninhibited, adventurous sex sure to keep the home fires burning. Each boldly wrought tale shared with

your lover is another door opened into the erotic mindscape.

Laura owns what might be the world's most extensive collection of BDSM lesbian erotica, but that's as close as she's gotten to the world of her fantasies. Until, that is, her friend Adele introduces her to Adele's mistress Jeanne--art collector, heiress, and experienced dominant. Nothing in Laura's reading prepares her for the powerful reaction she has to Jeanne or how completely she is captivated by this sensual new world. With Jeanne's first command, Laura's life changes forever. But even the most commanding mistress can't always control a willful submissive, and Adele's jealousy challenges Jeanne's dominance and Laura's place in their world. What Jeanne and Laura learn about themselves on their erotic journey will either drive them apart or change the very nature of their lives.

Men are usually the ones allowed all sorts of power in society. But many of them long to be stripped of this power, tied down, gagged, spanked and owned. They want to ease the burden of 'manliness', if only for a little while, and be ordered to do all

the naughty things they have always dreamed of. *Please Ma'am* is a collection of top erotica full of the tantalising possibilities out there for these submissive men and the women who love them, gathered together by best-selling editor Rachel Kramer Bussel.

Offers a comprehensive

guide to lesbian sex, discussing techniques, intimacy, health issues, and sex toys.

Sinclair Sexsmith presents a cornucopia of lesbian kink ? tantalizing tales rich in variety and saucy details of girls put in their place ? and held there firmly. A girly-girl reaps a sweet punishment for refusing to mess up her oh--so-pink lipstick and a well-equipped top takes charge. Whether readers dream of surrendering to a lover or of taking control, Say Please offers plenty of erotic inspiration and gives readers exactly what they want! In "The Cruellest Kind," Kiki Delovely's naughty narrator gets her just desserts from her butch girlfriend with some fierce back alley bondage while D.L. King's domme makes her submissive strip before an unseen audience, binds her to a bench, and gives her a good strapping in "A Public Spectacle." Anna Watson' bored housewife gets more than she bargains for in "The Keys" when she follows a lesbian animal trainer out to a queer bar and anything goes in Xan West's sexy "Strong" when a transgender butch and genderqueer sub engage in some very tough love.

I'm a good girl. I work

hard, look like your average girl, do everything in moderation and I certainly don't make a habit of going into strangers' hotel rooms dressed in sexy lingerie and killer heels. That is, until I meet her. When a mysterious woman buys me a drink at a hotel bar in New York, I never expect her to impact my life the way she does. From the moment she lays eyes on me there's little point fighting my desires because she seems to know them better than I do...The Good Girl is the naughty debut novella by Madeleine Taylor, author of lesbian erotica.

They'd talked about it for so long... the sexy femme comes over dressed like a slut, wearing a coat over her naughty clothing for modesty. The Butch asks for her coat, then locks them outside. What's a bad little subfemme to do? She soon finds out - she'll have to service Sir Butch in the back alley, with passersby just inches away... can subfemme take what her Butch is packing? **WARNING:** Adults only. All characters 18+. This 3877-word erotica short will leave you dizzy and gasping for more! **EXCERPT:** I break the kiss, and see the dizzied dismay in your

eyes. "Give it to me, or I'll take it," I growl. Lust and fear compete for control inside you; I can read them on your pretty face as clearly as clouds crossing the darkening October skies. I pretend to lose patience. In one smooth motion I appropriate the coat, tearing it off of you by one lapel, carelessly tossing it aside against the weather-stained brick wall. You gasp, wrapping your arms around your scantily clad body, suddenly frigid in the cool fall gloaming. "Put your arms down!" I bark. "Did you obey me and wear everything I told you to?" Nodding miserably, shivering, you comply with my command. I grin wolfishly and my eyes rake your body, absorbing every delicious detail. I am thoroughly titillated by what I see: a tight black cropped cami with red lace bra underneath, shiny black micro-mini that might as well be a belt for all it covers, ruffled black garter-belt holding up black fishnet stockings, red patent-leather stripper heels. You're as nervous as a first-time hooker, here in the tiny courtyard outside my door, and it's an incredibly potent aphrodisiac.

To those who do not know meHi, my name is Amanda and I live in L.A. I'm 38 years old. I've always had a passion for writing, but between us, I didn't used to know what to write. I've been working for about 10 years in the security field of a large shopping mall. One day, while I was at work, a beautiful woman approached me. I couldn't

resist her, and we ended up having sex in the bathroom... Shortly after fucking her, I thought, "That's it. I'm going to combine two of my passions. I'll write erotica!" Well, on the pages to follow, you'll find a selection of my spicy stories! Follow me... Brunette in the BathroomIt makes sense to start with the story that inspired me to write. It was a quiet Monday afternoon and several of us security staff were feeling surplus to requirements. Whilst it was true that you never really know what's going to happen, we were all pretty confident that security threats were minimal that day. Children (and teenagers!) were in school, the weather was grim and, besides having to keep our eye on a couple of suspicious drug-addicted folk, we'd had very little to do. I was standing in the entrance to 'Boots', inhaling the women's fragrances that dominated the shop, when I spotted her. Assuming that she was just about to leave the shop, I tried not to stare at her too obviously as I admired her looks. She had long, brown, wavy hair that almost reached her ass. Her breasts were full and perky and the outline of her nipples poked through

her tight, red t-shirt. She wore a short, black skirt and fishnet tights. Her lips were the colour of her t-shirt and she had high-heeled shoes to match. As she walked towards me, I became aware that she was smiling. I smiled politely back, aware that my eyes were filled with lust. Having expected her to walk straight past me, I was surprised when she stopped right next to me. Standing in the entrance to the shop beside me, she looked me up and down. "Hi," she said, smiling as she spoke and allowing her face to rest in a smile. "Hi," I said back. I was also smiling, but trying to look stern. As sexy as she was, this might be a security trick. I was on duty and had to remain a little professional. I looked around. There was another security member in the shop. He shrugged at me. There was no threat. She wasn't trying to distract me from a friend of hers. Nobody was with her, stealing anything. I relaxed a little. "I like your uniform," she said. I looked down at myself. Like the other security staff, I wore dark blue, black shoes, a light blue shirt with security details on the shoulders and chest and a dark blue tie. It was a manly uniform, but

I liked it. Despite the poor weather, it was a hot day, so I didn't wear a jacket. "It does the trick," I said. My breath was shallow and my stomach rushed with arousal. She looked me up and down again and licked her lips, as though she knew. "I'm Sharon," she told me. "Amanda," I replied. "Nice name," we both said at the same time. We laughed, then she leant over and whispered into my ear. My eyes widened. "Pardon?" I said. I wasn't sure if I'd heard her correctly. I certainly didn't want to assume she'd said that, if she'd in fact said something different. She smirked at me, leant over and repeated herself. "Fuck me right now."--- Sharon licked her lips again and stared directly into my eyes. I knew I hadn't misheard her. I looked behind me, into the shop. My friend/colleague was still in there, not looking in our direction any more. He didn't need me, I thought. I started to walk towards the nearby disabled toilet. Sharon followed me. I walked inside with the kind of confidence that prevents people from noticing you're doing anything unusual. I closed the door behind us both and locked it. Sharon was immediately on her

knees...
