European Journal of Scientific Research

ScienceDirect is the world's leading source for scientific, technical, and medical research. Explore journals, books and articles.

European Journal of Scientific Research is a peer-reviewed scientific research journal that addresses both applied and theoretical issues. The scope of the journal encompasses research articles, original research reports, reviews, short communications and scientific commentaries in the fields of applied and theoretical sciences, biology, chemistry, physics, zoology, medical studies ...

Social Science Research publishes papers devoted to quantitative social science research and methodology. The journal features articles that illustrate the use of quantitative methods to empirically test social science theory. The journal emphasizes research concerned with issues or methods that cut across tradi-

tional disciplinary lines.

Academia Journal of Scientific Research (AJSR) is an open access international journal covering the science and business of scientific research. It is journal policy to publish work deemed by peer reviewers to be a coherent and sound addition to scientific knowledge and to put less emphasis on interest levels, provided that the research constitutes a useful contribution to the field.
