Comprehending as skillfully as understanding even more than supplementary will pay for each success. neighboring to, the declaration as well as perception of this Sda Master Guide Church Heritage Test can be taken as without difficulty as picked to act.

Y1PEC1 - KOLE MAYS

The Waldenes were among the first of the people of Europe to obtain a translation of the Holy Scriptures. Hundreds of years before the Reformation they possessed the Bible in manuscript in their native tongue. Here the light of truth was kept burning amid the darkness of the Middle Ages. Here, for a thousand years, witnesses for the truth maintained the ancient faith.

Explanation In 1934 Elder W. C. White and D. E. Robinson at the Elmshaven office drew together from published and unpublished E. G. White sources materials relating to the church, its organization, authority, unity, and the relationship of workers one to another. The 50 page document which resulted was read by the White Trustees with appreciation, but for reasons not too clear just now, the document at that time was not carried through to publication. It was placed in the document file and has been kept there safely for 38 years, with only occasional reference to it. With the occasion to look at the counsels relating to the church and its authority, this document, during the last few days, has been reviewed. The impression is growing that its publication might well

serve the church. The basic premises are clearly enunciated in published sources. Nonetheless, as Ellen White again and again reiterated in sermons, manuscripts and letters basic truths concerning the church and its ministry, the varying statements seem to enrich that which may be read on the subject. For study purposes, in a few copies the lines have been numbered. Any use of unpublished items must for the present be restricted to committee study. Undoubtedly, on consideration they will in time be released for general use. The situation, however, would lead to the request that copies used by the committee be returned to the White Estate until the matters have been properly processed. Ellen G. White Estate. Washington, D. C.

A series of letters objecting to statements in the book "Questions on Doctrine." The author was a conference president, a president of Union College, and secretary at the General Conference.

Seventh Day Baptists may form a link in an apparently unbroken chain of Sabbath keepers in Britain "from the time Chistianity was first introduced there-possibly in the first century," say author Russel J. Thomsen. From Reformation times until the present day,

the British Isles have not been without organized Seventh Day Baptist churches. - 1 The Sabbath Comes to the British Isles, 2 Men, Martyrs, and the Sabbath Memorial, 3 The Sabbath Comes to America, 4 Songs for the King--A Heritage of Love, 5 Adventists Find the Sabbath, 6 Growing Pains in the Nineteenth Century, 7 They Called Him "Brother Jones", 8 Malamulo, the Mission of the Commandments, 9 Seventh Day Baptists and Seventh-day Adventists-What Are the Differences, 10 Seventh Day Baptists in the Twentieth Century

In this investigation of the administrative structures of the Seventh-day Adventist church, Oliver examines the historical precursors of reorganization during the years of 1888-1903. He proposes reasons for the reorganization of the church in 1901-1903 and ascertains how the principles involved were related to soteriology, ecclesiology, eschatological vision, and the sense of mission in the church. Oliver makes applications to the continuously changing contemporary church.

J.N. Loughborough was involved in the Advent movement from its early days, having been called to preach by E.G. White in 1852. During his years of service in the Seventh-day Adventist Church, he worked in New England, Michigan, Ohio, Great Britain, and California. In 1902 Loughborough published an account of the message and history of Seventh-day Adventism titled *The Rise and Progress of the Third Angel's Message*. Unfortunately, the book was lost when the *Review and Herald* burned in 1903. Starting over from scratch, Loughborough wrote a new book titled *The Great Second Advent Movement* that was published in 1905. In it he provides personal testimony and insight into the history of the church, the visions and prophecies of Ellen White, early divisions

in the church, and various philosophical and religious matters, as well as some autobiographical material.

This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, *Questions on Doctrine* was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of *Questions on Doctrine*, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of *Question on Doctrine* beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.

The Colporteur Ministry by Ellen G. White. Original Edition. HIGH

LETTERS

The missionary work of the Seventh-day Adventist Church started in Southern Malawi in 1902, and histories of churches are usually told from that starting point. This book uses a different approach, it tells the story of Lunjika Mission (earlier called Mombera Mission) which begins in 1932, showing how the SDA Church met a new culture, that of the strongly patrilineal Ngoni and their neighbours to the North, and how it dealt with other churches that had started missionary work in that broad area up to two generations before.

This is a new release of the original 1949 edition.

Over the course of one night in 1942, the crew members of Wellington bomber 'P for Pathfinder' each reflect on the paths of their own lives, as they embark on a fateful mission deep into the heart of Nazi Germany.

What would happen if Christian leaders decided that "good enough" is no longer good enough? What if they stepped out of the comfort zone, stood for right, and strived for excellence? What if they were fearlessly committed to following God's lead and trusting the future to Him? In this book Clinton Valley casts just such a vision for Christian leaders. Drawing from years of experience, Valley offers insight about the true purpose of leadership and the profile of an effective leader. The practical and inspiring principles he shares will help you develop the vision, skills and focus you need to lead effectively. Help! I'm Being Followed addresses how to make positive changes, deal with conflict, handle criticism, and plan for relevance and progress.

This book is a story of how Adventists came to view themselves

as a prophetic people, of their growing awareness of a responsibility to take their unique message to all the world, and of their organizational and institutional development as they sought to fulfill their prophetic mission. By the end of this volume, you as a reader and I as a author will find ourselves in the flow of Adventist history. - Millerite Roots. Era of Doctrinal Development. Era of Organizational Development. Era of Institutional and Lifestyle Development. Era of Revival, Reform, and Expansion. Era of Reorganization and Crisis. Era of Worldwide Growth. The Challenges and Possibilities of Maturity.

We Are the Pathfinders Strong is the story of the men and women who dedicated themselves to the church's young people, and the young people who joined them in this exciting program. Around the world Adventist young people learn new skills and participate in fascinating activities, whether it be camping in the snow, exploring caves, witnessing to others, or serving as volunteers in humanitarian or civic outreaches. Whether you are a Pathfinder today, were many years ago, or would like to be... you'll find this book captures the joy and excitement of being a Pathfinder.

While Ellen White did not invent the term "servant leadership," she put it to practice in her own life. Leaders are needed at all levels of society. Whether your daily routine includes presiding over church board meetings, scheduling music lessons and soccer games, or planning company strategies for the next year, this helpful book will give you special insight into the life of a servant-leader. And you may be surprised at some of Ellen's responses to situations you may be likely to encounter today.

"...Many people are re-discovering the possibilities of church at

home, worshipping and serving in households of faith. So how can we ensure faithfulness, sustainability and witness when church goes home?.." -- back cover.

Discover the fresh adventure into Worship as you join Dr. Webber on the road to Emmaus. Learn from one of the foremost authorities on worship.

Reprint of a 1901 booklet giving guidance for doing evangelistic work among Southern Blacks.

More than 25 years ago society was introduced to William Ellis Foy. Foy was an African-American minister of the nineteenth century whom historical records had generally overlooked. The popular book *The Unknown Prophet* demonstrated that Foy received powerful revelations from God about coming tribulation, judgment, and heaven awaiting those who were faithful to God. Foy's message was straightforward—be faithful, because Jesus is coming again! The groundbreaking research in *The Unknown Prophet* did much to clear up misconceptions and set the record straight about William Foy. It told the largely unknown story of this sensitive young man of color. Furthermore, he faced incredible trials and struggles yet faithfully fulfilled his time-specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s. William Foy's story, his ministry and message, still speaks today. This second edition is the response to a desire for an updated version, providing hope and encouragement for the twenty-first-century reader. It contains new and valuable documents and images, including the only known photo of William Foy's son. Your faith will be enriched as you read these

pages.

Describes the goals and activities of the Pathfinder Club, an organization for Christian youth.

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

Seventh-day Adventists and the Civil Rights Movement is the first in-depth study of the denomination's participation in civil rights politics. It considers the extent to which the denomination's theology influenced how its members responded. This book explores why a brave few Adventists became social and political activists, and why a majority of the faithful eschewed the movement. Samuel G. London, Jr., provides a clear, yet critical understanding of the history and theology of the Seventh-day Adventist Church while highlighting the contributions of its members to political reform. Community awareness, the example of early Adventist pioneers, liberationist interpretations of the Bible, as well as various intellectual and theological justifications motivated the civil rights activities of some Adventists. For those who participated in the civil rights movement, these factors superseded the conserva-

tive ideology and theology that came to dominate the church after the passing of its founders. Covering the end of the 1800s through the 1970s, the book discusses how Christian fundamentalism, the curse of Ham, the philosophy of Booker T. Washington, pragmatism, the aversion to ecumenism and the Social Gospel, belief in the separation of church and state, and Ameri-

can individualism converged to impact Adventist sociopolitical thought.
