Selected Short Stories of Franz Kafka by Franz Kafka

The ordinary American knows Franz Kafka as the guy who wrote the story where the dude turns into a bug. This is fair; he did indeed write the story where the dude turns into a bug, and that iconic tale of alienation and existential horror is included in the Modern Library's Selected Short Stories of Franz Kafka "How much my life has changed, and yet how unchanged it has remained at bottom!"

The Complete Stories brings together all of Kafka's stories, from the classic tales such as "The Metamorphosis," "In the Penal Colony," and "A Hunger Artist" to shorter pieces and fragments that Max Brod, Kafka's literary executor, released after Kafka's death.
