This overcomes Avery with thoughts of what should have been. But at the zenith of the 21st century, quantum physicists have created a frightening invention: a time machine responsible for the death of one scientist and disappearance of another. When Avery learns he may be forced into retirement, he must end the military career he loves, or accept a secret mission as part of the nuclear-genetic time machine. But to take on the perilous assignment would mean to join those misleading the FBI away from the most incredible invention devised by man to date. This is the fourth book in the seven-book series under the title “MYSTICISM IN NEWBURYPORT.” As you will see, there is a theme based on the number SEVEN that runs all through the stories and Peter’s life. Each book in the seven-book series contains seven lighthearted tales from Peter’s life. Peter shares his experience, strength, and hope from his unique life. Peter’s early, wild years in the sixties were full of heavy alcoholic consumption, excessive sixties drug use, violence, arrests, broken bones, motorcycle riding, and endless hours in the gym. At nineteen years old, after seven years of alcoholic drinking, Peter crawled into the 12-step recovery program and began his journey into the spiritual realm. Almost immediately on entering the program, Peter had a spiritual awakening. Many years later, in the little historic seaport town of Newburyport, Massachusetts, Peter was to have a profound spiritual awakening in the form of a powerful “Kundalini Experience.” With this awakening the inner spiritual realms opened wide, and Peter was rocketed into a new world of health, happiness, and prosperity. Past life experiences and vivid visions became a daily occurrence. Unknowingly, Peter had connected with an ancient lineage of Meditation Masters whose energy was infused into Peter, changing his spiritual state and evolution forever. The secrets of the inner world were all revealed. At the same time, Peter was to discover all the hidden secrets of this quaint little historic seaport. To honor this town of Newburyport for being the place of Peter’s spiritual awakening, he has used the name in the title for his books. When asked what the books were about, Peter said he only had one thought: “Mysticism.” Peter shares the great times he had during this seven-year period with the great people, an abundance of Nature, and enjoying continuous insights and spiritual experiences. Peter hopes you enjoy his simple book of tales...
