This Sheri Winston Pdf, as one of the most keen sellers here will unconditionally be accompanied by the best options to review.

NEFY32 - LAWRENCE CURTIS

A FRANK, FUNNY AND EMPOWERING CELEBRATION OF FEMALE PLEASURE An orgasm will help you sleep and keep you looking younger, it doesn't cost money and isn't a scarce resource. So why is it that, like the pay gap, there is an 'orgasm gap' between women and men? The Hotbed Collective began life as a podcast with a mission 'to make life better one orgasm at a time'. Their debut book, *More Orgasms Please* is an open, honest and at moments hilarious dive into all aspects of sex for women. It covers feminist porn, body image, menopause and much more. Like the podcast that inspired it, *More Orgasms Please* is like the best sort of chat between friends: punchy and playful, normalising and educating. It is an eye-opening read that puts women's bodies and our right to pleasure firmly on the map. Think of it as 'Couch to 5k' ... for orgasms.

The co-founder of the Stanford d.School introduces the power of design thinking to help you achieve goals you never thought possible. Achievement can be learned. It's a muscle, and once you learn how to flex it, you'll be able to meet life's challenges and fulfill your goals, Bernard Roth, Academic Director at the Stanford d.school contends. In *The Achievement Habit*, Roth applies the remarkable insights that stem from design thinking—previously used to solve large scale projects—to help us realize the power for positive change we all have within us. Roth leads us through a series of discussions, stories, recommendations, and exercises designed to help us create a different experience in our lives. He shares invaluable insights we can use to gain confidence to do what we've always wanted and overcome obstacles that hamper us from reaching our potential, including: Don't try—DO; Excuses are self-defeating; Believe you are a doer and achiever and you'll become one; Build resiliency by reinforcing what you do rather than what you accomplish; Learn to ignore distractions that prevent you from achieving your goals; Become open to learning from your own experience and from those around you; And more. The brain is complex and is always working with our egos to sabotage our best intentions. But we can be mindful; we can create habits that make our lives better. Thoughtful and powerful *The Achievement Habit* shows you how.

Murder Strikes a Sour Note Erin Murphy, manager of Glacier Mercantile (aka the Merc), is tuning up for Jewel Bay's annual Jazz Festival. Between keeping the Merc's shelves stocked with Montana's tastiest local fare and hosting the festival's kick-off concert, Erin has her hands full. Discord erupts when jazz guitarist Gerry Martin plummets to his death from the rocks above the Jewel River. The one-time international sensation had fallen out of sync with festival organizers, students, and performers. Was his death an accident—or did someone even the score? Erin investigates despite the warning signs not to get involved. And when the killer attacks, she orchestrates her efforts into one last crescendo, hoping to avoid a deadly finale. *Praise for the Food Lovers' Village Mysteries*: "A pleasing read with a thoughtful heroine, a plethora of red herrings, and some foodie tips."—Kirkus Reviews "A lighthearted and amusing story with the added bonus of several yummy recipes."—Mystery Scene "Treble at the Jam Fest has all the necessary elements to satisfy cozy mystery lovers: likeable, believable characters, a fast-moving plot, and a logical ending. Great fun!"—Suspense Magazine "A delicious mystery as richly constructed as the layers of a buttery pastry. Wine, enchiladas, and song make for a gourmet treat in the coziest town in Montana!"—Krista Davis, New York Times bestselling author of the *Domestic Diva Mysteries* "Leslie is a fellow foodie who loves a good mystery and it shows in this delightful tale!"—Cleo Coyle, New York Times bestselling author of the *Coffeehouse Mysteries* "Music, food, scenery and a cast of appealing characters weave together in perfect harmony in Leslie Budewitz's latest book."—Sheila Connolly, author of the *Orchard Mysteries* and the *County Cork Mysteries*

What would happen if you made your business decisions by the book? By the Bible that is. This updated version of the best-selling *Business by the Book* offers radical principles of business management that go beyond the Ten Commandments and other biblical maxims. *Business by the Book* is a step-by-step presentation of how businesses should be run according to the Creator of all management rules: God. Larry Burkett, founder and president of Christian Financial Concepts, provides

business principles from his own experience as well as what God's Word says on topics such as: Hiring and Firing Decisions Pay Increases and Promotions Management Selection Employee Pay Decisions Borrowing and/or Lending Decisions Forming Corporations and Partnerships Business Tithing Retirement Whether you are the owner of a business, a corporate executive, or a manager, this best-selling classic is for you.

This unique book written by four world leaders in reputation research, presents the latest cutting-edge thinking on organizational improvement. It covers media management, crisis management, the use of logos and other aspects of corporate identity, and argues the case for reputation management as a way of overseeing long-term organizational strategy. It presents a new approach to managing reputation, one that relies on surveying customers and employees on their view of the corporate character and in harmonizing the values of both. This approach has been trialled in a number of organizations and here the authors demonstrate how improving reputation, merely by learning more about what a company is already doing, is worth some five per cent sales growth. The book is a vital, up to date resource for specialists in corporate communication, public relations, marketing, HRM, and business strategy as well as for all senior management. Highly illustrated with over eighty diagrams and tables, it includes up to the minute illustrative case studies and interviews with leading authorities in the field.

If you think sexual and spiritual bliss can't be found in today's fast-paced world, you haven't experienced *Urban Tantra*. Celebrating the 10th anniversary of *Urban Tantra*, acclaimed sex educator Barbara Carrellas radically updates the ancient practice of Tantra for modern sexual explorers desiring to discover new frontiers. With a juicy mix of erotic how-to and heart-centered spiritual wisdom, this updated edition includes a brand-new introduction, up-to-date references and resources, a new take on the possibilities and responsibilities of Tantra in today's world, plus new and cutting-edge information to reach an expanded community—added information on multi-partner play, more intersections for Tantra and BDSM, practices for asexuals and aromantics, expanded practices for trans and gender nonconforming people, and more. With more than one hundred easy-to-follow techniques for expanded orgasmic states and solo and partner play (as well as more adventurous practices), this in-depth guide reveals the delicious worlds of ecstasy available to all, no matter one's gender, sexual preference, or erotic tastes. *Urban Tantra* expands the notions of pleasure and opens new heights of intimacy and sexual fulfillment.

Banksy, the Yes Men, Gandhi, Starhawk: the accumulated wisdom of decades of creative protest is now in the hands of the next generation of change-makers, thanks to *Beautiful Trouble*. Sophisticated enough for veteran activists, accessible enough for newbies, this compact pocket edition of the bestselling *Beautiful Trouble* is a book that's both handy and inexpensive. Showcasing the synergies between artistic imagination and shrewd political strategy, this generously illustrated volume can easily be slipped into your pocket as you head out to the streets. This is for everyone who longs for a more beautiful, more just, more livable world - and wants to know how to get there. Includes a new introduction by the editors. Contributors include: Celia Alario • Andy Bichlbaum • Nadine Bloch • L. M. Bogad • Mike Bonnano • Andrew Boyd • Kevin Buckland • Doyle Canning • Samantha Corbin • Stephen Duncombe • Simon Enoch • Janice Fine • Lisa Fithian • Arun Gupta • Sarah Jaffe • John Jordan • Stephen Lerner • Zack Malitz • Nancy L. Mancias • Dave Oswald Mitchell • Tracey Mitchell • Mark Read • Patrick Reinsborough • Joshua Kahn Russell • Nathan Schneider • John Sellers • Matthew Skomarovsky • Jonathan Matthew Smucker • Starhawk • Eric Stoner • Harsha Walia

From the renowned psychologist who introduced the world to "growth mindset" comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. "Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life."—Bill Gates, *GatesNotes* "It's not always the people who start out the smartest who end up the smartest." After decades of research,

world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. *Mindset* reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

We've been thinking about sex all wrong. Mainstream media, movies, and porn have taught us that sex = penis + vagina, and everything else is just secondary. Standard penetration is how men most reliably achieve orgasm. The problem is, women don't orgasm this way. We've separated our most reliable route to orgasm—clitoral stimulation—from how we feel we should orgasm—penetration. As a result, we've created a pleasure gap between women and men: 50% of 18-35-year-old women say they have trouble reaching orgasm with a partner 64% of women vs 91% of men said they had an orgasm at their last sexual encounter 55% of men vs. 4% of women say they usually reach orgasm during first-time hookup sex In *Becoming Cliterate*, psychology professor and human sexuality expert Dr. Laurie Mintz exposes the broader cultural problem that's perpetuating this gap, and what we can do about it. Pulling together evidence from biology, sociology, linguistics, and sex therapy into one comprehensive, accessible, and prescriptive book, *Becoming Cliterate* features: Cultural & historical analysis of female orgasm (spoiler: the problem's been going on for ages) An anatomy section (it's all custom under the hood) Proven techniques for cliterate sex (it starts with training the sex organ between your ears) A comprehensive final chapter for men (because you don't have to have a clitoris to be cliterate) By dispelling the lies, misunderstandings, and myths that have been holding us back, *Becoming Cliterate* tackles both personal and political problems and replaces them with updated outlooks and practical skills needed to change our collective perspective on sex. It's time to finally inform women and men on how to have satisfying experiences in bed that benefit both parties. The revolution is cuming—and *Becoming Cliterate* offers a radical, simple solution to progress and pleasure for all.

"A deliciously modern classic ghost story" —Chloe Benjamin, New York Times bestselling author of *The Immortalists* *The Clairvoyants* is Karen Brown's most hypnotic novel to date--gothic-inflected psychological suspense that unmask the secret desires of a young woman with a mystical gift On the family homestead by the sea where she grew up, Martha Mary saw ghosts. As a young woman, she hopes to distance herself from those spirits by escaping to an inland college town. There, she is absorbed by a budding romance, relieved by separation from an unstable sister, and disinterested in the flyers seeking information about a young woman who's disappeared—until one Indian summer afternoon when the missing woman appears beneath Martha's apartment window, wearing a down coat, her hair coated with ice.

This book is aimed at women readers experiencing unwanted pain with sex who: - Suffer with pain that has been difficult to diagnose - Are interested in resolving their pain - Want to enjoy pain-free sex - Desire more pleasure in their bodies, lives, and relationships - And are searching for ways to help themselves Coauthored by a women's health physical therapist and a sexuality educator, *The Pleasure Prescription* outlines an approach that many women may find counterintuitive: that their own sexual pleasure may be a pathway to overcoming pain. Research shows that decreasing pain allows for more pleasure; conversely, the stories highlighted in this book suggest that increasing pleasure can help diminish a woman's experience of sexual pain. *The Pleasure Prescription* is the culmination of more than fifty years of the authors' combined experiences with women in their re-

spective practices. It includes case studies, diagrams, and the latest scientific research. Each chapter ends with "prescriptions" designed to guide readers through the healing process.

Reveals the underlying story form of all great presentations that will not only create impact, but will move people to action Presentations are meant to inform, inspire, and persuade audiences. So why then do so many audiences leave feeling like they've wasted their time? All too often, presentations don't resonate with the audience and move them to transformative action. Just as the author's first book helped presenters become visual communicators, Resonate helps you make a strong connection with your audience and lead them to purposeful action. The author's approach is simple: building a presentation today is a bit like writing a documentary. Using this approach, you'll convey your content with passion, persuasion, and impact. Author has a proven track record, including having created the slides in Al Gore's Oscar-winning An Inconvenient Truth Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don't have to be boring ordeals. You can make them fun, exciting, and full of meaning. Leave your audiences energized and ready to take action with Resonate.

From the co-founder of one of the world's most respected herbal education websites: recipes, rituals, practices, and personal stories to help you live a more sexually fulfilled and vital life. Plants are the great healers of the earth, and their capacity to support healthy sexuality is just as powerful. This beautifully written and illustrated book brings you into a relationship with herbs for sexual fulfillment and empowerment. Drawing on her own knowledge of herbalism and sacred sensuality, along with intimate stories from students who implemented her teachings, Kimberly Gallagher guides you on a personal journey of growth aided by the aphrodisiac properties and sensual uses of healing herbs and flowers such as damiana, cacao, and rose. Kimberly is an author and co-founder of LearningHerbs, a widely respected herbal education website. In Aphrodisiac, you'll find thoughtful, soulful rituals and dozens of recipes for putting the herbs to use, such as Autumn Blush Cordial, Rose Massage Oil, and Cardamom Chocolate Mousse Torte. You'll read user-friendly and well-researched monographs that teach you everything you need to know about every featured herb. And you'll find a wide range of practices for inviting erotic energy flow into your life—including creating an inviting environment, nourishing your body, and simply slowing down so there's time to savor pleasure. When people are sensually alive and sexually fulfilled, they are more confident, creative, and joyful. They are also more likely to share their unique personal gifts with the world. Aphrodisiac is an essential resource for anyone wishing to live a more vibrant life.

Leadership Principles from a Renowned Agent of Change Cultures and organizations do not change without strong leadership. While many leadership books focus on management or administration, the central focus of The Conviction to Lead is on changing minds. Dr. Mohler was the driving force behind the transformation of Southern Seminary from a liberal institution of waning influence to a thriving evangelical seminary at the heart of the Southern Baptist Convention. Since then he has been one of the most prominent voices in evangelicalism, fighting for Christian principles and challenging secular culture. Using his own experiences and examples from history, Dr. Mohler demonstrates that real leadership is a transferring of conviction to others, affecting their actions, motivations, intuition, and commitment. This practical guide walks the reader through what a leader needs to know, do, and be in order to affect change.

This book presents current research on self-regulation and autonomy, which have emerged as key predictors of health and well-being in several areas of psychology.

This book integrates the problem of violence into a larger framework, showing how economic and political behavior are closely linked.

Emerging technologies have enhanced the learning capabilities and opportunities in modern school systems. To continue the effective development of such innovations, the intended users must be taken into account. End-User Considerations in Educational Technology Design is a pivotal reference source for the latest scholarly material on usability testing techniques and user-centered design methodologies in the development of technological tools for learning environments. Highlighting a range of pertinent topics such as multimedia learning, human-computer interaction, and online learning, this book is ideally designed for academics, researchers, school administrators, professionals, and practitioners interested in the design of optimized educational technologies.

Jada Sly, a hilarious and spunky artist and spy, explores New York City on a mission to find her mom in this "fast paced, fun" illustrated novel from an acclaimed author (School Library Connec-

tion). Ten-year-old Jada Sly is an artist and a spy-in-training. When she isn't studying the art from her idols like Jackie Ormes, the first-known African American cartoonist, she's chronicling her spy training and other observations in her art journal. Back home in New York City, after living in France for five years, Jada is ready to embark on her first and greatest spy adventure yet. She plans to scour New York City in search of her missing mother, even though everyone thinks her mom died in a plane crash. Except Jada, who is certain her mom was a spy, too. With the stakes high and danger lurking around every corner, Jada will use one spy technique after another to unlock the mystery of her mother's disappearance -- some with hilarious results. After all, she's still learning.

Become a sexual virtuoso by learning to use your inner toolkit of body, mind, heart, and spirit with author and sex teacher Sheri Winston in this fun, easy, hot and smart guide to the erotic arts. You'll discover Wholistic Sexuality? the integral, inspirational and empowering path to connect you to your own delicious sexual potential and make you a masterful lover. With this sequel to Winston's award-winning Women's Anatomy of Arousal, you'll learn how everyone, whether solo or partnered can amp up your erotic experience and give exquisite pleasure to others. Packed with sexy games, fun activities and invaluable information, this book gives the gift that keeps on giving—a lifetime of ecstasy.

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author Author, educator, and School of Womanly Arts founder Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller Pussy: A Reclamation, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, Pussy delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

THE INTERNATIONAL BESTSELLER 'Compelling, haunting, tragic stories . . . resonate long after you put the book down' James McConachie, Sunday Times Book of the Year The routine traffic stop that ends in tragedy. The spy who spends years undetected at the highest levels of the Pentagon. The false conviction of Amanda Knox. Why do we so often get other people wrong? Why is it so hard to detect a lie, read a face or judge a stranger's motives? Using stories of deceit and fatal errors to cast doubt on our strategies for dealing with the unknown, Malcolm Gladwell takes us on an intellectual adventure into the darker side of human nature, where strangers are never simple and misreading them can have disastrous consequences.

Brexit will have significant consequences for the country, for Europe, and for global order. And yet much discussion of Brexit in the UK has focused on the causes of the vote and on its consequences for the future of British politics. This volume examines the consequences of Brexit for the future of Europe and the European Union, adopting an explicitly regional and future-oriented perspective missing from many existing analyses. Drawing on the expertise of 28 leading scholars from a

range of disciplines, Brexit and Beyond offers various different perspectives on the future of Europe, charting the likely effects of Brexit across a range of areas, including institutional relations, political economy, law and justice, foreign affairs, democratic governance, and the idea of Europe itself. Whilst the contributors offer divergent predictions for the future of Europe after Brexit, they share the same conviction that careful scholarly analysis is in need – now more than ever – if we are to understand what lies ahead for the EU. Praise for Brexit and Beyond 'a wide-ranging and thought-provoking tour through the vagaries of British exit, with the question of Europe's fate never far from sight...Brexit is a wake-up call for the EU. How it responds is an open question—but respond it must. To better understand its options going forward you should turn to this book, which has also been made free online.' Prospect Magazine 'This book explores wonderfully well the bombshell of Brexit: is it a uniquely British phenomenon or part of a wider, existential crisis for the EU? As the tensions and complexities of the Brexit negotiations come to the fore, the collection of essays by leading scholars will prove a very valuable reference for their depth of analysis, their lucidity, and their outlining of future options.' - Kevin Featherstone, Head of the LSE European Institute, London School of Economics 'Brexit and Beyond is a must read. It moves the ongoing debate about what Brexit actually means to a whole new level. While many scholars to date have examined the reasons for the British decision to leave, the crucial question of what Brexit will mean for the future of the European project is often overlooked. No longer. Brexit and Beyond bundles the perspectives of leading scholars of European integration. By doing so, it provides a much needed scholarly guidepost for our understanding of the significance of Brexit, not only for the United Kingdom, but also for the future of the European continent.' - Catherine E. De Vries, Professor in the department of Government, University of Essex and Professor in the department of Political Science and Public Administration Free University Amsterdam 'Brexit and Beyond provides a fascinating (and comprehensive) analysis on the how and why the UK has found itself on the path to exiting the European Union. The talented cast of academic contributors is drawn from a wide variety of disciplines and areas of expertise and this provides a breadth and depth to the analysis of Brexit that is unrivalled. The volume also provides large amounts of expert-informed speculation on the future of both the EU and UK and which is both stimulating and anxiety-inducing.' -Professor Richard Whitman, Head of School, Professor of Politics and International Relations, Director of the Global Europe Centre, University of Kent

In this follow-up to President of the Whole Fifth Grade, Brianna navigates her toughest challenge yet: middle school! Brianna Justice is determined to raise enough money for the big class trip to Washington, D.C., but she's up against a lot: classmates who all pretend to be something they're not, a new nemesis determined to run her out of office, and the sinking feeling she's about to lose her two best friends for good. But just when she begins to lose hope, she comes to realize that sometimes surprises can turn out even better than the best-laid plans. Sherri Winston tells a story brimming with humor and heart as Brianna navigates the ins and outs of middle school, discovering that inspiration can come when you least expect it.

Can Wednesday and her service dog, Woof, sniff out Mrs. Winter's missing cat before her big trip? This is the first book of a fun full-color early chapter book series about the best detectives in the Midwest! Detective Tip #1 Try not to jump to conclusions. Wednesday and her service dog, Woof, are the best detectives in the whole world—or at least their neighborhood. But can they find Mrs. Winters's missing cat before her big trip? Or will the case of the cat-napped kitty be their first unsolved mystery? HarperChapters build confident readers one chapter at a time! With short, fast-paced books, art on every page, and milestone markers at the end of every chapter, they're the perfect next step for fans of I Can Read!

The strengths and abilities children develop from infancy through adolescence are crucial for their physical, emotional, and cognitive growth, which in turn help them to achieve success in school and to become responsible, economically self-sufficient, and healthy adults. Capable, responsible, and healthy adults are clearly the foundation of a well-functioning and prosperous society, yet America's future is not as secure as it could be because millions of American children live in families with incomes below the poverty line. A wealth of evidence suggests that a lack of adequate economic resources for families with children compromises these children's ability to grow and achieve adult success, hurting them and the broader society. A Roadmap to Reducing Child Poverty reviews the research on linkages between child poverty and child well-being, and analyzes the poverty-reducing effects of major assistance programs directed at children and families. This report also provides policy and program recommendations for reducing the number of children living

in poverty in the United States by half within 10 years.

Have you ever been in a training and marveled at how quickly the time flew by? Genuinely enjoyed a meeting you were expecting to dread? Learned something powerful about a topic you thought wouldn't engage you? Experienced an intimate, vulnerable, transformative moment with a group of total strangers? Then you've witnessed the magic of facilitation. Like all magic tricks - though they seem to defy reason when you're spectating for the first time - once the secrets of facilitation are unveiled to you, you'll look back with a bland obviousness. Of course that's how it's done. In this book, co-authors and social justice facilitators Sam Killermann and Meg Bolger teach you how to perform the favorite tricks they keep up their sleeve. It's the learning they've accumulated from thousands of hours of facilitating, debriefing, challenging, and failing; it's the lessons from their mentors, channeled through their experience; it's the magician's secrets, revealed to the public, because it's about time folks have the privilege of looking behind the curtain of facilitation and thinking of course that's how it's done. This book highlights 11 key concepts every facilitator should know, that most facilitators don't even know they should know. They are sometimes-tiny things that show up huge in facilitation. It's a book for facilitators of all stripes, goals, backgrounds, and settings - and the digestible, enjoyable, actionable lessons would benefit anyone who is responsible for engaging a group of people in learning.

This expanded twelfth edition of the bestselling guide to style is based on the Economist's own updated house style manual, and is an invaluable companion for everyone who wants to communicate with the clarity, style and precision for which the Economist is renowned. As the introduction says, 'clarity of writing usually follows clarity of thought.' The Economist Style Guide gives general advice on writing, points out common errors and clichés, offers guidance on consistent use of punctuation, abbreviations and capital letters, and contains an exhaustive range of reference material - covering everything from accountancy ratios and stock market indices to laws of nature and science. Some of the numerous useful rules and common mistakes pointed out in the guide include: *Which informs, that defines. This is the house that Jack built. But: This house, which Jack built, is now falling down. Discreet means circumspect or prudent; discrete means separate or distinct. Remember that "Questions are never indiscreet. Answers sometimes are" (Oscar Wilde). Flaunt means display, flout means disdain. If you flout this distinction you will flaunt your ignorance Forgo means do without; forego means go before. Fortuitous means accidental, not fortunate or well-timed. Times: Take care. Three times more than X is four times as much as X. Full stops: Use plenty. They keep sentences short. This helps the reader.

In a society overrun by commercial clutter, religion has become yet another product sold in the consumer marketplace, and faiths of all kinds must compete with a myriad of more entertaining and more convenient leisure activities. Brands of Faith argues that in order to compete effectively faiths have had to become brands - easily recognizable symbols and spokespeople with whom religious prospects can make immediate connections Mara Einstein shows how religious branding has expanded over the past twenty years to create a blended world of commerce and faith where the sacred becomes secular and the secular sacred. In a series of fascinating case studies of faith brands, she explores the significance of branded church courses, such as Alpha and The Purpose Driven Life, mega-churches, and the popularity of the televangelist Joel Olsteen and television presenter Oprah Winfrey, as well as the rise of Kaballah. She asks what the consequences of this religious marketing will be, and outlines the possible results of religious commercialism - good and bad. Repackaging religion - updating music, creating teen-targeted bibles - is justifiable and necessary. However, when the content becomes obscured, religion may lose its unique selling proposition - the very ability to raise us above the market.

Highly acclaimed Decoding Your Kink - Guide to Explore Share and Enjoy Your Wildest Sexual De-

sires, gets rave reviews! "Visionary...Masterful...Groundbreaking...Cutting Edge...Worth its Weight in Diamonds ... Highly Recommended...A Must Read" These are some of the exclamations from prominent sex positive psychologists, therapists and Kink sex educators who offered pre-publication reviews of Decoding Your Kink. Decoding Your Kink, by leading Fetish Sex educator, researcher and sex-positive therapist Galen Fous MTP, offers ground-breaking psychological insight into the emerging global renaissance of sexual exploration, orientation and identity particularly in the realm of Kink. The book includes extensive guidelines to embrace one's authentic sexuality, decode an array of Kink fantasies, and access the ecstatic sexual depths inherent in anyone's wildest sexual desires. Techniques are offered to negotiate honestly for what one desires, create profound trust between partners, and begin to resolve old shame, trauma and fear about one's authentic sexuality. Decoding Your Kink provides easy to follow practices for individuals and partners to safely share their deepest intimacies. Once trust is built, partners may access mind shattering orgasmic states offered by conscious expression of their most taboo Kinky yearnings. Also included in the book are revealing and provocative analysis of people's kinkiest fantasies gleaned from over 2000 participants in the innovative Discover Your Personal Erotic Myth Survey. Fous developed this anonymous 40-question survey in support of his research into the nature of a recently visible sexual identity he defines as Fetishsexuality, aka Kink. "This book conveys what I have learned about Conscious Kink and D/s-BDSM sexuality over the last 15 years as a Fetish-positive therapist, researcher and public advocate for sex-positive values. It includes reporting and case studies from the 100's of singles and couples I've supported who desired to come to terms with old experiences of shame, fear and trauma, and understand how to embody their edgiest sexual fantasies. I share hard earned insights from my personal journey into the Kink lifestyle as well." Galen Fous MTP "Galen Fous is a visionary, providing a clear and courageous roadmap for anyone looking to undo the shackles of societally induced sexual shame and go on a journey to discover his or her own Personal Erotic Myth." - Dr. Michael Aaron, NYC sex therapist. "Galen Fous smooths the path and leads you through the predicaments, pleasures, enticements and outrageous glories of Kink. His genuine, unique voice is outstanding and heartwarming. A must read!" Limor Blockman, PhD, Clinical Sex Therapist, Playboy Radio Host, www.DrLimor.com "Nobody struggles more with the feeling that their erotic desires are 'wrong' or 'broken' than the man or woman who otherwise fits easily into mainstream culture - the heterosexual man and woman into dominance and submission and BDSM. 'Decoding Your Kink' is worth its weight in diamonds to such strugglers, offering them a sensible and nurturing path to self-knowledge, self-acceptance and the erotic intensity we all crave and too few ever obtain." - Janet W. Hardy, coauthor, The Ethical Slut, The New Bottoming Book and more "Galen Fous' unique insights on a subject much maligned and misunderstood is a primer for individuals interested in exploring the world of kink. It provides guidelines, case studies and personal experiences to assist the reader in shedding their shame and discovering their authentic sexuality." - Susana Mayer, Ph.D., Clinical Sexologist, theEroticliterarysalon.com Even the most acrobatic positions are attainable with a little help from Liberator® ramps and wedges—or standard pillows and cushions you have in your home. Authored by the creators of the iconic Liberator® sex cushions, Sex Positions You Never Thought Possible features dozens of sex moves that incorporate carefully-calibrated body angles and inclines to take sex to more orgasmic levels while targeting key hot spots and enabling deeper penetration and easier thrusting. This exciting guide shows you how to intensify sensations on standard positions such as cowboy and missionary, add kinky twists to oral sex, and make doggy-style positions more comfortable. Reach new heights of orgasmic pleasure with Sex Positions You Never Thought Possible!

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller Come

As You Are, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's Come As You Are, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Guidance from sixteen of the world's best sex teachers on how to be a great lover. Coverage includes basic skills (oral/anal), advanced skills (female ejaculation, non-ejaculatory male orgasm, expanded female orgasm), the 'inner game' of sex (fantasy and role play, sex and shame, finding the lover within), more. Contributors include Nina Hartley (power play), Charles Muir (Tantra), Reid Mihalko (energy sex) and Sheri Winston (male and female genital anatomy). Consistently insightful, entertaining and accessible.

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Like men, women also can ejaculate, enhancing and intensifying their sexual pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix's the goop lab with Gwyneth Paltrow Confronting one of our last and most deeply rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other's sexual responses. Sex for One demonstrates that self-loving is not just for times in-between lovers or for social misfits. Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.
