**10 Best Electric Smokers in 2020 Comprehensive Review**

With our best electric

smoker recipes you are going to have the best usage of your electric smoker and your friends and family are going to be delighted.

Electric smokers, propane smokers, and pellet smokers are going to be the easiest to use, as all of these are "set it and forget it" style of cookers. The downside, at least with electric and propane smokers, is that your smokey flavor won't be as strong since these cookers burn wood chips to add a light amount of smoke.

The Anuka electric hot smoker allows you to smoke a large variety of foods. It effectively combines hot smoke and cold smoke. As a result, your food is also being cooked during the smoking pro-

cess. The smoker has two fairly large (36.5x19.5cm) racks where you can put significant chunks of food for smoking.
