Everyone is very shocked when someone dies suddenly. There has been no time to prepare and often no warning that the person was going to die. Shock affects adults and children physically and emotionally, and some of the effects you may notice are feeling dizzy or sick, shaky, shivery, hot and cold. After a shock we often feel very unsafe

 Call 111 immediately and ask for advice. An unexpected death

may need to be reported to a coroner. A coroner is a doctor or lawyer responsible for investigating unexpected deaths. They may call for a post-mortem or inquest to find out the cause of death. This may take some time, so the funeral may need to be delayed.
