In these troubled times we need: More knowledge of how to wield the Word against the forces of darkness. More awareness of how to access the power of the Holy Spirit. More faith in God's ability to miraculously heal bodies and open hardened hearts. More insight to effectively apply the Word so others will be drawn to Jesus. These pages contain the tools you need to accomplish these things and more. In *The Weapons of a Warrior: A Soldier's Handbook for Spiritual Warfare*, Pastor JoAnne Ramsay outlined strategies to equip you with strength, wisdom, and discernment. This companion study will guide you into how to respond to the Lord as He trains you to wield His sword, the Word of God. This book is your spiritual boot camp training manual. Journal pages are included at the end of each chapter so you can record your personal marching orders as the Holy Spirit reveals them. Use these pages to clarify your God-given calling, and go forth with courage, conviction, and confidence! *A Soldier's Boot Camp for Spiritual Warfare* - Make sure that you don't get so absorbed and exhausted in taking care of all your day-by-day obligations that you lose track of the time and doze off, oblivious to God. The night is about over, dawn is about to break. Be up and awake to what God is doing! God is putting the finishing touches on the salvation work he began when we first believed. We can't afford to waste a minute, must not squander these precious daylight hours in frivolity and indulgence, in sleeping around and dissipation, in bickering and grabbing everything in sight. Get out of bed and get dressed! Don't loiter and linger, waiting until the very last minute. Dress yourselves in Christ, and be up and about! (Romans 13:11-14 MSG)

A Boot Camp is a type of training that has physical, mental and emotional elements to build strength and endurance that, with time, gets to be performed with ease. A lean and healthy body comes from a persistent discipline and a systematic lifestyle. Likewise, life comes with bouts of challenges designed to make us heal - mentally and spiritually. Life is a school and a correctional facility where, once we are mentally and spiritually conditioned, all the trials become opportunities to transmute our obscure and fearful experiences into love and miracles. Bootcamp in Miracles, the author shares valuable elements for a spiritual mind training mostly based on the principals of the A Course in Miracles (ACIM). In a simple language, the first part of the book brings psychology, neuroscience and Quantum Physics basics to make the theoretical part of non-dualistic mystical teachings more down to earth, reasonable and understandable. A good example is the common fundamental concept of the ACIM, Buddhism and Vedanta that life is an illusion when we all feel it so real and solid. Part two is a recollection of personal experiences where the author put the teachings into practice and the lessons into perspective; as by the end of the day, miracles are a change in perspective. This book shares how these elements can merge the gap between a conceptual understanding to a more practical and engaging spiritual path. Theology and words alone cannot make one experience the complexity of our Divine nature. Transmuting our mental ego junk is the only 'workout' that will make us awake and happy; it is the only discipline that will make us conscious of how perfect we really are!

The vision of this book is to train, equip, impart, and activate people to be all they can be in Jesus Christ. Based on biblical principles and experiential teaching from the life of the author, this book will give readers a way to fulfill the plan of God on their lives.

What help can I get to prevent my children from making poor choices in their lives? My children are still young, but I wanted something that could help me prepare their foundation. I wanted that foundation to be so sure, that I could trust my children to be safe in the hands of God and prepared for the battles. I was so discouraged that no one had written what I was looking for. Then one morning I was lying in bed and the whole thing came to me. I decided that I would write this book myself. It will be a handbook for me as I teach and train my children. I hope that it will be valuable to you al-

so.

We started Spiritual Boot Camp to get people involved in the Word of God. We must work the Word if we want the Word to work in our lives. Most of us go to church to be entertained by the choir and the preaching and we don't put anything into it; so by the time we reach the parking lot, we lose the battle of life because we don't know how to speak the Word of God to our situation.

Why are my relationships complicated? How will I discover my dream job? When is it going to be my turn? What is my Life Purpose? We ask ourselves questions every day. We wonder why our lives aren't as we wished despite our actions taken toward change, and in a continuous cycle we seem to be disappointed time after time. Our thought patterns and belief systems whether they are negative from the Dangerous mind, or positive from the Beautiful mind, effect our outer world. It is as simple and as complicated as that. Spiritual Bootcamp examines our negative affirmed intentions or "dream stealers" to accurately pinpoint obstacles that have stopped us from manifesting into our greatest and highest good, and provides the steps needed in order to do so. Each chapter is an easy to follow workbook answering your questions and listing daily affirmations to allow you to start Being instead of simply Do-ing. Overcome obstacles, accomplish your goals, discover negative thoughts patterns you hold within and abolish them. This new found awakened state is the journey of discovering Higher Self, the platform for change, and truly is your wake up call. * Identify limiting beliefs that prevent you from total well-being. * Use a simple formula to understand the "attractors" in your life. * Shift your thoughts to promote healing and abundance in your Self. * Develop a new skill set to reinforce life-affirming actions. * Change your perspective of life so life can love you more.

Buddhism is all about training the mind, and boot camp is an ideal training method for this generation's short attention span. The chapters in this small book can be read in any order, and are simple and easy to understand. Each story, inspirational quote and teaching offers mindfulness-enhancing techniques that anyone can relate to. You don't need to be a Buddhist to find this book motivational. As the Dalai Lama says, "Don't try to use what you learn from Buddhism to be a Buddhist; use it to be a better whatever-you-already-are." Whether it's Mother Teresa's acts of charity, Gandhi's perseverance, or your aunt Betty's calm demeanor, it doesn't matter who inspires you, so long as you're motivated to be better today than you were yesterday. Regardless of religion or geographical region, race, ethnicity, color, gender, sexual orientation, age, ability, flexibility, or vulnerability, if you do good, you feel good, and if you do bad, you feel bad. If you agree that Buddhism isn't just about meditating, but also about rolling up your sleeves and relieving some of the suffering in the world, then you are ready to be a soldier of peace in the army of love; welcome to Buddhist Boot Camp!

The Christian life would be much less complicated and much easier if we automatically became competent Spiritual Warriors at the point of conversion or the point of the infilling of the Holy Spirit. Unfortunately, that is not the case. A person does not become a Spiritual Warrior simply through a decision or a ritual act of conversion. Real faith is active, engaged, and committed. The active engagement and commitment of the Christian brings about the maturity of the new creation, created in the image of Christ. Putting on the "whole armor of God" is not a simple act of praying a simple prayer or speaking a pattern of words. It is a process that cannot be taught by man or learned by study. Putting on the "whole armor of God" is learned only from God, and then, it is learned only by sitting at the feet of Jesus regularly, with scripture in the forefront of the mind, meditating on the scripture and listening to Christ as He teaches. Herein, putting on the "whole armor of God" takes the form of "Spiritual Boot Camp:" the body and soul are intensely worked with regular Spiritual exercises in order to produce the "new man," militant, empowered, and both ready and able to wage war in the spirit. The spiritual battle is fierce, lifelong, and, whether we know it or not, everyone is involved. No one is given the luxury of watching from the sidelines. If we are to be victorious in this battle, we need to learn, from God, how to fight. This manual provides a disciplined, structured path for men and the framework needed for spending the necessary time with God, meditating on specific Scriptures, to allow Him to teach. It strongly

recommends working and training with other men as a team to provide the encouragement and motivation to "keep on keeping on." It provides instructions for setting up and running a team. The framework follows a path of daily assignments (exercises) designed to allow God to develop a man into a strong, effective Spiritual Warrior.

How to give up your will for God's way.

A journey into the history books with artistic license, to uncover perpetuating ancestral sourced trashing progress. This book could also be called 'What is Wrong with the World & How to Fix It'. Its main theme concentrates on describing humankind ancestral inherited gone-wrong affairs which, unknowingly, plague every generation and every Nation & spiritually explains how to dissolve this perpetuated chaos in humankind.

Pastor Barak went through a major life altering moment where he lost everything that was important to him including his family, his ministry and his friends. After that moment in time he went on a journey to find a deeper spiritual walk and experience. The strength that developed in his heart and life helped create this book. Pastor Barak understands a new deep intimate relationship with Jesus that developed from this failure. A new found strength was found in Christ as Pastor Barak went through a new training in his life. Today Pastor Barak wants others to find new strength in Christ.

To help perform His divine will, God has frequently relied on a celebrated company of Heavenly messengers called angels. But in a manner of speaking, we're all called to be God's Heavenly messengers here on earth: we all have a story to tell, an experience to relate, a testimony to share; and, like His celestial band of servants, the Creator of the Universe wants each of us to become a Godly emissary of His supernatural love: following in the footsteps of Jesus Christ, through a lifestyle of giving, serving, encouraging, and sharing the Words of Life! But something's been holding us back from fully answering the call! It's a truth that expresses the heart and nature of God, but which has been "lost"; a practice that's vital to peace and unity within our homes and communities, as well as the growth of our churches. It's one of the most misunderstood and neglected Biblical concepts today, and its inexcusable neglect is keeping us from becoming all God intended! God wants us to develop the "heart of an angel" -- but how do we accomplish this? Better still, what is the heart of an angel? Join us as we examine the secrets of the heart: learn how to change the world while building meaningful relationships; strengthen your family while becoming more like God; unite your community while impacting eternity; and fulfill the Lord's greatest commandment while "flying" with the angels!

WELCOME TO THE FACTORY OF MEN'S DEVELOPMENT. THIS BOOK IS ALL ABOUT ANSWERING THE TWO BIG QUESTIONS POSED IN IT (1) WHY IS IT THAT THEY ARE LESS MEN IN CHURCH THAN WOMEN (2) WHAT CAN WE DO TO WIN MEN BACK TO CHRIST AND CHURCH TO DEVELOP THEM AS GOD INTENDED. THIS BOOK IS A DISCUSSION AROUND THE FIRST BIG QUESTION AND PRESENTING STEP BY STEP GUIDED SOLUTIONS ON HOW TO DEVELOP A SPIRITUAL MAN FOR CHRIST AROUND THE SECOND BIG QUESTION. THIS BOOK CONTAINS DIFFERENT OPINIONS SURROUNDING THE DISCUSSION AND COMPREHENSIVE GUIDE ON HOW TO DEVELOP MEN AND MEN'S MINISTRY. THIS BOOK WILL CHALLENGE MEN TO TAKE UP THEIR GOD GIVEN POSITION IN CHURCH AND SOCIETY. IT WILL ALSO HELP PASTORS AND MEN'S LEADERS TO HAVE A TOOL TO USE TO DEVELOP A TOUGH SPIRITUAL MAN OF THE 21ST CENTURY FOR CHRIST JESUS .IN HERE I WILL BE DEALING WITH MANY ISSUES THAT HAS CAUSED MEN NOT TO BE IN CHURCH AS WELL AS HELPING TO PUT UP A PRACTICAL PLAN THAT WILL HELP TO BRING MEN TO CHURCH AND DEVELOP THEM. THIS BOOK ALSO CONTAINS IMFOMA-

TION HOW YOU AS A MAN CAN DEVELOP SPIRITUALLY . IN THIS BOOK ALSO THEY ARE DISCUSSIONS BY ANONYMOUS PEOPLE WHO HAVE VOICED OUT WHY THEY THINK MEN ARE FEWER IN THE CHURCH. I WILL QUOTE FEW HERE BUT READ OVER 10 CONTRIBUTORS IN THE BOOK. This discussion was initiated by Bishop Gary Hawkins, Sr, The question he posed was "Lack of Men in Church. Why? and anonymous one said, "It is feminization of the church", some experts claim. "The churches are run nowadays in a way that soothes female ears more than male ears, that caters more to women's needs than men's." That sounds sensible at first glance, but is it the whole truth? And it matters. God's heart is for both males and females to love Him and live for Him. According to this "feminization" theory, men do not like singing love songs to God, flower arrangements in the church, emotional preaching? Etc. And little more than the feminized men stay in church, as those are the only ones not too upset with things like this. Can this be the whole truth? King Solomon, for example, wrote and sang love songs, some of which are collected in the Bible as "Song of Songs". His father, David, sang of God's love and wrote Psalms. Neither of the two strikes me as effeminate. And today's male, love-song-singing stars? Well, by what the tabloids write about some of them, it would not seem pansies are the only men who sing love songs. AND ANONYMOUS PASTOR ALSO SAID, "I believe there is a lack of men in the church because they are not being spoken to. The messages going forth from pulpits these days really do not address the basic needs of men. Men want to and need to feel like leaders. Men want to feel as though they have decision-making power and can influence change. Of late, the society we live in and even in the homes, men's "natural" right to live out these roles have been stripped. You have talk show hosts, actresses, politicians, and even preachers telling the world that a woman doesn't need a man to survive, a woman doesn't need a man to raise a child, and a woman doesn't need a man to be complete. GOD never intended for man or woman to be alone. Yet, the value of men has been subjected to a trivial status. You want men to come back to church? Teach them that they have value and worth in their homes, on their jobs, and in their communities. Then, you'll see a renaissance take place in the church." THE CONVERSATION IN THIS BOOK IS HEATED, ANONYMOUS 7 SAID, "some things that are complex have simple answers. I believe your question can be answered in 2 words: Shame and Pride. Some men are shameful to confess and praise in front of other women. They do not want others thinking "Dag, what did he do in his life-I thought he had it together!" Even if no one

in the congregation is thinking of them in that manner. Some men, think praising God in public is too "feminine". SO GOD HAS TOLD TO SETTLE THIS MATTER BY PROVIDING ANSWERS AND MORE IN THIS BOOK: DR JOEL SOKO AND PROPHETESS KALAY PILLAY- SOKO.

The mind can be your best friend or your worst enemy. It can be the center of miracles, or of madness. It can be a place of truth, or a place of lies; it can be an environment of peaceful contemplation, or of desperate painful isolation. The choice is ours to make. No one else is thinking in our heads. As one classic horror movie proclaims, The calls are coming from inside the house! With all the talk in the world about bullying, the one thing that is rarely considered is that the most vicious monster, the most insidious bully, who is out to terrorize, torment us and steal our joy, is not so much out there in the schools or the workplace or the neighborhood. The bully we cannot seem to escape from is the one living inside our own heads. In Starve a Bully, Feed a Champion, Jacob Glass and his spirit guides take the reader through a gentle 101 day spiritual boot camp to guide the mind away from the tormenting thoughts of the ego and toward the peaceful, joyous and loving thoughts which lead to freedom and peace of mind. Based on the principles of A Course in Miracles and other New Thought teachings, the goal of this boot camp is the attainment of inner peace under any and all circumstances. You were not meant to merely survive, but to thrive!
