Before you take a trip to the blood bank, there are several options available that don't involve selling vital organs or your first-born. One of these is sponsorship. Corporate sponsorship is as old as Robert Flaherty's 1922 epic *Nanook of the North*, which was funded by Revillon Freres, a French fur company. While corporate sponsorship of documentary films is viewed by some as the ultimate sell-out, smart documentary filmmakers are taking advantage of the convergence of reality and advertising.

To write a film proposal is the first step to getting your film into development, this is your opportunity to show film investors in visual terms what your project is all about and make them want to finance your film. Move your Film into Development To get financiers interested you need to show which Key Cast and Crew are interested in your film.
