OVC7EO - ERNESTO KLINE

Helen McKenna sits down with Marvin Rees, the Mayor of Bristol, to explore his approach to place-based leadership, the NHS's role as a 'place-shaper' and the city's experience of Covid-19. The second wave of Covid-19 offers new as well as ongoing challenges for the health and care system ...

Tony Morrison - Staff Supervision in Social Care (2001) ' At the heart of reflective practice is the idea that our actions should be informed by a knowledge base that we engage with actively, as opposed to forms of practice that are based on unthinking habits or routines or knee jerk reactions to situations. A reflective practitioner is someone who acts on the basis of understanding and a careful consideration of the situation being dealt with.

Achieving effective supervision | Iriss
Providing effective supervision - Skills for Care

Each manager and individual member of staff, or group of staff will enter into a supervision agreement, using the model format (Appendix 1). For each supervision session the manager and member or...

Supervision is an accountable, two-way process, which supports, motivates and enables the development of good practice for individual social care workers. As a result, this improves the quality of service

provided by the organisation. Supervision is a vital part of individual performance management.

~~9781841961682: Staff Supervision in Social Care: Making a ...~~

Professional supervision is central to effective social work. I think we can all agree on that. It plays an important role in the wider functioning of any children's social care organisation. It is...

Supervision is a live ongoing process that includes regular and frequent meetings between staff members and nominated supervisors to review their work and to provide development and support. Appraisals are regular but infrequent meetings to review performance and plan development and to set objectives for the coming year.

Supervision is an important right and benefit for all those working in social care and children's services. It is the main way in which your organisation monitors and reviews your work but also ensures you are properly supported and continue to develop your skills.

Supervision - SSSC Leadership

8.1.3 Staff Supervision and Appraisal (Performance Management)

Supervisors in adult social care aren't required to hold a formal qualification, but training and on-the-job learning is a great way to ensure that they're confident and competent to do the role. Our free online guide includes advice about learning and development opportunities for supervisors, including: qualifications; short courses
