Article by Ric Rhinehart: What is Specialty Coffee? After roasting and before brewing, the coffee must be ground. Grinding is best done as close in time to brewing as possible, as many delicate aromatic compounds are fully released upon grinding and the dramatic increase in surface area necessary to effect brewing also opens the coffee to rapid oxidation and staling.

There may be additional standards that apply in a community's zoning ordinance. For the first standard, the zoning board of appeals (ZBA) should figure out if there is a way to accomplish the same purpose without a variance, even if it will be more inconvenient or more expensive for the applicant. If so, a variance should not be granted.

This Aviation Mechanic General Practical Test Standards book has been published by the Federal Aviation Administration (FAA) to establish the standards for the Aviation Mechanic General Practical Test. The passing of this practical test is a required step toward obtaining the Aviation Mechanic certificate with Airframe and/or Powerplant ratings.

Aviation Mechanic General Practical Test Standards

The earliest documented mention of beer by a German nobleman is the granting of a brewing licence by Emperor Otto II to the church at Liege (now Belgium), awarded in 974. A variety of other beer regulations also existed in Germany during the late Middle Ages, including in Nuremberg in 1293, Erfurt in 1351, and Weißensee in 1434.
