Earth empire is crumbling, but still dangerous. A select group of humans and their duster friends have been rescued from Faraway, and taken to a place of sanctuary; a wonder called Earth Island. Coming to terms with the natural world from their distant past, the humans are becoming stronger, smarter, and more spiritual. Other strange genetic changes become evident, unsettling

and frightening to the humans and their duster friends. the Saulan sisters feel something profound is coming, but the Alphans are guarding a secret. Unannounced, their secret can no longer be hidden. It has begun: the Second Journey.

The war between the spacefaring civilization of the Abh Empire and the united forces of surface-dwelling "Landers" has commenced in earnest — and it promises to decide the destinies of all of humankind across the cosmos. Flung into the fray of a war they never wanted, Jint and Princess Lafier must find a way to aid the Empire's war efforts, but they are hindered by a less than savory fellow Abh and by United Humankind forces alike, all while stranded and bereft of supplies. What allies can they find on an unfamiliar world blanketed by anti-Abh propaganda? How can they even evade capture while the planet's police are hot on the lookout for them? The pair's mettle — and their bond with each other — shall be tested and then some in the exhilarating second chapter of their personal saga! Be there to watch an epic space opera romp unfold!

After years of resisting the undeniable pull toward the hunky geek, Starr discovers that fate has decided to take matters into its own hands. History repeats itself and she finds herself face to face with the seriously sexy male that she had been trying to forget. Will the fiery and independent Starr let Deacon in? Or does her heart have too many scars? THIRD BOOK IN THE ORION'S ORDER SERIES Orion's Order returns in another addictive installment about their secret world of magic and mystery. A world where the power of love prevails in the fight against an ancient evil force. DEACON Starr. The bane of my heart's existence. For years, we danced a flirty, banterous duet full of hot tension. Since the second we met, I knew there was something about her. It was like our stories were stars that mingled in the night sky and twinkled brighter in a desperate attempt for someone to read their shining

story. Except, when I took the lead of our dance and had her heart spinning and knees weak, she ran in the other direction (or rather, sped off into the night on a motorcycle) with the taste of our kiss still lingering on our lips... and my heart crushed beneath the tires. Somehow, I ended up in another relationship with a fine female who doesn't twist my heart with wicked games. She is probably better for me. Yet, I can't stop thinking about the female who keeps her distance from me. The female who made it clear she doesn't want me. The female who is determined to put weed killer on anything that buds between us. The female who has my heart in her hands and doesn't even know it. STARR If life has taught me anything it's that there's only one thing you can truly count on: yourself. And I have built my life with this in mind. My job? Bounty hunter. I'm my own boss and, yeah, you guessed it—no partner... by design. Family? None. Friends? One. But I sure as hell don't rely on her for anything. Not that she isn't reliable or anything. Again, it's just how I roll. My love life? It's complicated. Hashtag: How in the hell had my love life become a damn Facebook status? So, yeah, I was doing just fine on my own... until a certain male waltzed into my life. And stole my hunt... for the second damn time. Devour this addictive series at your own risk... + Happily Ever After + Sexy Paranormal Romance + Multiple POV + Mature Content + This series is meant to be read in order for the best reading experience ----- DEACON'S STAR is an adult paranormal romance. If you like swoon-worthy males, heroines with feminine strength, an engaging plot, satisfying relationships, steamy love stories, happy ever afters, and getting sucked into a supernatural story, then you'll want to immerse yourself in the world of species!

A successful guitarist. Broken by one, made by another...and wrecked by the one person he's trusted since birth. Jimmy Trent wasn't born with a guitar in his hand, but his big brother Ken

showed him the ropes at a tender age. Jimmy was hooked, and when the band Brainchild was born, he began to fulfill his childhood dream. With Ken by his side, Jimmy soars with his band, reaching milestones most rock stars simply get to witness from their parent's garages. But when Mandy, Jimmy's first love, comes into the picture, all bets are off. When the supermodel doesn't bring him all the promises a proper wife should, the rock star finds himself in a hole that he can't dig himself out of. Cindy Kilgore never thought her beloved husband would stoop to the level that fifty percent of men have, but when she receives the news that he's warmed another woman's bed, she packs her bags to move back to the hometown she's missed. With her mother suffering from a recent stroke, it's all the more reason for Cindy's return. And with her two-bit a-hole boss driving a stake through her budding career, it gives her three reasons to move on. She never expects to find the job of a lifetime at a recording studio. But the job comes with strings attached that she's bluntly acquainted with the second she sees rock star Jimmy Trent answer the door. With Cindy's surprisingly apt skills, Jimmy quickly notices that Cindy is cut out for more than just an assistant's position, and this realization could not have come at a better time, since they're missing one head in the team. She quickly takes on more and more responsibility with ease and enthusiasm, until an unexpected visit to the emergency room threatens to bring Cindy's new career to a grinding halt. Jimmy has a tough decision to make, and with the growing pressure of a new record and a recording contract's ink that isn't even dried yet, the rock star and his band need to make some quick, impossible changes. Jimmy finds himself unable to turn his cheek on Cindy. What's worse, she doesn't even know it...yet. Filled with heartache, heartbreak and a handsome helping of triumph, 'Opening Night' is the perfect complement to 'Dress Rehearsal'. Get your tissues out, this one is a tearjerker! Fair warning: this story covers sensitive adult subject matter and has course language, violence, drug use and explicit sex. Readers will see rock stars in a whole new light and find themselves with aching hearts.

It's not every day you find a naked rock star in your bed. But that's exactly what happens to former violin prodigy Elise Wolf, who has left her failing indie rock band for home, only to discover that her family sold their music shop to famous rocker, Tristan Morgan. Elise has hocked her family's heirloom violin, needs a job pronto, and violins are all she knows. Even though she believes all rock stars are self-centered, narcissistic a\$\$es, she is desperate for cash and begs Tristan for a job. Sidelined at home with a vocal cord issue and not knowing if he'll ever sing again, Tristan bought the local music shop as a backup plan. He just never imagined he'd wake up to a cat running across his baws, as his Scottish grandfather would say, or deal with the previous owner's daughter when she keeps popping up at the music shop. While Tristan finds Elise persistent and annoying, he admits he knows very little about the music shop business. He hires her to help him sell off the inventory and prove he is the antithesis of the rock star she believes he is. When she leaves her laptop open on an internet dating site, he uses an anonymous name and befriends her on the site. His plan is to set her straight on a few things and never meet face to face. Surprisingly, through their messages, he discovers they have a connection and working side by side, he feels a spark. Tristan knows he's screwed. Not only has he fallen for Elise, whether he comes clean and admits his identity, or tries to delicately end their online relationship, someone's heart will be bro-

ken. And it will probably be his. Workplace romantic comedy with a You've Got Mail vibe. High heat. No cliffhanger. It's not every day you find a naked rock star in your bed. "In Stuck with Mr. Wrong, with wit and humor, Amy O'Brien teaches women to write their own story and have fun in the process. For any woman stuck in a bad relationship, this book will give her the hope and humor to shift things in her life. It will empower her to get in the driver's seat and create the life she truly dreams of." -Page 4 of cover.

Renowned and loved for her refreshing candour on everyday issues, social, domestic and intimate, Stacey Solomon reminds us how important it is to embrace ourselves; the good, bad and the ugly.

The Hon. Mr and Mrs Bede Lambton, of Abberton Hall in Worcestershire, persuade their nephew Gregory to enter a competition run by the Syrian Ministry of Tourism. Gregory, a student in the

archaeology department of Bristol University, produces a paper called 'The Syrian Sapphire', but it is a housemate of his, Sheena Morrison, who submits it in her own name and under a changed title, 'The Star of Syria'. The day after being told that her entry has won, Sheena is murdered. There appears to be nothing in Sheena's life or in the competition entry to justify such savage action. Inspector Wickfield and Sergeant Hewitt find themselves baffled by a seemingly motiveless murder. Had the killer mistaken his victim? Was the murder a burglary that had gone wrong? Had the recent theft in New York of the fabulous sapphire known as the Star of India anything to do with the case? You are invited to accompany Inspector Stan Wickfield and Sergeant Hewitt on their grim journey of discovery into the motivation of an astute and determined killer. You will be given every item of information accessible to the investigating team: are you clever enough to read the runes? Julius Falconer's erudite and sophisticated stories are a byword for urbane and stylish entertainment. In this case you have the added benefit of learning the basics of Syriac, if you so desire! Can you fake a happily-ever-after? Veteran running back Jude Owens is one of the best and most respected players in the league. A brutal concussion nearly ended his career, but Jude refuses to retire without earning the ultimate honor--a championship. But first, he needs me to clear him to play. As the Ironfield Rivets' neurologist, I usually treat bad boy quarterbacks and beastly linebackers. I can't be impartial when my lifelong crush hops onto the exam table. Not only is Jude gorgeous and a gentleman, he's my brother's best friend...and the father of my unborn baby. Or so everyone thinks. Jude offers to pose as my boyfriend and the baby's father to save my reputation. In return, he needs my help to stay on the field. The pretend romance keeps me close enough to take care of him, but I can't protect my heart. Our stolen kisses and nightly indiscretions have transformed this fake relationship into something so very real. I can't complicate our arrangement by falling in love, especially as Jude's obsession with football blinds him to everything but the game. When his symptoms worsen, the only way I can protect him may be to sit him on the sidelines. But ending his career will ruin our Once Upon A Time. It's up to me to save my prince charming...Even if it means I lose my happily-ever-after.

Some love stories aren't meant to last Stella lives with depression, and her goals for junior year are pretty much limited to surviving her classes, staying out of her parents' constant fights and staving off unwanted feelings enough to hang out with her friends Lin and Katie. Until Kevin. A quiet, wry senior who understands Stella and the lows she's going through like no one else. With him, she feels less lonely, listened to—and hopeful for the first time since ever... But to keep that feeling, Stella lets her grades go and her friendships slide. And soon she sees just how deep Kevin's own scars go. Now little arguments are shattering. Major fights are catastrophic. And trying to hold it all together is exhausting Stella past the breaking point. With her life spinning out of control, she's got to figure out what she truly needs, what's worth saving—and what to let go.

From the co-founder of THINX and hellotushy.com, start-ups collectively valued at more than \$150 million, comes DISRUPT-HER, a rallying cry for women to radically question the status quo. Miki Agrawal has faced patriarchal pushback, fought girl-on-girl hate, ridden the roller coaster of building businesses as a female CEO, and even overcome an attempt to burn her for witchcraft (figuratively). In order to navigate the complicated--at times maddening--struggles of contemporary femininity, we need an unabashed manifesto for the modern woman that inspires us to move past outrage and take positive steps on the personal, professional, and societal levels. This manifesto galvanizes us to action in 13 major areas of our lives with as much fire power as possible. These are the credos we live by, the advice we give to friends, the tenets we instill in our companies and peers on a daily basis. Stories of badass female movers and shakers are shared in this book too to give you an extra jolt of "I've got this." It's a whole body F*CK YES to your work, your love, your relationships, and your mission--while doing it all authentically, unapologetically, and with full integrity.

In this poignant book, Lisa Cherry brings together a collection of candid and personal reflections on the care system in the UK, offering alternative ways of thinking about the care experience, supporting better ways of working, and providing justification for a trauma-informed lens to be applied to all forms of work with

those in care. Through personal insights and reflections, the book brings often-unheard stories vividly to life, beginning with the author's own. These are stories about love and pain; hurt and isolation; the depth of lived experience that makes up a life; how we live our lives through our relationships with others and where we feel we fit in. In this thoughtfully compiled third edition, original contributors look back on their own reflections from the lives that they live now, new stories bring new perspectives, and discussion points provide the opportunity to consider the realities of the care experience as well as life beyond. Whilst each story is unique, shared themes reveal the truth of the care system and, coming at a time where there is a real opportunity for change, the narratives in this book are ultimately stories of hope and connection. This is crucial reading for policy makers, those working in social work, education and adoption, as well as care experienced adults.

Five women. One rock star. Who will be the bride in the celebrity wedding of the year? Audra is back from Antarctica. Phuong the email-order bride is free, acquitted of all charges. Flavia's forgiven Jay, now she knows who's really responsible. Gaia the billionaire is determined to get what she wants. And Penelope's sporting a pink diamond engagement ring. The weather may be as hot as Hell with the mother of all storms brewing off the coast, but Xan knows one thing for certain: come fire or flood or ex-fiancés, there will be a rock star wedding at Romance Island Resort. But the question on everyone's lips is...who will be Jay Felix's bride? Perfect for fans of Mary H. K. Choi and Nicola Yoon, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Sixteen-year-old Tessa Johnson has never felt like the protagonist in her own life. She's rarely seen herself reflected in the pages of the romance novels she loves. The only place she's a true leading

lady is in her own writing—in the swoony love stories she shares only with Caroline, her best friend and #1 devoted reader. When Tessa is accepted into the creative writing program of a prestigious art school, she's excited to finally let her stories shine. But when she goes to her first workshop, the words are just...gone. Fortunately, Caroline has a solution: Tessa just needs to find some inspiration in a real-life love story of her own. And she's ready with a list of romance novel-inspired steps to a happily ever after. Nico, the brooding artist who looks like he walked out of one of Tessa's stories, is cast as the perfect Prince Charming. But as Tessa checks each item off Caroline's list, she gets further and further away from herself. She risks losing everything she cares about—including the surprising bond she develops with sweet Sam, who lives across the street. She's well on her way to having her own real-life love story, but is it the one she wants, after all?

According to Dr. Maggie Maguire, happiness is serious science, as serious as Maggie takes herself. But science can't always account for life's anomalies--for instance, why her fiancé dumped her for a silk-scarf acrobat and how the breakup sent Maggie spiraling into an extended ice cream-fueled chick flick binge. Concerned that she might never pull herself out of this nosedive, Maggie's friends book her as a speaker on a "New Year, New You" cruise in the Gulf of Mexico. Maggie wonders if she's qualified to teach others about happiness when she can't muster up any for herself. But when a handsome stranger on board insists that smart women can't ever be happy, Maggie sets out to prove him wrong. Along the way she may discover that happiness has far less to do with the head than with the heart. Filled with memorable characters, snappy dialogue, and touching romance, Kristin Billerbeck's *The Theory of Happily Ever After* shows that the search for happiness may be futile--because sometimes happiness is already out there searching for you. "Billerbeck has the most delightful voice I've ever read. I adore her stories, and she returns with an enchanting new novel, *The Theory of Happily Ever After*. I laughed, cried, and rejoiced with her wonderful characters and was sad when the story ended. Highly recommended!"--Colleen Coble, USA Today best-selling author

Why do things go wrong in our lives? What causes the unbearable emptiness of our being? From a philosophical point of view this book deals with important features of life itself; of a typical human being; of the upbringing of mankind and the risks involved. Indulge in this steamy mafia series by dark romance author Jill Ramsower... Michael I spent years devoting my life to a woman whose heart belonged to another man. She belongs to him now,

and in the process, I was shot and wrongfully arrested. It's been a shit couple of months. I never dreamed it would all turn around the second I met my court-ordered shrink. She was breathtaking. Irresistible. Keenly perceptive and impossibly stubborn—an alluring challenge I couldn't ignore. She thinks her oath of ethics will keep our relationship strictly professional. I look forward to proving her otherwise... Guilty Stars is a novelette in The Five Families series meant to be read between books 2 and 3, although all books in the Five Families world can be read as standalones with no cliffhangers. A dark romance with adult themes, it may not be suitable for sensitive audiences. But if you like a HOT romantic story with a guaranteed happily ever after, this taboo romance will have you begging for more!
