“Run through everything you’ll do with the colt so you can get your communication down pat and won’t be caught off guard.”
#4: Doublecheck your cinch before you get on. This one seems like a no-brainer, but it bears emphasizing. Tighten up the cinch in stages, and afterwards don’t immediately step up on your colt’s back. “Sometimes when you snug up the cinch, the colt will get tight through his body and will carry that tension until he starts moving his feet,” the clinician ...

~~5 Essential Safety Tips for Colt Starting—
Horse&Rider~~

Colt starting, even on the smoothest days, never goes as planned. Dusty Whitford shows you how to overcome each training obstacle to put on the most important rides in a horse’s career. The first ride is

the most important, followed by the second. Sign up for only \$12/month to access this series. New episodes weekly!

~~Colt Starting Series—Raw, Unedited Video
of the First ...~~

I learned early on that colt starting isn’t just about desensitizing your horse; it’s about sensitizing him as well – getting him to move his feet and yield and soften to pressure. The better your horse understands how to move his feet and yield to pressure on the ground, the easier it’ll be for him to do the same thing under saddle.

~~Colt Starting Success Tips—NW Horse
Source~~

The early education process, usually practiced on a two or three year old horse, is commonly referred to as “colt starting” or “breaking”. I just don’t like the term “breaking”. It smacks of the old, rough ways of restraining a horse and forcing oneself upon him rather than the more enlightened ways of working with a horse’s nature.

~~Colt Starting—The First Ride—YouTube~~

The Colt was a supernatural revolver created by the hunter Samuel Colt. John Winchester had been searching for it for many years. According to legend, anything shot by this gun, using one of its thirteen original bullets, would die, including supernatural creatures normally immune to any and all weapons. On several occasions, it was in the possession of Sam and Dean Winchester, who used it to ...

Starting the Colt by Jan Young is a coming of age novel about a boy named Ben who must decide between following his father's advice on horse training (buck them out) or a man named Fred who has a gentler way that involves gaining the colt's trust. He also learns he must make his own decisions, even if risky.
