State and Local Politics, 4th Edition - 9781285441405 ...

The political institutions are those bodies—parties, legislatures, and heads of state—which make up the whole mechanism of modern governments. Parties, Trade Unions, and Courts In addition, political institutions include political party organizations, trade unions, and the (legal) courts.

The Definition and Purpose of Political Institutions

emphasis is on political institutions and organizations, political be-

havior in state politics and the impact of state politics on policy-making at the national, state, and local levels. Federalism in America allows the states to act as Laboratories of Democracy to tailor policy for their state's unique needs. As a result, state and local government create a patchwork of public policy that

The nation-state - Social and political scientists often speak of the state as embodying all institutions such as schools, prisons, police, and so on. However, these institutions may be considered private or autonomous, whilst organised religion and family life certainly pre-date the advent of the nation state.
