Calligraphic Drawing, written and illustrated by artist Schin Loong, is a step-by-step guide to the pictorial side of calligraphy. Learn how to make calligraphic flourishes, then apply the technique to draw 15 different flourished animals. You'll also find instructions for embellishing letters and drawing ornamental cartouches. In the past, masters of penmanship advertised their copperplate skills by shaping their calligraphy and flourishes into elaborate pictorial designs. Now the art of the flourish is back! With her fresh approach to this age-old art form, Schin will take you confidently through each step, from choosing your pen, nib, and ink, to creating calligraphic animals that express your own imagination and artistry. The basic steps for the strokes are simple, but as you learn each new pattern and stroke, you'll watch your drawings develop into ever more complex and beautiful compositions. By following the step-by-step instructions, you can create stunning drawings of a pigeon, swan, crane, rooster, jellyfish, goldfish, peacock, parrot, owl, raccoon, elephant, puppy, rabbit, fox, and zebra.

Each exercise includes a photo of the animal, followed by an illustration and written guidance for each numbered step. You'll find helpful tips and encouragement throughout. At the back, a gallery showcase provides examples of Schin's own artwork to inspire you in your own flourishing pursuits. Whether you're a designer, calligrapher, doodler, or just picked up a pen, this guide to drawing with flourishes will enlighten and inspire. Beautifully illustrated guide by the founder of Quill London abounds in tips, tricks, and techniques for beginners. Step-by-step approach covers materials, modern calligraphy letterforms, brush calligraphy, developing an individual style, and practical uses.

In an age of myriad computer fonts and instant communication, your handwriting style is increasingly a very personal creation. In this book, Margaret Shepherd, America's premier calligrapher, shows you that calligraphy is not simply a craft you can learn, but an elegant art form that you can make your own. Calligraphy remains perennially popular, often adorning wedding invitations, diplomas, and commercial signs. Whether it is Roman, Gothic, Celtic, Bookhand, or Italic style, calligraphy conveys class and elegance. Margaret Shepherd makes this ancient art form accessible in a completely hand-lettered technical guide that will:

- * Provide context for calligraphy as an art, exploring the rich tradition of hand-lettering and mapping the evolution of the most popular styles.
- * Give detailed technical advice on choosing pens, paper, and inks, setting up your workspace, mastering various pen angles, along with step-by-step illustrations to guide you as you practice.
- * Explain which alphabets are appropriate for different forms of writing. For example, the Roman alphabet works well for short, unpunctuated passages, while the Italic alphabet is more suited to informal everyday communication.
- * Encourage you to personalize your lettering by using variant strokes and interpreting how you would like the words to look on the page.
- * In-

spire you with carefully chosen illustrations and examples, which bring letters to life. In Margaret Shepherd's own words, "Calligraphy trains not only your eye and hand, but your mind as well." Learn Calligraphy is the authoritative primer for this age-old craft, and will help develop a new appreciation for lettering as you discover your creative personality.
