About the Author. Stephen Slavin received his BA in economics at Brooklyn College, and his MA and PhD in economics at New York University. He taught for over 30 years at New York Institute of Technology, Brooklyn College, St Francis College (Brooklyn), and Union County College (New Jersey).

As in previous editions, Slavin introduces more math review than other products to help students get past math phobias through consistent practice. The content is set up as a workbook, encouraging students to fill in tables and graphs and work problems as they read to actively engage with the material.
