From the author of the acclaimed Outrageous Openness, a witty and spirited guide to radically releasing the burden of financial fears It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from

vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps

that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance.

This book aims to solve a problem that I had when I was just beginning to know the Catholic Faith. It so happened that I wanted to learn and practice devotions to get closer to the Mother of God, and I was especially curious about the Holy Rosary. But it was difficult for me to understand the manuals with abbreviations that supposed I already knew how to pray. If you feel identified with me, this manual is made for you. No abbreviations, with many images designed to teach in detail how to pray, and with specific instructions step by step.

A practical and visionary approach to the principles of prayer that will revolutionize our lives---and enable us to receive all God has for us Many people are missing the great things God wants to do in their lives because they don't know how to receive answers to their prayers. This revolutionary book is not a step-by-step guide on how to pray but an inspiring vision that moves people to greater hope as they see the tremendous potential of prayer. Breakthrough Prayer is peppered with amazing stories of answered prayer from the Brooklyn Tabernacle, including the story of the final survivor of the World Trade Center collapse and the prayers she prayed before becoming

the last person pulled from the wreckage alive. Unique features include: * Breakthrough to Holiness: What is the connection between how we live and how we pray? * Breakthrough to Power: What are the prayers that really have power with God? * Breakthrough to Listening: How can we learn to recognize God's answers to our prayers? Jesus said and did only the things he received from the Father. When we do the same, the real potential of our lives will unfold, and prayer will enable us to become people with instructed tongues who are able to sustain others in fearful times---times much like those we face today. 'Voices inside my head were constantly screaming at me. I became like an animal in the street, muttering or yelling out a stream of profanity as people passed by. One day, lying in a hospital bed, close to death, I cried out, Jesus, help me! O God, you're my only hope! That was the breakthrough prayer that saved my life.' --Danny 'Talk about breakthrough prayer! I was buried under 110 stories of steel and concrete on 9/11. But God heard my prayer for a miracle.' ---Genelle 'My husband and I had a dream of helping

desperate young women. But no banker in his right mind would finance such a venture. So we prayed and God broke through every single obstacle we faced. That was just the beginning of the wonderful roller coaster ride we call 'faith'. --Grace

'Messages that Move' gives you tools to deliver memorable, engaging Bible talks that lead to gospel transformation. When we watch the news, our hearts break for a world in need. But Christians are not powerless to help: we can pray. In fact, that's exactly what God

tells us to do: "petitions, prayers, intercession and thanksgiving [should] be made for all people" (1 Timothy 2 v 1-2). If we're serious about reaching our local community with the gospel, the first thing we'll do is pray. Trouble is, most of us don't know where to start. How do we pray meaningfully for people who we don't know and will probably never meet? Deep down, the issues seem too big, too emotionally disconnected, and we're not sure our prayers will really make a difference. That's where this little book is designed to help. It will equip you to pray powerful prayers for the world around you--prayers that really change things, because they're based on God's word.

GOD WANTS YOU WELL! Someone has said that prayer is not about overcoming God's reluctance, but about laying hold of His willingness. This can also be said of healing ministry ~ it is not about overcoming God's reluctance, but laying hold of His willingness to heal. God's willingness is seen in His Word, where He has repeatedly revealed His desire to heal His people.

The format of healing Scriptures and healing prayers is designed to help you lay hold of God's willingness to heal you by laying hold of His Word and praying it back to Him in faith. The Bible says that "Faith comes by hearing, and hearing by the Word of God" (Romans 10:17). The Word of God reveals the will of God, and so enables us to pray effectively. "Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us. And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him" (1 John 5:14-15). Healing is the will of God for His people, as these Scriptures show, so you can pray confidently, knowing that He hears you, and that you will receive your healing. In this book you will discover:

- God's healing words in the Old Testament
- How healing is revealed in the names of God
- Choosing life
- God's healing words in the New Testament
- The healing ministry of Jesus
- The healing ministry of the disciples
- Life restoration stories in the Bible
- How healing is revealed in the name of Jesus
- The Lord's Prayer as healing prayer
- The

Lord's Supper as healing prayer This is also a great tool to help you minister healing to others.

Remarkable True Stories of Miraculous Answers to Prayer Many people pray, but some don't really believe that God is listening. Answers to prayer can be so small and ordinary that they go unnoticed. But every so often we are powerfully reminded that God does indeed hear and answer prayer. What begins with simple faith and a basic prayer from an average Christian ends with an astounding gift from our loving heavenly Father. In this new collection, ordinary people recount miraculous answers to prayer--things that could only happen with God's supernatural intervention, such as unexplainable healings and amazing protection in life-threatening situations. This book will inspire you to believe that God can answer even your most seemingly impossible prayers, fulfilling your deepest needs and biggest dreams.

"Praying the Scriptures for Your Children" is both a how-to and feel-good book of encouraging stories mothers can use to learn how to pray scripturally for their children.

Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal--and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. How to Pray is written to evoke a passion for prayer in everyone--the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of How to Pray is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately

life-giving and life-changing. How to Pray is designed to be used together with The Prayer Course (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.

Prayer can help children become a person of purpose, character, strength, and confidence. Pray'in/Praiz'en Kids is a prayer curriculum that utilizes the armor of God (Ephesians 6:11-18), confessions, scriptures, crafts, and character development stories to teach children about pray-

er. The multi-sensory curriculum integrates proven methods of teaching and instruction. Shelton's prayer curriculum has been used at youth camps and in a home school program to teach children from different faith persuasions about prayer and character development. The curriculum stimulates a genuine desire in children to pray, praise, and grow in their relationship with the Lord.

Modern research is uncovering more and more detail of what our brain is and how it works. We are living, thinking creatures who carry around with us an amazing organic super-computer in our heads. But what is the relationship between our brains and our minds-and ultimately our sense of identity as a person? Are we more than machines? Is free-will an illusion? Do we have a soul? Brain

Imaging Scientist Sharon Dirckx lays out the current understanding of who we are from biologists, philosophers, theologians and psychologists, and points towards a bigger picture that suggests answers to the fundamental questions of our existence. Read this book to gain valuable insight into what modern research is telling us about ourselves, or to give a sceptical friend to challenge the idea that we are merely material beings living in a material world.
