Strategy Beyond the Hockey Stick: People, Probabilities, and Big Moves to Beat the Odds Chris Bradley, Martin Hirt, and Sven Smit John Wiley & Sons (February 13, 2018) What really matters — and what does not — for exceptional performance Strategy is a key element in business success but is an elusive to many business owners. Here, at last, is guidance on how to do it right. Published by McKinsey & Company, Strategy Beyond the Hockey Stick gives a refreshing look at the 'inside view' of many of the world's top companies and where they go wrong in the strategy process. The book examines the combination of both the data and ...

Strategy Beyond the Hockey Stick is definitely not a popular business book intended for a general audience, but for strategy consultants or executives working in corporate strategy (at Fortune 500 firms). McKinsey has collected a lot of data on corporate performance over the years.

"In the strategy room," the authors write early in the book, "human bias and social dynamics can prevent the necessary big moves from getting on the table, let alone getting executed." The outcome of these social dynamics, they argue, "is the hockey stick, confidently showing future success after the all-too-familiar dip on next year's budget."
