The million-copy bestseller, which is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling.

A few words about Dostoevsky himself may help the English reader to understand his work. Dostoevsky was the son of a doctor. His parents were very hard-working and deeply religious people, but so poor that they lived with their five children in only two rooms. The father and mother spent their evenings in reading aloud to their children, generally from books of a serious character. Though always sickly and delicate Dostoevsky came out third in the final examination of the Petersburg school of Engineering. There he had already be-

gun his first work, "Poor Folk." This story was published by the poet Nekrassov in his review and was received with acclamations. The shy, unknown youth found himself instantly something of a celebrity. A brilliant and successful career seemed to open before him, but those hopes were soon dashed. In 1849 he was arrested.

The Pulitzer Prize and Drama Critics Circle Award winning play—reissued with an introduction by Arthur Miller (Death of a Salesman and The Crucible), and Williams' essay "The World I Live In." It is a very short list of 20th-century American plays that continue to have the same power and impact as when they first appeared—57 years after its Broadway premiere, Tennessee Williams' A Streetcar Named Desire is one of those plays. The story famously recounts how the faded and promiscuous Blanche DuBois is pushed over the edge by her sexy and brutal brother-in-law, Stanley Kowalski. Streetcar launched the careers of Marlon Brando, Jessica Tandy, Kim Hunter and Karl Malden, and solidified the position of Tennessee Williams as one of the most important young playwrights of his generation, as

well as that of Elia Kazan as the greatest American stage director of the '40s and '50s. Who better than America's elder statesman of the theater, Williams' contemporary Arthur Miller, to write as a witness to the lightning that struck American culture in the form of A Streetcar Named Desire? Miller's rich perspective on Williams' singular style of poetic dialogue, sensitive characters, and dramatic violence makes this a unique and valuable new edition of A Streetcar Named Desire. This definitive new edition will also include Williams' essay "The World I Live In," and a brief chronology of the author's life.

This short story is regarded as an important early work of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can

recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women during that period.

Born out of the journals the playwright kept at the time, Tennessee Williams's *Vieux Carre* is not emotion recollected in tranquillity, but emotion re-created with all the pain, compassion, and wry humor of the playwright's own 1938-39 sojourn in the New Orleans French Quarter vividly intact. The drama takes its form from the shifting scenes of memory, and Williams's surrogate self invites us to focus, in turn, on the various inhabitants of his dilapidated rooming house in the Vieux Carre: the comically desperate landlady, Mrs. Wire; Jane, a properly brought-up young woman from New York making a last grab at pleasure with Tye, the vulgar but appealing strip-joint barker; two decayed gentlewom-

en politely starving in the garret; and the dying painter Nightingale, who tries to teach the young writer something about love -- both of the body and of the heart. This is a play about the education of the artist, an education in loneliness and despair, in giving and not giving, but most of all in seeing, hearing, feeling, and learning that "writers are shameless spies," who pay dearly for their knowledge and who cannot forget.
