Matching the topics in the syllabus, the student-friendly structure and content enable students to develop their skills and confidence as they approach the examination.

Designed to accompany you through your Sociology course as well as prepare you for the final exams, this full-colour study and Revision Guide provides study support as well as revision support. // Just the right amount of detail you will need to recap and revise the key content, theories and concepts from the course. // Written and

presented in a clear and straightforward way making it very accessible and easy-to-use. // The step-by-step structure of the book allows you to tackle each topic in the same way, which builds your confidence and provides a useful framework for revision. // Provides plenty of exam support including analysis of examination techniques and advice on how to respond to different question styles. // An exam question bank with two levels of student answer, with annotations and comments, allows you to see where mistakes are typically made and where extra marks can be gained. // Carefully structured to allow you to build links between themes and within topics. // Also includes references to theoretical debates, recommended research studies and key sociology writers throughout. // A comprehensive glossary of key words and

terms to learn and use in exam answers is provided.

This illuminating book offers a fresh and contemporary guide to the field of sociology. By demonstrating the versatility of the sociological imagination, the authors reveal the ways in which thinking sociologically can help us understand the personal, social and structural changes going on in the world around us. Using real world case studies, the book addresses key sociological themes such as:

- Global social transformations
- Social divisions and inequalities
- Social theory and its practical applications
- The personal and the political.

Providing a set of concepts, tools and perspectives for analysing our social world, the book equips the reader with an understanding of how to start thinking sociologically. With helpful features such as end of chapter

summaries, key definitions and recommended readings, it is an invaluable resource for students taking an introductory sociology course or those studying sociology at further or higher education level.
