Super Mario Galaxy 2 is one game which I cannot praise high enough.. I am well over 21 but I really did like it which I was so shocked at as my favourite games are those puzzle games where you have to work things out etc but some of the challenges had puzzle details where you had to work things out to finish the game.

Wii Remote. Wii Remote and Nunchuk. Super Mario Galaxy 2, known as Super Mario Wii 2 in South Korea, is a 3D action platformer game for the Wii. It is the sequel to Super Mario Galaxy and is the fourth 3D platformer entry in the Mario franchise; it is also the first, and thus far, the only 3D platformer in the Mario franchise to be released on the same console as its predecessor (Super Mario Galaxy 2 was released on the Wii; the same console that Super Mario Galaxy was originally released for).

Super Mario Galaxy 2 is a 2010 platform video game developed and published by Nintendo for the Wii.It was first announced at E3 2009 and is the sequel to the original 2007 game.It was released worldwide in 2010. The story follows Mario as he pursues the Koopa King, Bowser, into outer space, where he has imprisoned Princess Peach and taken control of the universe us-

ing Power Stars and Grand Stars.

In Super Mario Galaxy, the player must speak to Polari in one of the domes on-board the Comet Observatory (or in the main area of the Comet Observatory) to access the map of the Comet Observatory, from which they can then press the "List" button to access the Star List. In Super Mario Galaxy 2, this has been made much easier, as a "Star List" button has now been added directly to the pause menu, and the player can therefore access it any time during gameplay.
