PPRPHW - EFRAIN CAREY

I swim against the current between the water lilies whose stems are exactly as deep as the water, underwater breaststroke, head breaking the mirror, ashen film, dead insects, bits of leaves, powder of tiny bodies, I have absolutely no fear, my head is in rhythm with the passing landscape, window to a cloudy sky, the weather is beautiful, the light ...

Swim against the Current: Even a Dead Fish Can Go With the ...

swim against the current. To go against or disagree with a prevailing or popularly held opinion or perspective; to act or behave contrary to the majority of others. I really swam against the current when I was in college with some radical opinions, but as I've grown older I've found myself falling more in line with others.

Swimmers who are caught in a rip current and who do not understand what is going on, and who may not have the necessary water skills, may panic, or exhaust themselves by trying to swim directly against the flow of water. Because of these factors, rips are the leading cause of rescues by lifeguards at beaches,...

Swim against the Current is a rollicking read, telling the uplifting stories of feisty grassroots people and groups who're not just talking about change but actually producing it—in politics, business, health care, banking, religion, and other aspects of American life.

Swim against the Current: Even a Dead Fish Can Go With the Flow - Kindle edition by Jim Hightower, Susan DeMarco. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Swim against the Current: Even a Dead Fish Can Go With the Flow.

Considering the dysfunction in Washington these days and the pollution of our waterways it's not clear that there is a current that a

dead fish could go with. But, yes, Jim Hightower and Susan DeMarco have got it right: we need to swim hard against the tide of stupidity and BS awash over this once great land.

Swimming Against the Current - Evolution Counseling

Swim against the current : even a dead fish can go with the flow. [Jim Hightower; Susan DeMarco] -- Hightower and DeMarco share stories of people who have followed serious words of wisdom and have been successful in life because of it, in spite of what the elites wanted them to believe couldn't be ...
