Synchronicity: An Acausal Connecting Principle by C.G. Jung

9 quotes from Synchronicity: An Acausal Connecting Principle: 'We often dream about people from whom we receive a letter by the next post. I have ascerta...

In Synchronicity Jung attempts to outline a principle of reality that operates beyond the natural laws of physics. Since the notion of causality cannot explain the occurrence of meaningful, connected experiences, Jung hopes to find a separate principle of explanation -- an "acausal orderedness."

Buy a cheap copy of Synchronicity: An Acausal Connecting... book by C.G. Jung. Jung was intrigued from early in his career with coincidences, especially those surprising juxtapositions that scientific rationality could not adequately explain.... Free shipping over \$10.

Synchronicity - Wikipedia

Synchronicity reveals the full extent of Jung's research into a wide range of psychic phenomena. This paperback edition of Jung's classic work includes a new foreword by Sonu Shamdasani, Philemon Professor of Jung History at University College London.

The Philosophical Concept of Synchronicity

Synchronicity An Acausal Connecting Principle

Synchronicity is a Jung's attempt to unify the scientifically objective world with the subjective psychological world. It is an attempt to scientifically explain the unexplainable, even though the scientific method fails to explain the reality that goes beyond the physical observable and measurable world.

Synchronicity: An Acausal Connecting Principle by C.G. Jung

To Jung, synchronicity is a meaningful coincidence in time, a psychic factor which is independent of space and time. This revolutionary concept of synchronicity both challenges and complements the physicist's classical view of causality .

Synchronicity (book) - Wikipedia

The synchronicity principle asserts that the terms of a meaningful coincidence are connected by simultaneity and meaning. So if we assume that the ESP experiments and numerous other observations are established facts, we must conclude that besides the connection between cause and effect there is another factor in nature which expresses itself in the arrangement of events and appears to us as meaning.

Synchronicity: An acausal connecting principle - Home ...

The concept of synchronicity. It was a principle that Jung felt gave conclusive evidence for his concepts of archetypes and the collective unconscious [2], in that it was descriptive of a governing dynamic that underlay the whole of human experience and history — social, emotional, psychological, and spiritual.

The Philosophical Concept of Synchronicity

Jung defined synchronicity as an "acausal connecting (togetherness) principle," "meaningful coincidence", and "acausal parallelism." He introduced the concept as early as the 1920s but gave a full statement of it only in 1951 in an Eranos lecture.

Synchronicity | Princeton University Press

Jung variously described synchronicity as an "acausal connecting principle" (i.e., a pattern of connection that cannot be explained by conventional, efficient causality), "meaningful coincidence" and "acausal parallelism".

Synchronicity: An Acausal Connecting... book by C.G. Jung

Synchronicity is a word coined by the Swiss psychologist Carl Jung to describe the temporally coincident occurrences of acausal events. It was a principle that he felt encompassed his concept of the collective unconscious, in that it was descriptive of a governing dynamic that underlay the whole of human experience.

Carl Jung on Synchronicity - Thinking Minds

Behind all these phenomena he places the constellation of an archetype which, in his view, engages equally objective manifestations - in the physical world - and subjective ones - in the individual's psyche.. Jung wrote a book on synchronicity together with theoretical physicist and Nobel laureate W. Pauli providing proof for his concept.
