The Mogadorians who destroyed the planet Lorien continue to hunt down the Garde, the small group of Loric survivors who have taken refuge on Earth. The Garde must come together. They are Lorien and Earth's only hope. During the dangerous mission at the Mogadorian base in West Virginia, John found and rescued Nine. But even with their combined powers, special abilities known as Legacies, the pair barely escaped with their lives—and they lost Sam in the process. In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India. Power in numbers will save us all.

The Revenge of Seven is the heartstopping fifth installment in the Lorien Legacies series by Pittacus Lore. The worst was supposed to be over. We were reunited after a decade apart. We were discovering the truth about our past. We were training and getting

stronger every day. We were even happy. . . . We never imagined the Mogadorians could turn one of our own against us. We were fools for trusting Five. And now Eight is lost forever. I would do anything to bring him back, but that's impossible. Instead, I will do whatever it takes to destroy every last one of them. I've spent my entire life hiding from them, and they've stolen everything away from me. But that stops now. We're going to take the battle to them. We have a new ally who knows their weaknesses. And I finally have the power to fight back. They caught Number One in Malaysia. Number Two in England. Number Three in Kenya. And Number Eight in Florida. They killed them all. I am Number Seven. I will make them pay. The Fall of Five is the fourth novel in the New York Times best-selling I Am Number Four series by Pittacus Lore. The Garde are finally reunited, but do they have what it takes to win the war against the Mogadorians? John Smith—Number Four—thought that things would change once the Garde found one another. But he was wrong. After facing off with the Mogadorian ruler and almost being annihilated, the Garde know they are drastically unprepared. Now they're hiding out in Nine's Chicago penthouse, trying to figure out their next move. The six of them are powerful, but they're not strong enough yet to take on an entire army—even with the return of an old ally. To defeat their enemy, the Garde must master their Legacies and learn to work together as a team. More important, they'll have to discover the truth

about the Elders and their plan for the Loric survivors. And when the Garde receive a sign from Number Five—a crop circle in the shape of a Loric symbol—they know they are close to being reunited. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before it's too late.

THE FIRST BOOK IN AN ELECTRIFYING NEW SERIES set in the world of the number one New York Times bestselling I AM NUMBER FOUR _____ The Loric didn't make us monsters and they didn't make us heroes. We choose what happens next. Taylor Cook thought of the invasion as just a bad dream. It had ended over a year ago, and none of the fighting happened anywhere near her small town. She'd heard about teens who were suddenly developing incredible abilities, but she had never really believed it. Not until the day she discovered she was one of them - a human with Legacies. Now Taylor is being sent off to the Human Garde Academy. A place where teens from across the globe can learn to control their new powers and discover what they are truly capable of. There they will be trained by the Loric - the very same people who helped win the war and who are also responsible for unleashing the Legacies on the planet. As part of this new generation of Garde, Taylor and the others will one day be able to use their gifts to protect mankind. But not everyone thinks that's the best use for their talents. There are people who have different plans for the students and who will stop at nothing to get what they want. Generation One is the first book in a thrilling new

series set in the world of the bestselling I Am Number Four series. They are living among us. You think you know their stories. You're wrong ... Here are three action-packed novellas that give the heart-pounding backstories of some of your favorite Lorien. Originally published as separate e-novellas, this is their first time in print, in one volume.

The fifth book of the #1 New York Times bestselling I Am Number Four series! The Garde have suffered an unbearable loss. Number Five has betrayed them. Eight is gone forever. Ella has been kidnapped. The others are now scattered. In Chicago, John makes the unlikeliest of allies: a Mogadorian named Adam, who has switched sides. Adam knows the Mogs secrets, and he knows where to hit them: their command base near Washington, DC. But during the assault, John learns he and the Garde might be too late. The Mogadorians have commenced their ultimate invasion plans. Meanwhile, Six, Nine, and Marina make their way through the Florida Everglades, hot on the trail of the traitorous Five. With the development of a new Legacy, Marina finally has the power to fight back—if her thirst for revenge doesn't consume her first. The Garde may be broken and divided once more, but they will not be defeated. As long as one still stands, the battle for Earth's survival is not lost. Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." This epic young adult series is perfect for fans of action-packed science fiction like The Fifth Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game. The battle for Earth's survival wages on. Read the rest of the series: #6: The Fate of Ten, and #7: United as One. Don't miss the first book in the brand-new I Am Number Four spin-off series: Generation One.

In this villainous one-hundred-page companion novella to the #1 New York Times bestselling I Am Number Four series, get a unprecedented look at the invasion—from three different Mogadorians hoping to conquer Earth. This novella picks up immediately after the cliffhanger ending of The Fate of Ten and coincides with the events of United as One, the final book in this epic series. After the Mogadorian leader is struck with a potentially fatal blow, it becomes uncertain who will step in for him and how the Mogs should proceed with their invasion of the planet. This power vacuum has wide-reaching ramifications. One Mog, who has been on a quest for redemption ever since she first let the Garde slip through her fingers, is given an unimaginable opportunity to make things right with the Beloved Leader. Another, who has an unquenchable thirst for blood, jumps at the opportunity to hunt down the human teens who have begun to develop Legacies. And the last Mog, who has been questioning everything since he crossed paths with Adam, is forced to decide once and for all where his allegiances lie. While the fate of the Mogadorian leader is unknown, the one thing that is for certain is that this war is coming to an end . . . and there can only be one side that wins. The Discord of Gods marks the epic conclusion to Jenn Lyons's Chorus of Dragons series, closing out the saga that began with The Ruin of Kings, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR CONFLICT COULD END THEM ALL. Relos Var's final plans to enslave the universe are on the cusp of fruition. He believes there's only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping himself classified in the

'pawn' category means Kihrin must pretend to be everything the prophecies threatened he'd become: the destroyer of all, the sun eater, a mindless, remorseless plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals are complicated by the fact that not all of his 'act' is one. His intentions may be sincere, but he's still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he's now tied to a body that is the literal avatar of a star — a form that is becoming increasingly, catastrophically unstable. All of which means he's running out of time. After all, some stars fade — but others explode.

THE ELECTRIFYING END TO A STORY TEN YEARS IN THE MAKING

In this dramatic conclusion, the Legacies, Loric, Earth Garde and even the Mogadorians come together for a final, deadly showdown. After the battle in Switzerland, the Fugitive Six find their loyalties torn, splitting them into two factions. Taylor, Nigel and Kopano join Nine to return to the Academy, but nothing is the same. Fear and resentment of the Human Garde has been growing and the Academy is under siege. The United Nations has decreed that all humans with Legacies must be implanted with inhibitors, a move that will take away their power and their human rights. The team have no choice but to fight back. Fractured and facing capture or annihilation on all sides, they must sacrifice everything in a war that pitches them against the rest of the world. The fate of the Human Garde and the world they knew has never been more uncertain. Praise for Pittacus Lore: 'Tense, exciting and full of energy' Observer 'Relentlessly readable' The Times 'A franchise to eclipse Harry Potter' Big Issue 'Number Four is a hero

for this generation' Michael Bay
