This shocking collection of erotica from new publisher Venus or Vixen focuses on pleasure mixed with pain plus a smattering of fear, grief and shame just for good measure. There are stories that are hot and horrid but often funny and others that are sometimes eerily beautiful and sometimes downright creepy. Carefully and cunningly compiled under the editorship of Cara Bruce, this anthology includes tales from Lydia Lunch, Cecilia Tan, Kevin Lano, Thomas S Roche, Simon Sheppard, M Christian, Blag Dahlia, Paul Bradshaw, and many more.

"What happens when an ex-stripper in her mid-thirties, married with children, awakens one day questioning what brought her to a current life of complicated domesticity? Compelled to return to Omaha after seventeen years, the narrator we only know as Natalie begins a quest into her past, an adventure that takes the reader from childhood beauty pageants to the sex and glamour industries. Natalie's search becomes an intrepid journey through her own sexuality, a woman not only claiming herself but also accepting her contradictions. With inquisitive perception and agile use of perspective, Searching for Suzi is an investigation into the tragic shadows of a past preferred to be forgotten"--Cover, P. [4].

Hilarious, irreverent, twisted, bawdy, brilliant - these short shorts by Nancy Stohlman feel like a series of off-kilter encounters with the strangest characters you swear you've met before in a previous, more interesting lifetime. With sly humor and daring, Stohlman weaves tiny tales reminiscent of Etgar Keret, but with her own inimitable stamp. The Vixen Scream and other Bible Stories is an amazing collection. Do not deny yourself the pleasure of reading it. - Kathy Fish, author of 'Together We Can Bury It' The Vixen Scream

is a collection of compelling and strikingly original stories - an imagination functioning at full throttle. Nancy Stohlman is a word-chemist, and here is her book of wonders! - Robert Scotellaro, author of 'Measuring the Distance'

Evil comes in many forms. It can hide in the people you think you know or the places you call home, as well as within you. This collection of nine short stories showcases the worst of humans (and non-humans) with some dark humor for good measure. From demons and murderers to a bizarre experiment and a journey through Hell itself, The Vixen's Scream drags us through the underbelly of our world. And not everyone makes it out alive.

A brilliant story of adventure, wit and philosophy from the origins of the SPELLS-LINGER series to enrapture devotees as well as newcomers alike. New to the ways of the Argosi, the tribe of wandering philosophers who seek to defeat evil by wit and guile, Ferius Parfax encounters a hideous plague - the Red Scream. Highly contagious, caught by the hearing of a deadly verse, it turns its victims into mindless monsters that destroy all human life they come into contact with. With the help of a deaf boy whom she has saved from two horrifying victims of the plague, she sets out to find the source of the Red Scream and overcome its terrifying power. Along the way she is joined by another Argosi, Rosie, who purports to be so much wiser and more adept than Ferius, but who turns out to have her own dark secrets. Peopled with extraordinary characters and gut-wrenching drama, Ferius's story teaches her hard lessons about the limits of the Argosi's ways. Readers will delight not just in this amazing masterclass in plot pacing and narrative drive, but in the seemingly bottomless well of wit, thought and wisdom that the story brings up and that has changed lives down the ages. It takes the

reader on a journey like no other.

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

Fantasy-roman. As a grave witch, Alex Craft can speak to the dead - she's even on good terms with Death himself. As a consultant for the police, she's seen a lot of dark magic, but nothing has prepared her for her latest case. When she's raising a "shade" involved in a high profile murder, it attacks her, and then someone makes an attempt on her life. Someone really doesn't want her to know what the dead have to say, and she'll have to work with mysterious homicide detective Falin Andrews to figure out why

It's the announcement all its fans have been waiting for! After seventeen long years, they're bringing back the science fiction TV series 'Vixens from the Void'; an intergalactic story of Space Bitches which was as 80s as Hair Gel, Live Aid and the Brixton Riots. So it's bright lights, good times and the high life for ex-script editor Mervyn Stone again! Or so he thought... The reason why he is stuck in a pub in the arse-end of the backside of Cornwall, with no decent television channels, no central heating and a badger in his bed eludes him at the moment. His breakfasts smell of burning flesh, and his underpants are starting to coagulate. And to make matters worse, someone is trying to kill him. Is it the incompetent director who hates

Mervyn from way back? The mad fan who wants the relaunch stopped at all costs? The flaky ambitious star? The executive producer with 'issues'? The arrogant womanising actor? The writer pretending to be something he's not? The producer with a guilty secret? Mervyn is learning something very important. Perhaps the past should stay in the past... This book is published by Big Finish Productions, Ltd. and distributed by Untreed Reads Publishing.

A haunting novel about a black woman who returns to her hometown for a plantation wedding and the horror that ensues as she reconnects with the blood-soaked history of the land and the best friends she left behind. More than a decade ago, Mira fled her small, segregated hometown in the south to forget. With every mile she traveled, she distanced herself from her past: from her best friend Celine, mocked by their town as the only white girl with black friends; from her old neighborhood; from the eerie Woodsman plantation rumored to be haunted by the spirits of slaves; from the terrifying memory of a ghost she saw that terrible day when a dare-gone-wrong almost got Jesse--the boy she secretly loved--arrested for murder. But now Mira is back in Kipsen to attend Celine's wedding at the plantation, which has been transformed into a lush vacation resort. Mira hopes to reconnect with her friends, and especially, Jesse, to finally tell him the truth about her feelings and the events of that devastating long-ago day. But for all its fancy renovations, the Woodsman remains a monument to its oppressive racist history. The bar serves antebellum drinks, entertainments include horrifying reenactments, and the service staff is nearly all black. Yet the darkest elements of the plantation's past have been carefully erased--rumors that slaves were tortured mercilessly and that ghosts roam the lands, seeking vengeance on the descendants of those who tormented them, which includes most of the wedding guests. As the weekend unfolds, Mira, Jesse, and Celine are forced to acknowledge their history together, and to save themselves from what is to come.

Firethorn, the first volume in an epic trilogy, is a stunning debut. Sarah Micklem has introduced an unforgettable heroine into the fantasy pantheon. Loving, reckless, and indomitable, Firethorn travels through an imaginary world as real as history and as marvelous as legend. Firethorn flees a life of drudgery to live alone in the forest, relying on her knowledge of herb lore to survive. She returns transformed, indebted to the god who saved her life, and blessed -- or cursed -- with uncanny abilities and a

nagging sense of destiny. After a few nights of dalliance with Sire Galan, a high-caste warrior on his way to join the king's army, Firethorn seizes the chance to go with him, only to find she has exchanged one form of servitude for another. The army readies for war in the vast encampment of the Marchfield, where men prey on each other and women dare go nowhere alone. Among the lowborn harlots and the highborn dames of the camp, Firethorn learns to use her gifts as a healer, venturing into realms of dream and shadow. Desire drew Firethorn and Sire Galan together, but love binds them -- a love that has no place in the arrangement between a warrior and his sheath. When Galan makes a wager with disastrous consequences, Firethorn uses her gifts to intervene in his fate and learns just how hard it can be to tell honor from dishonor, justice from vengeance. Sarah Micklem has written an extraordinary tale -- at once magical and earthbound, beautiful and violent. She immerses readers in a remarkably imagined world where gods are meddling, the highborn uphold their privileges with casual brutality, and a woman's only recourse may be the strength she finds within.

NYPD sniper Matt Donovan is in Hell. Instead of driving his best friend's little sister home from college, he's stuck with her roommate—a fresh-faced ray-of-sunshine with a body that makes grown men weep. There's no way he'll allow himself to taint the little vixen, no matter how hard she tries to tempt him, so he resigns himself to the longest—and hardest—drive of his life. Matt's obvious attraction suits grad student Lucy Mason just fine. She had no idea her brother's best friend was so deliciously hot. Knowing he'd never have his wicked way with his buddy's sister, she lies about her identity and seduces him. But Matt's no fumbling college boy. His desires run deep—and dark—and he wants to teach Lucy what wicked really means. Matt's demanding appetites only make Lucy want more. But when her cover's blown, he's furious—even as his hunger for her becomes insatiable. Matt can't trust anyone, least of all himself. And he knows all too well that darkness always destroys the light... Each book in the Line of Duty series is STAN-

What if a "Once in a Lifetime" could happen twice? In Dahlia London's world, happily ever after is a far cry from reality. Her soul has been left completely shattered by tragedy. But a surprising reunion with someone from her past is about to give her a reason to love again... When rock star River Wilde comes back into Dahlia's life, their super-charged connection runs deeper than either of them ever expected. The more time they spend together, the more intense their relationship becomes, and Dahlia believes at last she has found her soul mate. But as old bonds fade and Dahlia's grief begins to lift, her guilt and confusion remain. River desperately wants to be the one who mends what's been broken—but with a past that refuses to stay buried, is it possible for their future to begin?

Adam isn't sure he isn't a serial killer. He has long been worried that he might be. Lately he's been having the sense that the only thing keeping him from that path is his wife, Selena, who understands the mind of serial killers rather better than the general public. So when a rash of murders disturbs the sleepy town of Almond Park, California, and Selena is asked to help with the investigation, Adam is not sure he won't be found out. If he is, he'll lose everything that truly matters to him. Close to Home is Nolon King's new book, an intense psychological thriller. Pick up your copy today!

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

During the toilsome era of the 1920's, few dreamed of frivolous fortunes. But Gregory Allen, despite his humble upbringing, did more than dream. He achieved wealth, power, and a large estate in his early twenties. Still, Gregory saw no life in living without love and married his dream-girl, Emily Allen. With a child on the way and his fragrance company on the rise, Gregory's dreams finally seemed to be coming true. But when a fiercely sought-after and rare flower causes a close friend's daughter to disappear, Gregory has no choice but to leave his growing family behind and hunt for her in the harsh jungle of Africa. The nightmare begins when Gregory passes out in the mysterious jungle and wakes up in the captivity of a strange group, twenty-five years later. The family and the company he thought he left for only a few months has vanished, and without proof of who he is, Gregory struggles to break free. When Gregory finally returns home, everything he loved and cared about has been destroyed—or more accurately, stolen. A childhood foe has stripped Gregory of his life. Getting even becomes Gregory's only purpose. But if he is not careful, he will lose more than he ever thought possible. With his life, love, and family on the line, Gregory needs allies, but quickly learns his greatest weapon is his own forgiveness. Author Kaylee Reilly Christian was born and raised in Taylorsville, Utah. She is happily married with three beautiful children. The Christian family recently moved to a sweet little town in Idaho called Glens Ferry.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by

type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

"Heart-wrenching, redemptive and stirringly passionate... A series opener to be read and savored."—RT Book reviews, 4 1/2 stars. First in a thrilling steampunk paranormal romance series, Honoria Todd is being hunted by a vicious blue-blood, and her only chance of survival lies with the notorious master of the rookeries in Whitechapel. But at what price? Her blood? Or something more? Most people avoid the dreaded Whitechapel district. For Honoria, it's the last safe haven as she hides from the Blue Blood aristocracy that rules London through power and fear. Blade rules the rookeries—no one dares cross him. It's been said he faced down the Echelon's army single handedly, that ever since being infected by the blood-craving he's been quicker, stronger, and almost immortal. When Honoria shows up at his door, his tenuous control comes close to snapping. She's so...innocent. He doesn't see her backbone of steel—or that she could be the very salvation he's been seeking. *Paul Dombey* is a cold, unbending, pompous merchant, and a widower with two children - Paul and Florence. His chief ambition is to perpetuate the firm-name. He dreams of passing his business on to his son. Dombey dotes on his son, and neglects and mistreats his daughter. The "son" in the title of the book is incapable of ever joining the firm. A sickly and odd child, Paul dies at the age of six. Dombey pours his resentment and anger out on his daughter, whom he pushes away despite her efforts to earn her father's love. Eventually Dombey remarries, after literally acquiring his new wife from her father in a commercial transaction. Dombey is as bad a husband as he is a father and his marriage is loveless. His new bride hates Dombey and eventually runs off with Carker, his business manager. Dombey characteristically blames Florence for this reversal, and strikes her, causing Florence to run away as well. Abandoned by everyone, Dombey loses his business and goes half insane, living in his decaying house. Dombey is eventually reconciled to his daughter, who always a doormat forgives her father.....

Never cross a master of the bow . . . A young archer bent on revenge against the knight who impoverished his family encounters an enigmatic stranger who promises him a far more potent form of retribution. But when Thomas finds himself hurled by magic to fight battles in faraway lands, he soon discovers that the vengeance his mysterious benefactor offers could change not only one archer's destiny, but that of the entire world. A masterful short historical fantasy full of magic, archery, and intrigue by the author of the acclaimed *Greatcoats* and *Spellslinger* series.

"Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a per-

son—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).

When a sleepy hillside town is beset by a spate of burglaries followed by a murder, Detective Jack Harris must quickly uncover the link between them. A series of blood-curdling screams heard in the dead of the Cumbrian night has a London woman new to the area convinced that a murder has occurred. When the body of a young woman is in fact found, rumours quickly spread that a serial killer is at work in the small Pennine community of Levton Bridge. When the clues do indeed begin to point to a connection with other missing women, the pressure from on high to find answers increases ten-fold. Fighting the media circus's constant attempts to thwart the investigation, detective Jack Harris must also battle the confusion and doubts among his own team in order to find the killer. *THE VIXEN'S SCREAM* is the second book by John Dean to feature DCI Jack Harris. Look out for the first, *DEAD HILL*. These books can be enjoyed on their own or as part of a series, in no particular order. If you enjoy traditional British murder mysteries, look no further than *THE VIXEN'S SCREAM*.

As a college senior and server at Hanaford Park's hottest nightclub, twenty-one year old Ryann Pierce's plan was simple: work hard, make lots of money, and avoid the ass-grabbers at all costs. What she never planned for was Quinn Donegan—the living, breathing advertisement for sinful behavior that waltzed into her life.

In this fascinating account, Richard Smyth

asks what it is about birdsong that we so love. Exploring the myriad ways in which it has influenced literature, music, science, and our very ideas of what it means to be human, Smyth's nuanced investigation shows that what we hear says as much about us, our dreams and desires, as it does about the birds and their songs. At a time when our birdsong is growing quieter, with fewer voices, more thinly spread, *A Sweet, Wild Note* is a celebration of the complex relationships between birds, people, and the land; it is also a passionate call to arms lest our trees and hedgerows fall silent.

"You are my mate; how can you allow this?" I was crying and feeling helpless as I was tied to the bed. "An ugly princess like you is only a good sight when she gets tortured," his response shook me into silence. "She is yours for the night," my mate Karson told the old man and then gestured towards the sex toys on the table, "Use all of them," my heart sank in my chest when he picked up a camera to record the torture. "You are my mate, but that's the only pleasure I will getting from you every night," he chuckled after revealing what he had decided for me. .... Nora Greer was an unloved Alpha Female. Despite, being born to the Alpha of The Fire Vixen pack, she was hated by everyone. Her only saving grace was her mate The Alpha King Karson. All it took was a night and an angry wolf for her to lose the last thread of hope. Her once beautiful face now had Wolf's paw marks. She was rejected and punished by Karson in the worst ways possible. Will she ever find the love, respect, and comfort she deserves?

Brazen, incisive, and outrageous, *Life Of A Real Housewife*, formerly "Lies of a Real Housewife" spans the years of early childhood through adulthood. It's an illustration of guts, and the determination it takes to overcome tragedies in one's life. Her story begins at the tender age of five years old when Angela Stanton was sexually abused. She takes us into her survival mode on the streets, and adjustments she had to make in her home life. She shares experiences of her teen years, growing up in Buffalo, NY. She leads us on a short stay as a young girl in Greensboro, NC. The author, rapper, wife and mother, guides us through her struggles into her early adult years in Hotlanta. By fate, she lives a hustler's life of crime with none other than Real Housewives of Atlanta's own, Phaedra Parks. By a twist of fate, her life crashes sending her on a trip to a darkened place called hell. National Bestselling Author, Angela Stanton, survives to give a raw, revolutionary account of her daring journey to redemption. In her sophomore book, *Life*

*Of A Real Housewife*, Angela Stanton opens her past life for public viewing.

A shadow meets the light ... When someone needs to disappear, the Chicago mob calls on Joe Rossi. A man who can move without a sound, and kill without a word, they don't call him the Shadow for nothing. This time, it's a New York crime family in need of his skills, but it takes one glimpse of her to make him agree to the job. Liliana Marcello is every inch a principessa della mafia. Her life has taught her to be wary of strangers, yet her ballet career contradicts everything by putting her on display. It's a man with a dark smile and a constantly changing demeanor that makes her feel safe again, but it's the unknown that holds her back. It takes one look ... One dance ... One word ... One smile to captivate a man. And one second to kill a woman because of it, too. Not all monsters hide in the shadows. How are you supposed to see them coming?

The bestselling artist of *Black Rust* is back with a corrosive Goth vision of life, death and the in-between. Combining art book and dark narrative, Ward offers the ferocious beauty of abysmal visions. With an introduction by John Cassaday and afterword by Ben Templesmith.

The discovery of a dead gangland figure in a quarry brings back dark memories for Detective Chief Inspector Jack Harris and the hilltop community in which he works. As the detective investigates the murder, not only is he forced to deal with hostile villains, frightened townsfolk, and colleagues who doubt his capacity to bring the killer to justice, he also has to confront part of his past that he had hoped would be forgotten. And in doing so, he is forced to reevaluate the loyalties of those closest to him.

*Lies of a Real Housewife: Tell the Truth and Shame the Devil* By Angela Stanton
